20 YEARS OF ILL HEALTH

Then Mrs. Duke Discovered Kellogg's ALL-BRAN

Of her own accord, Mrs. Duke sat down and wrote us a glowing tribute to Kellogg's ALL-BRAN: "I have been constipated all my life, which has been about 20 years, up until last year when I started eating your ALL-BRAN. Since I have been eating it, people tell me I am looking better, and I am sure that I feel a great deal better."—Mrs. L. W. Duke, 210 Hardin Ave., College Park, Ga.

Constipation is usually caused by lack of two things in the diet: "Bulk" to exercise the intestines; Vitamin B to help give them tone. Kellogg's ALL-BRAN provides both of these dietary necessities, as well as iron for the blood.

Within the body, the "bulk" in ALL-BRAN forms a soft mass, which gently clears the intestines of wastes.

How much more natural it is to enjoy this delicious cereal than to risk taking pills and drugs—so often harmful.

Just eat two tablespoonfuls daily—serious cases with every meal—for most types of constipation. ALL-BRAN is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.

Sold in the red-and-green package. Made by Kellogg in Battle Creek.

Wedding Rings Lose Favor With British Couples
