

CUBS THREATENING RUNAWAY RACE IN NATIONAL LEAGUE

Pitching and Batting Give Clearcut Edge—Win Over Giants 13th Victory in Last 16 Engagements

By GALE TALBOT. (Associated Press Staff Writer) Tearing along three games in front of their closest pursuers today, their great pitching staff mowing down opposing batmen with relentless efficiency and their hitters thumping in unison, the Chicago Cubs threaten to make a runaway of the National league race.

When young Lon Warneke set the New York Giants down yesterday, 2 to 2, the leaders scored their fourth straight victory over eastern clubs and their 13th win in 16 engagements. Unless Rogers Hornsby's team is slowed down soon, it will pile up such an advantage it will be able to coast through to the flag.

Warneke's Work Brilliant. Warneke's sensational hurling has rounded out one of the most formidable stiffs in either league. In winning his first five games, in each of which he went the full distance, the 23-year-old product of Mount Ida, Ark., has given up only nine hits, his work has overshadowed that of such veteran mates as Malone, Bush, Smith, Root and Grimes, and they have done well enough.

The Giants could find Warneke for only five hits yesterday, two of which came after two were out in the ninth and provided their second run. In six of the nine innings he was unhittable. His teammates looted three Giant hurlers for 11 safeties, every man in the lineup getting at least one.

Phils Stop Reds. The day's only other National league bow saw the Phillies break Cincinnati's 5-game winning streak, 4 to 0, behind Ray Bangs' effective pitching. Five Red hits were widely spaced. Rain checked the scheduled activities at Pittsburgh and St. Louis.

Vio Sorrell turned in the day's American league masterpiece when he allowed the Boston Red Sox only two hits in pitching the Detroit Tigers to a 11 to 0 victory. Hal Rhyme's two singles knocked Sorrell out of a no-hit game.

Lefty Grove was almost as effective as the Athletics blanked the Chicago White Sox, 9 to 0. The great southpaw allowed six hits.

The witness of Walter Stewart and "Bump" Hadley, who distributed 11 walks, helped the Yankees trounce the St. Louis Browns, 10 to 2, in their delayed opener.

WOMEN GOLFERS INVADE ENGLAND

SOUTHAMPTON, Eng., May 11.—(AP)—With navy a husband in sight, the American women's golf team which will play an English team at Wentworth next week, arrived today.

"After all, husbands are only a nuisance and we thought they had best be left behind," said Mrs. Glenna Collett Vase.

"Gee, I'm just crazy at seeing old England again," Helen Hicks, American champion, exclaimed. "We are just a nice quiet party of golfing girls and none of the unmarried ones are engaged on the way over."

Other members of the American team are Mrs. Leona Cheney, of Los Angeles, Virginia Van Wie, of Chicago, Maureen Oroust of Englewood, N. J., Mrs. Opal S. Hill of Kansas City, Mrs. Harley Hight of Detroit and Marlon Hollins of Santa Cruz, Calif.

TED THYE FOULS JEWISH GRAPPLER

SPOKANE, WASH., May 11.—A foul rabbit punch by Ted Thye, Portland heavyweight, gave Abe Kaplan, New York, the decision in a feature wrestling bout here last night. Each had won a fall when the foul was called.

Thye delivered his punch in the fifth round, and was declared loser by Referee Freeman as Kaplan withdrew on the mat. Kaplan took the first fall with a stiff right to the jaw that stretched Thye on the mat in the third round, and Thye took the second with a series of shoulder bursts in the fourth. Thye weighed 188 pounds and Kaplan 220.

Billed as the semi-windup, the match between O. L. Hupp, Moscow, Ida., and Ed Meyer, Cober d'Alens, Ida., took all the customers' cheers. The middleweights grappled over five fast rounds to a draw.

ORANGEMEN WIN, 11-5 ON VANDALS' BOBBLES

CORVALLIS, Ore., May 11.—(P)—Oregon state's baseball team defeated Idaho, 11 to 5, here yesterday, making a clean sweep of the two game series. Errors contributed greatly to Idaho's downfall, the Vandals being charged with 10 bobbles. Oregon state moved up to the 300 per cent column in conference standings with three wins and three losses.

WALK IN NINTH GIVES BEAVERS WIN OVER REDS

(By the Associated Press) Los Angeles, by defeating the Seattle Indians, 4-1 in the series opener last night, had stretched its winning streak to seven straight today.

The Angels had a profitable third inning in which Stas tripled with two on base to account for two of the three runs in this frame.

A home run by Quellich in the eighth, which chased another runner home, turned the tables in favor of Hollywood, as the Stars took the opener from Sacramento, 3-1.

As the Angels were winning their seventh straight, Oakland was losing its seventh consecutive game, this time being victims of the San Francisco Seals, 10-1. The game was a hurler's duel until the eighth when the Seals scored three runs and broke a one-all tie. They came back in the ninth to add six more on two hits, plus some ragged baseball and four errors by Oakland.

Portland defeated the Mission Reds, 6-5 after the Missions had tied the score in the seventh. Briggs walked chosen in the ninth when the bases were full, forcing in the winning run.

RECREATION CLUB SPONSORS PLAYS

The Jackson County Recreation club is sponsoring three one-act plays to be given Saturday evening, May 14, at 8 o'clock, at the senior high school, Medford. These three plays have been judged the best in a county-wide contest by Rev. Baird, First Christian church, Medford; Miss Dorothy Mitchell, Y. W. C. A. secretary; Miss Faye Woolley, county librarian, and Miss Margaret Hensley of the Medford Mail Tribune.

The Jackson County recreation club is a county-wide organization comprised of local leaders from 15 communities which meets once a month. This organization grew out of the recreation and dramatics schools held here some time ago by Mr. Bradford and Mr. Knapp of the National Playground association.

Last year nine communities took part in the dramatics contest and this year there were five. Next year the three best plays will be taken to the Home Interests conference at Oregon State college and a state-wide contest held.

So much interest has been taken in the final judging of the county contest that it was decided to present the plays at the Medford senior high school, where ample seating room will be provided. There will be good music and a splendid two and one-half hour program at a small admission charge.

Miracle Winner Newmarket Stakes

NEWMARKET, England, May 11.—(AP)—Lord Roseberry's Miracle, second choice for the derby at Epsom Downs June 1, today won the Newmarket stakes at a mile and a quarter for three-year-olds.

Miracle won by four lengths from Mrs. L. Rihl's Rolling Rock, with the Aga Khan's Bulandshar third. The stakes were 1000 pounds with extra.

ALBANY OUTBOARD SPEED DEMONS IN COMING REGATTA

Word was received today from George Hurley of Albany that both he and John Fierstein would be on deck to compete in the next speed boat race meet which will be held at Emigrant lake Sunday, May 22.

Both Hurley and Fierstein are old-timers in the speed boat racing game and have raced at practically all regattas held here during the last three years.

Hurley, who drives the Golden Slipper, had bad luck in the last meet and caved in the whole side of his boat when he collided with Beecher of Portland while jockeying for position in one of the starts.

Hurley has a great outfit and had he stayed on top would have placed in the money.

There were a great many casualties in the first meet at Emigrant because of the large number of entries, which crowded the course to capacity. Arrangements are being made to take care of even more entries in the races of the 22nd and an extra buoy will be added to the course, which will bring the starts closer to the view of the spectators and will probably result in less smashups.

All the drivers who attended were enthusiastic over the course and the way the races were run off in spite of the great number of turnovers and collisions.

Hurley in his letter to the Medford "Navy," which is sponsoring the show, also mentioned that he is bringing down a dark horse from Corvallis, who has purchased a brand spanking new 1932 boat and motor and expects to give it its initial race here and expects to clean up.

Local drivers merely grinned and remarked that the dark horse would probably get his initiation to the cool waters of Emigrant lake as the course when crowded, is no place for an amateur dark horse who expects to clean up.

NEW YORK, May 11.—(AP)—A cautious rally in the stock market today was upset by a contrary tendency in the rail shares. Early gains of 1 to 2 points were largely lost, and the close found most of the list negligibly changed, with some losses of 1 to 2 points. The day's turnover was only about 700,000 shares.

The market was helped for a time by favorable interpretations of the coalition economy move in the senate in Washington, and the upturn in wheat but traders remained cautious.
