

YANKEE HURLERS TAKE SPOTLIGHT FROM SLUGGERS

McCarthy's Curvers Keeping Club in Winning Column As Heavy Hitters Suffer Slump in Offensive

By Gayle Talbot, (Associated Press Sports Writer.) The New York Yankees no longer are getting the flamboyant batting that had opposing clubs hanging on the ropes the first fortnight of the campaign, but their pitching suddenly has become a thing of beauty.

In scoring four consecutive victories over Detroit and St. Louis and setting all after the flying Washington Senators, Joe McCarthy's curvers have more than atoned for a marked falling off in the club's attack.

Give 4 Runs in 4 Games. In four games, the quartet of George Pipgras, Charley Ruffing and Vernon Gomez and Young Johnny Allen has allowed only four runs, two of which would have been averted by shapelier support. Pipgras and Allen have registered shutouts.

Allen, the rookie from Toronto, won himself a starting berth yesterday when he set the Browns down 3 to 0, on five scattered hits.

The victory enabled the Yanks to narrow the gap between them and the leading Senators to two games. All the other American league teams were weatherbound at Washington, Philadelphia and Boston.

Dodgers Finally Win. The Brooklyn Dodgers traveled 17 innings to beat out St. Louis, 6 to 3, and break a four-game losing streak. Their three runs in the 12th were strictly a gift from "Wild Bill" Hulihan. The Cardinal southpaw uncorked three wild pitches, tying the major league records for that specialty, passed one man and allowed three hits.

Cincinnati fans enjoyed a large afternoon as their team made it out of three over the Phillies, 4 to 1. Leo Durocher, displeased when he was tagged out stealing second, planted a right on the jaw of Dick Bartel, Phil's shortstop. Bartel went down and Durocher went out.

Wind and rain caused postponements at Chicago and Pittsburgh.

SIX COAST HURLERS REMAIN UNDEFEATED

LOS ANGELES, May 12.—(AP)—Six hurlers in the Coast league remained today in the 1,000 per centage class, but real honors so far this season were held by Jimmy Zinn of the San Francisco team, with seven victories and one defeat.

Hank McDonald of Portland, is at top of the average with three victories, with Tom Ebbesen of Hollywood, second, with two wins.

Huskies Favored To Trim Oregon. SEATTLE, May 12.—(AP)—The undefeated University of Washington track and field team, leaving Seattle today to meet the University of Oregon at Eugene, Ore., Saturday in a dual championship is a heavy favorite to conquer the Webfooters.

Based on best performances of the athletes of the two squads, the Washington Huskies are figured to win by more than 30 points.

Butcher Boy Baer Stops Big Kansan. OAKLAND, Cal., May 12.—(AP)—Another step in his efforts to climb the heavyweight ladder was taken here last night by Max Baer, former Livermore butcher boy, as he disposed of Walter Cobb, 221-pound Hutchinson, Kans., fighter, in the fourth round of their 16-round battle.

Ketchell Kayos Gibbs. SAN FRANCISCO, May 12.—(AP)—Wesley Ketchell, Salt Lake City light heavyweight, knocked out Jack Gibbs, Tulsa, Okla., in the first round here last night.

SHANGLE'S JUNIORS SHOW PROMISE AS BASEBALL OUTFIT

Among the American Legion junior baseball teams, the outfit mentioned by Verne Shangle is showing consistent improvement and will soon start the "weeding out" process, as there are now 21 lads seeking places on the squad. The Shangles will journey to Ashland this afternoon to tangle with the Asherats, while the Doughboys will clash with Central Point.

In Merritt and Simmons Shangle boasts a pair of right-hand curvers with considerable promise. Merritt has both speed and curve and is now working for change of pace. Owen Bates, who is being tried out in outfield and behind the plate has a nifty peg and Floyd Baker, left fielder, should prove a baseball player, as he has a cousin in the Coast league.

Shangle has the following boys working out almost daily: Morton Haddock, Harold Patterson, Alfred Randles, Alva Merritt, Ed Simmons, Price Schafer, Wes Howard, Leo Ghelardi, Floyd Baker, Owen Bates, Warren Liggett, Max Nichols, Dale Roberts, Ward Herron, Eugene Harvis, Albert Piche, Keith Palmerton, Donald Richey, Harold Listrell, Melvin Kohn and Woodrow Casebolt.

PORTLAND RALLY IN NINTH INNING TRIMS MISSIONS

(By the Associated Press) Oakland's seven-game losing streak has ended today.

The Acoras won a game last night and their victims were none other than the league leading San Francisco Seals. The score was 3-1. A drive in the eighth inning resulted in all three Oakland runs.

Johnny Bassler, Hollywood catcher, stepped to the plate in the ninth as a pinch hitter against Sacramento last night and doubled with the bases full. The inning netted the Stars four runs with which they overcame a Sacramento lead and took the game, 6-3.

Portland went on a ninth inning rampage to overtake a one-run Mission lead and pile up an 8-2 victory just when the Missions appeared certain to end a seemingly indefinite losing campaign.

The seven straight walkups Los Angeles has been giving other teams, was stopped in a shutout last night by Seattle, which defeated the Angels, 2-0. Haid of Seattle, and Baecht of Los Angeles opposed each other in a hurler's duel. Haid was nicked for seven hits and Baecht for five.

LOUGHRAN LOSES TO HAMAS AGAIN

PHILADELPHIA, May 12.—(AP)—There were few to assist today that Tommy Loughran was through with the leather and canvas although he had bowed a second time beneath the punishing fists of young Steve Hamas.

The Philadelphia Phantom, trying to come back to the heavyweight heights from which he tumbled in last winter's wars, said he thought he had won the 10-round bout which went to Hamas by a 2 to 1 decision last night.

His partisans declared his performance demonstrated that he still could sock, that he still was clever, and that it might have been a fluke of which Hamas knocked him out in the second round of their Madison Square Garden go last January.

OREGON BASEBALLERS DROP FOURTH CONTEST

EUGENE, Ore., May 12.—(AP)—Idaho won its first conference baseball game here yesterday, while Oregon lost its fourth successive start. By the narrow margin of 1 to 0 the Vandals took the Webfoots into camp in a pitcher's duel between Earl Jacobs and Ken Scales.

SERVICE STATIONS AID BEAUTY DRIVE

Jackson county service stations located on the Pacific highway are showing a splendid spirit of co-operation in cleaning up and beautifying the highway, according to a report of the local committee.

Forty stations were recently visited by a group of Medford women representing the following organizations: Garden Club, D. A. R., Dixie Club and Business and Professional Women's club. The committee met with a fine reception and offers of co-operation on every hand.

Among the improvements promised by the service stations are painting and cleaning up of buildings, removal of rubbish and weeds in vicinity, trimming of lawns and planting of flowers and shrubs. This work will aid materially in beautifying Jackson county before the tourist season opens and should prove a big factor in helping to make a good showing in the highway beautification contest which closes this month.

All residents living along the Pacific highway are urged by the Jackson county committee to clean up and improve their properties within the next two weeks to assist in the worthy improvement campaign.

Our 1932 Plan

The manufacturing cost of the various brands of Quality tires is very much the same.

To give you better Tire Values and better prices, a saving had to be made somewhere in the manufacturer's cost of putting tires on the Independent Merchant's Shelves.

To accomplish this we added the buying power of a number of Southern Oregon dealers to that of our own and found that in making a direct factory contact, buying in quantity shipments for our combined requirements, costing the factory only ONE BILLING, SHIPPING, ADVERTISING, SELLING, and COLLECTION CHARGE for this entire territory, we could make a material saving in price.

You can share in this saving as shown in the following prices, and equip your car with Fisk Airflight Principle tires at the same price asked for mail order tires or other leading manufacturers' secondary line tires.

Facts About Coroner's Office

Special stress is being laid upon the fact that I have held the office of coroner for two terms.

I would therefore ask each voter to pause and consider what firm held this office for four consecutive terms before I took over its duties. Then if my services have been satisfactory, I shall appreciate your hearty support.
