It Has Been Asked— of each voter to pause and consider what firm held the coroner's office for four consecutive terms before present incumbent took over its duties. The firm was the Perl Funeral Home, who held this office for the following terms: 1914-1916 2 years, 1916-1918 2 years, 1918-1920 2 years, 1920-1924 4 years. Which totals ten years, not sixteen years, as some voters would probably think under the present four year term. The change from 2-year to 4-year terms for this office was made in 1920. Therefore the present incumbent has held this office for 8 consecutive years. I have never held the office of County Coroner, and would appreciate your support in the primaries May 20th.
