Charles P. TALENT
FOR
SHERIFF
WHY?

He has had eight years experience and training as enforcement officer in Jackson county. Through his present position he has made contact with every Sheriff's Office in Oregon and is acquainted with their methods, in every department. His Deputies would be the best obtainable for the salary paid, all picked from Jackson county residents—no exceptions. No HARD BOILED tactics would be tolerated in dealing with prisoners, or any one else. EVERY one would receive a square deal as the office would be conducted strictly according to law. ALL records open for inspection by public. My slogan—EFFICIENCY guaranteed through EXPERIENCE, which means ECONOMY and THAT'S what every Citizen of Jackson county should want.
