

LIONS TO STAGE SHOW AT HOLLY WEDNESDAY NIGHT

There will be no matinee at the Holly Theater tomorrow, owing to the special show arranged by the Medford Lions' club to be presented tomorrow night only, in addition to the regular screen program. The three-act domestic comedy, "A Dollar Down, a Dollar a Week," to be presented on the stage, has been thoroughly rehearsed, and the result will be a splendid performance, according to George Olsen, who has been in charge of staging the play.

Lions and Lady Lions who will play important roles are Mrs. and Mrs. Jerry Barr, Mr. and Mrs. George Olsen, Mr. and Mrs. Ernest Scott, Verne Shangle, Don Collier and Leiland Brophy. All the members of the cast are well known locally and a surprise is in store for those who think these folks cannot act.

The timely play, dealing with a family that furnishes their home on the installment plan, is full of amusing situations and clever dialogue.

All funds made by the club will be used for club expense and to carry on the work, such as blind relief, undernourished children, etc. No member of the cast is receiving any payment for his work.

The excellent feature picture, to be shown with the stage play is "The Showaway," a thrilling action story of the sea featuring Fay Wray, Leon Waycott, Montague Love and Lee Moran. Also on the screen will be shown an E. M. Newman Travel Talk. This double show, stage and screen, is offered at the regular Holly prices and tickets may be secured from any Lion or the Holly box office. The closing attraction at the Holly tonight is "The Mouthpiece," with Warren William and Sidney Fox. Warren William is a great actor and here is a picture that is really worth while. The short subject program on the closing bill consists of a news reel, the May horoscope and a gorgeous musical and dance act entitled "Subway Symphony."

MAKES SENATE HISTORY

Mrs. Hattie W. Caraway, senator from Arkansas, wrote a new chapter in senate history when she presided over a session of the body. She is the first woman in the history of the country to rule over deliberations of the senate. Here she is in the vice president's place on the senate rostrum.

APPLAGATE UNIT HAS FINE RECORD HOME EXTENSION

APPLAGATE, May 17.—(Sp.)—Applegate home extension unit leads all other clubs of Jackson county in work accomplished during the last year, according to the comparison of notes by the chairmen of the clubs during the home-makers' conference at Medford recently.

A summary shows the wide variety of work they have attained. Projects: Child development study club, vegetable cookery, Oregon products, Christmas sweaters, dry cleaning and gardening, relief work, four food showers, three clothing showers, \$5 to the needy, making of two wool quilts and charity and aid to other sewing clubs in charity work, making of quilt to sell, making of gift quilt, aid in quilting in one home and presentation of Easter card shower, gift and personal gifts to a hospital patient.

The vegetable cookery was obtained through demonstrations at Medford, which was attended by club members.

The Applegate club was the first in the county to be organized in January of 1931. The club year ends this month.

At the last meeting new officers were elected. Two officers, Mrs. L. C. Port, chairman and Mrs. J. R. Hoffman, treasurer, were re-elected. Mrs. Harry Brown vice-chairman and Mrs. John Penoil, secretary. After the business session, Mrs. Hoffman was honored with a handkerchief shower in appreciation of her work for the club. A May basket of flowers was presented her by Miss Carolyn Benedict and beneath the old-fashioned nose gay and other flowers the handkerchiefs were concealed.

Mrs. Ralph Pittick, who plans to leave soon for California to join her husband, was presented with a quilt.

Next meeting will be May 17, at which time Mrs. Mable Mack will be present to assist in planning their program for the coming year.

DAVID LOWRY TO LEAD STUDENTS AT LOCAL HIGH

As a result of the student body elections at senior high school yesterday, the entire group of officers for next year's student administration was chosen. The voting was practically all predetermined and in only one case, that of the secretary's election, was the race at all close.

David Lowry, president of this year's junior class, was given the highest honor, that of student body president. He has been very active in all school affairs since entrance into high school three years ago, and as president of various organizations has gained experience necessary. He displaces Arthur Iverson as president. The two defeated candidates are Max Rae and Wilson Colbaugh.

Red Scheel, well known and popular athlete, defeated Conway Latham, Tommy White and Adrian Fraley in the vice-presidency contest. The office is now held by Max Rae.

In the secretary race Barbara Wall defeated the only other candidate, Francis Berry, by two votes, thus winning the office now held by Miss Adra Edwards.

Cleo Hicks and Wayne Lowry were defeated by Russell Hogue for the office of treasurer by close balloting. Hogue succeeds Wilson Colbaugh.

Jerry Trill was elected property manager for the second consecutive time, winning over Leonard Hober and John Wilkinson.

As there was only one candidate nominated by the student council for each of the following offices, business manager, Lucien Clements; Hi-Times editor, Bill Cummings; and yell leader, Winston Hottel; these students were automatically elected.

Dick Sleight won the position of Crater editor for the coming year over Claude Mankie. Miss Anna Mae Fuson is the present editor.

The office of song queen was sought by four candidates but will be filled next year by Ruby Stone, who defeated Alice Brock, Arlene Ray and Gertrude Boyle. Miss Stone displaces Nellie Green, incumbent.

The installation of the new officers will be made Wednesday, May 25th.

KIDNAP MOTIVE MAIN PUZZLE IN LINDBERGH CASE

(Continued from Page One)

solely for ransom. This is the theory held by Governor Harry Moore of New Jersey. He discounts entirely the theory that the baby was kidnaped for reasons of revenge.

Though Col. Lindbergh has no known enemies, it is pointed out that a national figure of his prominence may have some foes who might have been brooding over a fancied wrong or slight. But the New Jersey chief executive doesn't believe anyone would have risked such an atrocious crime merely through personal animosity.

Other Views Coincide.

His views coincide largely with those of Police Commissioner Mulrooney of New York, in that both believe that kidnaping suddenly became the new popular racket with gangsters and racketeers who have suffered financially from prevailing economic conditions.

While the ransom motive points to New York gangsters, there are other possible motives which point to some one who lives in the vicinity of the Lindbergh estate at Hopewell. Prosecutor Edwin E. Marshall of Mercer county, where the body was found, said that it is a possibility that the crime might have been committed by someone living nearby.

SHORTRIDGE IN FAVOR LIQUOR REFERENDUM

WASHINGTON, May 17.—(AP)—Senator Shortridge (R., Cal.) today said he favors "giving the people opportunity to exercise their right to modify or alter or repeal the eighteenth amendment to the constitution."

Shortridge has voted for enforcement measures, including the Jones "five and ten" law increasing the penalties for Volstead act violations. He comes up for reelection this year.

Roseburg Youth Lands Huge Fish By Aid Of Horse

ROSEBURG, Ore., May 17.—(AP)—The slang phrase, "horsing" a fish out of water, took on literal meaning to young Louis Franco of this city while fishing in the South Umpqua river here from the back of his horse. Supplying his equipment from the usual contents of a boy's pocket and using a freshly caught eel for bait, the boy suddenly felt a violent tug and, with a wild whoop, sent his horse up the river bank at full gallop. At the end of his line flopped a 15-pound chinook salmon, which he promptly dispatched with a club.

NEW SHREDDED BISCUIT EXTRA RICH IN VITAL FOOD ELEMENTS

Laboratory Certifies the Improved Kellogg's WHOLE WHEAT Biscuit

Before the new Kellogg's WHOLE WHEAT Biscuit was introduced, the Kellogg Company submitted it to the Medical Arts Laboratory of Philadelphia, which found it so rich in food value that every package could be certified.

This means that mothers can now know definitely that their children are getting a well-balanced food whenever they serve the new Kellogg's biscuits and milk—rich in minerals, vitamins, proteins—nourishing and healthful.

And Kellogg's WHOLE WHEAT Biscuits offer many other features. The biscuits are "pressure-cooked" by a special process that bakes in the delicious flavor. At the same time, it retains all the valuable food elements of the whole wheat.

Kellogg's WHOLE WHEAT Biscuits are much crisper and tastier because they are toasted a tempting brown on both top and bottom—not just one side. They are baked in a more convenient, economical size. Two biscuits just fit the cereal bowl—and you get 15 to the package.

Naturally, this tasty new biscuit is welcome for breakfast, lunch children's suppers—any meal, in fact. Ready to serve with milk or cream. Sold by grocers in the red-and-green package. Made by Kellogg in Battle Creek.

Geary's Open New East Main Cafe Early Tomorrow

With its cool green booths and chairs as well as many other improvements, Geary's Cafe and Confectionery will be opened for business tomorrow morning, Wednesday, at 229 East Main street, the former location of Crowson's.

Mr. and Mrs. J. A. Geary, owners of Medford's new restaurant, have had a great deal of experience in operating cafes and have spared no effort to make their local establishment attractive, sanitary and modern. The interior has been completely re-decorated and all of the equipment repaired in preparation for the opening.

Geary's slogan will be "Look for the Neon arrow" in connection with the new illuminated arrow sign pointing to the cafe entrance.

George Dahl, competent chef, who formerly cooked for the Bureka Inn, Bureka, and the Senator Hotel, Sacramento, Cal., will be employed at Geary's. Special menus have been arranged for the opening tomorrow.

HAIR SEAL SEEN IN INLAND WATER

WALLA WALLA, May 17.—(AP)—Willard Abelo and Kenneth Umpshire, hotel employees here, said today they saw a hair seal about three feet long in the Tucannon river, Columbia county, where they went on a fishing trip.

Chinook salmon spawn in the Tucannon every spring, giving credence to the report that the seal, whose kind fellow salmon runs, was sighted. The spot where they said they saw the seal is more than 400 miles from the ocean.

Disabled Carry Vivid Reminders Of War Horror

(Continued.)

For the most of us the World war has loomed 14 years into the past, a dimming memory of drilling soldiers, Liberty Loan drives and then Armistice day. But for any men living largely unnoticed in our midst the war is still going on.

They are our disabled. Row on row they lie in white beds of the hospitals, or hidden in humble homes, they endure with quiet courage the privations and humiliations that sickness and poverty bring.

The American Legion and the Auxiliary are carrying on in Medford a fine program of relief and rehabilitation work for the disabled veterans and their families. Funds for this work are derived from the sale of the veteran-made poppy, which the women of the American Legion Auxiliary will offer for sale on the streets of Medford on Poppy day, May 20 and 21.

The official American Legion Auxiliary poppy has a small white label attached to its stem which bears the name of the American Legion Auxiliary and state that the poppy was made in the Veterans' Hospital in Portland, Oregon.

EXTRA SESSION OF CONGRESS LOOMS

WASHINGTON, May 17.—(AP)—Republican senate leaders have advised Speaker Garner that it will be necessary to recess congress in June for the conventions and that a summer session will be required to complete pending business.

Speaker Garner said he and Representative Snell, New York Republican leader, conferred yesterday with Senator Moses, New Hampshire, president pro tempore, and Senator Watson, Indian, Republican leader, and were informed they left it would be impossible for congress to complete its business by June 10, as originally planned.

BONUS SEEKERS REACH CHEYENNE

CHEYENNE, Wyo., May 17.—(AP)—A group of 310 former service men, en route from Portland, Ore., to Washington by freight train to request enactment of soldier bonus legislation, passed through Cheyenne last night.

The delegation, which is under military discipline, was fed here with funds provided by Cheyenne ex-service men. The food was cooked by the Port Francis E. Warren kitchen squad.

The group, traveling on a special freight train of six cars, is gathering recruits en route.

REVISED INCOME TAX ENDORSED BY LEAGUE

PORTLAND, May 17.—(AP)—Proposed as an initiative measure to go on the November ballot, a revised state income tax law designed to raise \$1,000,000 more than the present law, has been approved by the executive committee of the Oregon taxpayers' equalization and conservation league.

The committee endorsed the proposal Monday, as well as a companion measure and constitutional amendment which would create a state tax supervising body similar to the Multnomah county commission.

ELECTION FACTS.
