

OREGON INTEREST CENTERS IN VOTE ON CONGRESSMEN

(Continued from Page One)

publicans. Two oppose Hoover's re-nomination.

But on the Democratic side, 14 of the 21 candidates expressed a preference for Roosevelt, while the others agreed to abide by the party's choice.

Smith, Garner Hope film.

William H. (Alfalfa Bill) Murray of Oklahoma was the only other candidate on the Democratic ballot in opposition to Roosevelt. Some writers for Alfred E. Smith and John Nance Garner were expected, although there was no general organized action in their behalf.

A marked increase in Democratic registration in Oregon for this election year offset a Republican decrease, to bring the total of registered voters to a mark higher than in 1930, and exceeding 1928.

Congress Main Interest.

Most of the interest in tomorrow's election centered on the nominations for senator and for congressmen in the three districts. The wet-dry issue and power development were dominant in these contests.

Senator Frederick Steiwer, incumbent, a dry, recently expressed himself for submission of the liquor question. He is opposed by four other Republicans—Alfred E. Clark, bone dry, supported by Governor Julius L. Meier; Robert Gordon Duncan, wet; Kenneth G. Harlan, favoring submission, and Ex-Senator Robert M. Stanfield, a wet. Duncan gained wide notice two years ago as the self-styled "Oregon Wildcat and Chain Store Nemesis." He was convicted of using profane language over a radio station and served a federal jail sentence. Harlan, rate expert, formerly Tacoma, is under indictment on bribery charges in connection with selection of a municipal market site here.

Democrats seeking nomination to Steiwer's position are Marshall N. Dana, newspaperman, and Elton Watkins, both dry, and Walter B. Gleason, a wet.

Hawley Delzell in Finals.

In the first congressional district, Representative Willis C. Hawley of Salem, Republican incumbent, was opposed for re-nomination by James W. Mott, state corporation commissioner; Charles H. Bates, former Grange master, and Emmett Howard. Two Democrats, William A. Delzell and Harvey G. Starkweather, sought their party's nomination to that office. It was predicted the general election race would again be between Hawley and Delzell, who had a bitter contest of votes at the last election.

Congressman Robert R. Butler, Republican, from the second district, was expected to win easily from J. M. Richards, but for the Democratic nomination Ex-Governor Walter M. Pierce of LaGrande, and Francis V. Galloway of The Dalles looked for a close race.

Congressman Charles H. Martin, Democratic representative from the third district (Multnomah county) was unopposed for re-nomination, but four Republicans fought for the chance to meet him in the November election. They were Homer D. Angell, Cyril G. Brownell, Harry L. Gross and George A. Shepherd.

Treasury Race Keen.

With the exception of the race for the two supreme court positions, the contest for the Republican nomination as state treasurer appeared to hold the greatest interest to voters.

Four men, Henry J. Bean of Pendleton, James F. Brand of Marshfield, Roy R. Hewitt of Salem and John W. McCulloch of Portland, were in the race for position number two on the supreme court bench, and three men, J. O. Bailey of Portland, George M. Brown of Roseburg and Loyal M. Graham of Forest Grove, tried for non-partisan selection to number three position. Bean and Brown are incumbents.

With J. W. Maloney of Pendleton unopposed as Democratic nominee for state treasurer, Rufus C. Holman, incumbent, and Milton Scherping of Portland were striving earnestly for the Republican nomination. The contest was expected to be close.

Hoss Held Winner.

Hal E. Hoss was predicted to win easily over George A. Palmeter for re-nomination on the Republican ticket as secretary of state. Ray H. Wiscarver, McMinnville Democrat, was assured the Democratic nomination.

There was no Democratic candidate on the ballot for attorney-general, with I. H. VanWinkle, Republican incumbent, opposed by Earl C. Bronaugh, Jr., of Portland.

The proposed recall of Mayor George L. Baker of Portland, and City Commissioner John H. Mann, provided more than usual interest in the election in that city. Next in point of local interest was the fate of the proposed \$1,000,000 bond issue for relief work.

BRIGGS' EXPERIENCE NEEDED IN DISTRICT ATTORNEY'S OFFICE

Wm. M. Briggs, candidate for the Republican nomination for district attorney, is one of the outstanding attorneys of southern Oregon, having been a member of the firm of Briggs & Briggs, attorneys, since 1919.

Wm. M. Briggs

His office has enjoyed one of the most extensive practices of southern Oregon, with a reputation for dependability and integrity, and with a record of handling only litigation of merit and substance.

SECRETARY HOSS SEEKING RETURN

SABIN WILL SPEAK AT K. P. CONCLAVE

Hal E. Hoss, who is serving his first term as secretary of state, is asking for re-nomination on the Republican ticket.

In answer to his opponent's claim at the armory meeting last night that his experience was greater than that of Briggs, a check of the court records show that Briggs has consistently handled a much larger volume of legal business than his opponent, being retained in matters of great importance and involving great responsibility.

Briggs has been reared in Jackson county, having spent his entire life in southern Oregon, with the exception of the time spent in college and over eighteen months' service during the world war. His record, both in business and in the practice of law, has been one of notable success, and one of fair dealing with all persons.

Briggs has served the people of this county two terms in the Oregon house of representatives, and during this period of service he was looked upon as one of the strongest and most influential members of the legislature, and the Oregon Voter commented on his record as one of "energy and accomplishment."

At the last session of the legislature he was present, not as a member, but as a representative of all of the cities of the state of Oregon, a position of great responsibility, which position he held to such satisfaction of the municipalities of Oregon, including Portland, that he was elected as president of the League of Oregon Cities. In this connection his name and record have been mentioned at length in all of the municipal periodicals of the west.

As evidence of the regard of his fellow members of the bar he was at one time president of the Southern Oregon Bar association.

The people of Jackson county, by nominating Wm. M. Briggs on the Republican ticket for district attorney, will place in position for subsequent election a man of both legal and business attainment, with a record of long standing in this community of fair dealing and high integrity.

business men and farmers from all sections of Oregon, and by automobile owners interested in plans for a lower license fee.

The Oregon State Grange executive committee, in an official resolution, recently commended Hal Hoss, as a member of the board of control, for efforts toward tax reduction.

One of the principal speakers on the afternoon program at the K. of P. district convention in the I. O. O. F. hall Saturday afternoon at 2 o'clock will be George C. Sabin.

This announcement was made today by members of the lodge which is entertaining all members in District No. 4 here Saturday. Mr. Sabin is well known in southern Oregon, being manager of the Mable Hall of Oregon, Oregon Caves.

Miss Gilstrap's Betrothal Told.

An announcement of interest to members of the university set here and friends of Mr. and Mrs. Ernest R. Gilstrap of Eugene tells of the betrothal of their daughter, Miss Elizabeth Gilstrap to Eddie Walker. News of the engagement was told at a special dinner Tuesday evening at Gamma Phi Beta sorority with which Miss Gilstrap is affiliated at the University of Oregon. She is a member of the junior class. Mr. Walker, a former student at the university, is a member of Phi Delta Theta.

NO BLEMISH ON CONGRER'S RECORD

As the campaign curtain lowers, I make my final appeal with a clear conscience.

I have served Jackson county in the capacity of coroner to the utmost of my ability and my administration has been short in comparison with the number of terms the office was held by the former coroner.

Not one blemish could be brought against me in this campaign and I trust that I may again have your loyal support, which I assure you I shall merit in the highest.

Peerless Insures Crisp Vegetables With New Spray

The Peerless Fruit and Vegetable market on North Bartlett has just installed a modern spraying system which, according to S. J. Burdorf, owner, will keep the vegetables fresh and crisp during the warm summer months.

The market has its own gardens on Lozier lane, six acres irrigated with spring water, from which fresh vegetables are brought in every morning. Mr. Burdorf says all vegetables left over from the day before are taken off the stand. He says: "This idea of direct from grower to consumer eliminates one profit and enables us to sell at a lower price."

Two Doses Stop Cough Or No Cost

No argument—money back if two doses of Bronchiline Emulsion don't give you INSTANT, unmistakable relief. Jarmin & Woods Drug Store, Heath's Drug Store and all other good druggists guarantee it.

Contains no chloroform nor other narcotics, and no sweet stuff. Not habit-forming. Won't upset your stomach. Smells worse than it tastes. But if you are coughing yourself to pieces, what do you care what it smells like? INSTANT RELIEF is what you want—and what you get with Bronchiline.

HOOVER ENDORSES V. F. W. POPPY SALE

The following endorsement of the V. F. W. poppy sale was received by the commander from President Hoover:

"My Dear Commander: I warmly commend the annual Buddy Poppy campaign which is conducted under the auspices of the Veterans of Foreign Wars of the United States as a means of general civilian contribution to the relief work for disabled and needy veterans and their dependents. It not only gives employment to disabled veterans, but also it aids in the maintenance of a national home for widows and orphans of deceased veterans in Eaton Rapids, Michigan.

"Yours faithfully,
"HERBERT HOOVER."

Carter's Candidacy For County Clerk Based On Ability

I wish to solicit the support of the voters of Jackson county solely upon my qualifications to fill the position of County Clerk. I wish to impress upon the voters the fact that I AM NOT AFFILIATED WITH ANY GROUP OR FACTION and will conduct the duties of my office impartially if elected.

Concerning my qualifications, I wish to call the attention of the voters to the following facts: I attended the University of California at Berkeley and the Polytechnic business college at Oakland. In 1906 and 1907 I was chief deputy in the sheriff's office, handling the tax and legal work of that office. For five years I was manager of the Medford Ice & Cold Storage Company and was employed in the office of the Owen-Oregon Lumber Company.

Under the supervision of the State Tax Commission, I worked on the re-valuation of buildings in Medford and Ashland. With 12 years of diversified office work, both public and private, I believe that I am capable to intelligently handle the affairs of the County Clerk's office.

FOR CONGRESS

JAMES W. MOTT

Leading Republican Candidate

"James W. Mott is one of Oregon's brilliant legislators. He has an unusual record of accomplishment. He has been author of some of Oregon's most important legislation. He is a speaker of unusual gifts. He has invariably been found favoring sound legislation and opposing the unsound, and has been an outstanding member of the House since 1923.

FACTS About Coroner's Office

Special stress is being laid upon the fact that I have held the office of coroner for two terms.

I would therefore ask each voter to pause and consider what firm held this office for four consecutive terms before I took over its duties. Then if my services have been satisfactory, I shall appreciate your hearty support.

STATE OF OREGON EXECUTIVE DEPARTMENT SALEM

May 9th, 1932

Hon. William G. Husk, Multnomah, Oregon

My dear Mr. Husk:

I have your letter of May 9th. In reply permit me to state that originally it was not my intention to participate in any way in the present senatorial campaign. However, in view of the fact that you state in your letter that the voters are being deceived and misled by published statements that the water power legislation prepared by Colonel A. E. Clark at my request for the last legislature was in harmony with the platform on which Colonel George W. Joseph was nominated for governor and which I was afterwards elected to the governorship, I feel that I can no longer remain silent.

These representations, of course, are utterly false.

Without comment, I am advised that I can no longer remain silent.

Water power legislation recommended by me in my inaugural message—the most important legislation in my opinion, ever enacted by the legislature of the Columbia River, without comment and at his own expense Colonel Clark, at my request, accompanied me to Washington, D. C. last February to attend the request of Army Engineers and President Hoover for which I was elected.

In addition to having been in full accord with my water power and utility legislation, Colonel Clark has also rendered valuable aid to me in connection with economy and tax reduction program.

I want to add in conclusion that the principles for which Colonel Clark is standing in this campaign are in accord with the policies of my administration, and I am supporting him because I feel that he would give Oregon business and aggressive leadership at Washington, a type of leadership needed for the development of the State's resources, the protection of its industries, the reduction of our tax burden and the elimination of the shameful spoils system which has been exposed in the past few weeks.

Very truly yours,

Julius Meier, Governor

It Has Been Asked—

of each voter to pause and consider what firm held the coroner's office for four consecutive terms before present incumbent took over its duties. The firm was the Perl Funeral Home, who held this office for the following terms:

1914-1916	2 years
1916-1918	2 years
1918-1920	2 years
1920-1924	4 years

Which totals ten years, not sixteen, as some voters would probably think under the present four year term. The change from 2-year to 4-year terms for this office was made in 1920. Therefore the present incumbent has held this office for 8 consecutive years.

I have never held the office of County Coroner, and would appreciate your support in the primaries May 20th.
