

REGATTA DRAWING GREAT LINEUP OF SPEEDBOAT STARS

When the starter's gun barks at Emigrant dam Sunday at 2 p. m., perhaps the greatest field of speedboat drivers yet assembled in Oregon will be on hand to display their wares.

Entries have been pouring in during the past week, and early estimates of 25 drivers entered in over 10 races have been raised to over 30. The Emigrant Dam course is small and sporty and with a larger entry list than the last races, held during April, a day of spills and chills is certain. Extensive preparations have been made to make this race—the last of the season—the largest event of its kind ever held in Oregon.

Medford is ideally situated because of its central geographical location, to bring together the California speed artists and the Oregon and Washington drivers. Drivers who attended the last meet were loud in their praise of the local course and the treatment accorded them, and are demonstrating it by returning, to the man, for Sunday's races.

A great deal of interest is being displayed in the clash between the local drivers over the Bradford trophy. Any driver winning the cup twice becomes permanent owner of the beautiful loving cup. Heinie Fluhrer, Dutch Welch and Joe Meyers have each won the cup once and a battle is sure to result over the eventual ownership of the silver. All three men are in top shape for Sunday's races.

The state police and highway department are cooperating to keep the highway clear at Emigrant and absolutely no parking will be allowed on the right-of-way along the dam. Extra men will be available to handle the ticket sale into the dam.

A boat parade will be held through the streets of Medford, Saturday night at 7:30, when all drivers and their outfits, who have arrived by that time, will circle the business district. Details and tickets for the races are being handled through headquarters of the Medford "navy," at the Crater Lake Automotive company on Riverside at Eighth street.

Medford's Hope in Regatta

Heinie Fluhrer, well known local driver, who is being counted on to help keep the prize money at home when over 30 drivers clash in speed boat races at Emigrant dam Sunday.

Heinie has been consistently dogged by tough luck all season and ran up on the bank and then turned over later in the day when he had the free-for-all race "in the bag" during the last meet. He has doggedly clung to the name "Black Friday the 13th" for his boat, despite the pleas of his friends to change it and get a change of luck.

Last week Fluhrer journeyed to Marysville and, although he finally broke into the win column in the last race of the day, he had a repeat dose of bad luck all day. He claims that this is the last straw and has given his boat a new coat of paint and will rechristen it with a name which will be kept secret until Sunday.

SHANGLE, FLUHRER LEGION BASEBALL TEAMS WIN TILTS

Thirteen to four was the way Verne Shangle's Junior league representatives of the American Legion defeated Ashland's Grenbemer team last evening to continue their lead in the district league.

Heinie Fluhrer's Doughboys came in ahead of the Talent nine 30 to 2, to continue their winning streak. The Doughboys, however, are still one game behind Shangle's boys.

Winner of the Shangle-Talent game Tuesday, will play the Doughboys for the championship Thursday.

COLBAUGH LEADS ASSOCIATED BOYS AT MEDFORD HIGH

The Associated Boys of Medford high school yesterday held their annual elections for the purpose of choosing officers for the coming year. The candidates had previously been chosen by the Boys' Council.

Wildon Colbaugh was elected president by a large majority over his only opponent, Conway Latham. Colbaugh has a very progressive platform, one which will probably place the boys of the school on an equal standing with the girls who have had for several years a representative body which has been very active in all school affairs. The boys up to this time have had to act individually instead of collectively.

As Bill Knips was the only candidate for the office of vice president, he was automatically elected. Dick Sleeter defeated Dick Roberts in the race for secretary; by only four votes and Cleo Hicks won the treasury position over Wayne Lowry.

The outgoing officers are: George Harrington, president; Odd Hughes, vice president; Douglas Finch, secretary; and Bill Cummings, treasurer. The installation will take place at their next meeting, probably next week.

SHASTA CLIMB IS PLAN OF Y. M. C. A.

Mat Thompson, secretary of the Ashland Y. M. C. A., has announced plans for a hike to the Sierra club lodge at Horse camp, Mount Shasta for Memorial day, May 30, for which a party of twenty is being organized. The group plans to leave Mount Shasta City at one p. m., on that day, and spend the night at the lodge. From there they plan to continue to the summit, starting up at 2 a. m., and reaching their destination at noon.

Registrations are being made with Mr. Thompson.

FORD FARM PLAN IS PROTESTED BY EAGLE PT. GRANGE

The following resolution, condemning Henry Ford's recently announced plan for small farm tracts in industrial districts to permit workmen to raise part of their food supply, was passed by the Eagle Point Grange at the last meeting:

"Whereas, we have observed in the public press a statement by Mr. Henry Ford, advocating a national movement for the production of farm products; and

"Whereas, Mr. Henry Ford has advocated such a policy in connection with his own manufacturing plant and has arranged to provide suitable tracts for these employees; and

"Whereas, there is already a serious overproduction and underconsumption of farm products, and a decreased buying power on the part of farmers; and

"Whereas, such a movement on the part of Mr. Ford and other national manufacturers cannot help but in-

crease this already serious condition, and further subject the farmers to price reductions and decreased markets; now be it

"Resolved, that the Eagle Point Subordinate Grange seriously protest such action and call upon all farmers to support only such manufacturers as will support producers of farm products and maintain a correct balance between manufacturing and farming; and be it further

"Resolved, that a copy of this resolution be sent to Mr. Henry Ford and the public press.

"EAGLE POINT GRANGE 664.
"A. C. Mittelstaedt, Worthy Master.
"Mrs. Edith Weidman, Secretary."

SUFFERED FOR FORTY YEARS

Then One Lucky Day She Used Kellogg's ALL-BRAN

Here is great news for sufferers from constipation. Read Mrs. Kendig's voluntary letter:

"For about forty years I had been praying for a lasting remedy for constipation and its attending evils. To make it short, I ate nothing but ALL-BRAN and a little broth. Since that time (about ten years ago) I have not taken any medicine. Have been well and entirely free from constipation." — Mrs. I. H. Kendig, R. F. D. No. 2, Lancaster, Penna.

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines. Vitamin B to tone the intestinal tract. Laboratory tests show ALL-BRAN furnishes both. ALL-BRAN also furnishes iron for the blood.

Isn't it much pleasanter to enjoy ALL-BRAN than to risk taking pills and drugs—so often harmful?

Two tablespoonfuls daily will overcome most types of constipation. If you have intestinal trouble not relieved this way, see your doctor.

Serve as a cereal, or use in cooking. It is not habit-forming. Recipes on the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

COOK WILL PITCH FOR GRANTS PASS

George Cook, who starred last season as Eagle Point's pitcher, will be on the mound for Grants Pass Sunday in their grudge game against Talent at the Grants Pass fairgrounds, announcement from the Cavemen today said.

Several of the teams in southern Oregon have attempted to obtain Cook's services for their group, but had been unsuccessful. Jake Gipe, who has been pitching for Grants Pass this season, threw his arm out of joint in the Talent game last Sunday.

The Jacksonville Pirates and Medford Eagles play Sunday at the fairgrounds with the lodgemen anxious to avenge their defeat last Sunday.

TOLLEFSON SENTENCE EXPECTED NEXT WEEK

Alvin Tollefson, former cashier of the Central Point State bank, who confessed a bank bandit ruse, to cover up alleged defalcations lost in gambling, will appear before Circuit Judge H. D. Norton early next week for sentence. It is understood that Tollefson will waive appearing before the grand jury, which convenes Monday for the new term. Tollefson is now at liberty on \$2500 bonds furnished by his father and Elmer R. Hull of Central Point.

ANNUAL MEETING OF MISSION GROUP HELD

TALENT, May 20.—(Sp.)—Annual convention of the Women's Home Missionary society, southern portion of the Cascade district, met at the Talent M. E. church, Wednesday for an all-day meeting. Many delegates attended and an interesting program was enjoyed.

A memorial service was held in the afternoon for the members of the auxiliaries who passed away this year.

A chicken dinner was served at noon by the Ladies' Aid society of the church.

WILHELMINA BEAL PASSES AGED 53

Wilhelmina Beal, 53, passed away at the Sacred Heart hospital Wednesday evening after three years' illness. Mrs. Beal was born at Coffeyville, Kas., February 23, 1879. Wilhelmina Kreuger was married to Arthur Garfield Beal January 10, 1903, in Junction City, Ore., and to the union was born four daughters and two sons—Mrs. Glenn Harriman, Omak, Wash.; Mrs. Francis Marrison, Medford; Miss Clara Beal, Omak, Wash.; Loeta Beal, Medford; Vernon Beal, San Diego, Cal.; Lester Beal, Medford. Husband and all children survive their mother, as do two grandchildren.

Mrs. Beal was a member of the Christian church and the Women of Mooseheart Legion of the Order of Moose.

Funeral services will be held at the Perli Funeral Home Sunday at 2 p. m., Rev. Wm. Baird officiating. Interment in Central Point cemetery.

HILLS BROS MADE COFFEE-ROASTING AN EXACT SCIENCE WHEN THEY INVENTED CONTROLLED ROASTING

Under-roasting and over-roasting prevented by Hills Bros' patented continuous roasting process

Roasts "a little at a time," instead of in bulk . . . resulting flavor is simply superb

Coffee can easily be under-roasted and over-roasted by the ordinary, bulk method. That's why Hills Bros. invented and patented Controlled Roasting . . . a fool-proof process.

Instead of roasting in bulk, Hills Bros. roast a little at a time . . . as the coffee flows evenly, continuously through the roasters. A continuous flow of small quantities permits every berry to be perfectly done . . . roasted

to the right degree required to bring out the finest flavor! Hills Bros. Coffee is packed in vacuum cans, and can't go stale. The vacuum process of packing coffee is the only method that fully preserves coffee freshness—the air is removed from the can and kept out. It was originated by Hills Bros. over thirty years ago. There is no magic about a vacuum can—it will not make poor coffee good, but it will keep good coffee fresh.

Order Hills Bros. Coffee by name, and look for the Arab trade-mark on the can.
