

### GRIMES REFUTES CLAIM HE'S DONE AS BIG LEAGUER

#### Former Cardinal Hurler Banks Old Teammates in Game With Cubs—Third Victory in Four Starts

By GAYLE TALBOT. (Associated Press Sports Writer) Burleigh Grimes admitted from the witness chair only three days ago that he was just about "washed up" as a big league pitcher, but he would never have gotten away with it had the St. Louis Cardinals been sitting in judgment.

The Red Birds were ready to swear today that the 38-year-old spitballer still has plenty of jolts left in his right arm.

They needed to refresh their minds with a glance at yesterday's box score, in which they encountered their former teammate for the first time since he helped pitch them to a world championship last October.

Wins Three of Four. Telling for the Chicago Cubs, he set his old comrades down with seven scattered hits and shut them out, 3 to 0. It was Grimes' fourth start for the Cubs and his third victory.

The triumph not only was a source of satisfaction to the veteran, but was a great help to the Cubs in their neck and neck scrap with Boston for the National league top, enabling them to stay within eight percentage points of the pace-setting Braves. The defeat on the other hand, nearly tumbled the Cardinals out of the first division, leaving them a half-game ahead of the fifth place New York Giants.

Youngster Aids Braves. Bobby Brown, the 20-year-old sensation from Binghamton, kept the Braves at the head of the class by defeating Brooklyn, 4 to 2, on four hits. The youngster who began his big league career by licking Dazzy Vance in a mound duel a month ago was invincible in all but two outings.

For the third straight day the Giants and Phils engaged in an old-fashioned slugfest, and the Giants made it two out of three for the series by winning, 12 to 8.

Fumbles by Heath and Hafey helped Pittsburgh score five runs in the first inning and eventually trim Cincinnati, 9 to 4, for the second straight day.

Only two games were scheduled in the American league. One, at Chicago, was rained out and the other, at Detroit, was washed away in the fourth inning with the St. Louis Browns ahead, 1 to 0. It was no contest.

### HUSKIES FAVORED FOR FIELD HONOR

SEATTLE, May 26.—(AP)—When the track and field teams of the six schools of the northern division Pacific Coast conference meet here tomorrow and Saturday in their annual championships in conjunction with the Olympic trials, the University of Washington Huskies will be favored to retain their title.

On the basis of the best performances this year, the Huskies are figured to win over Washington State college, 46 1-3 to 40 2-3. The University of Oregon is given third place with 37, Oregon State college fourth with 199, Idaho fifth with 11, and Montana last with 5.

### BEAR TRADER BARRED BY STOCK EXCHANGE

NEW YORK, May 26.—(AP)—The New York stock exchange took its most drastic action today against a member for bear activity thus far in the 2 1/2-year decline.

Daniel Manning McKee, a private floor trader, was suspended for one year, under provisions of the constitution forbidding the offering of stock in a manner designed to demoralize the market.

### STATERS OVERTHROW CONFERENCE LEADERS

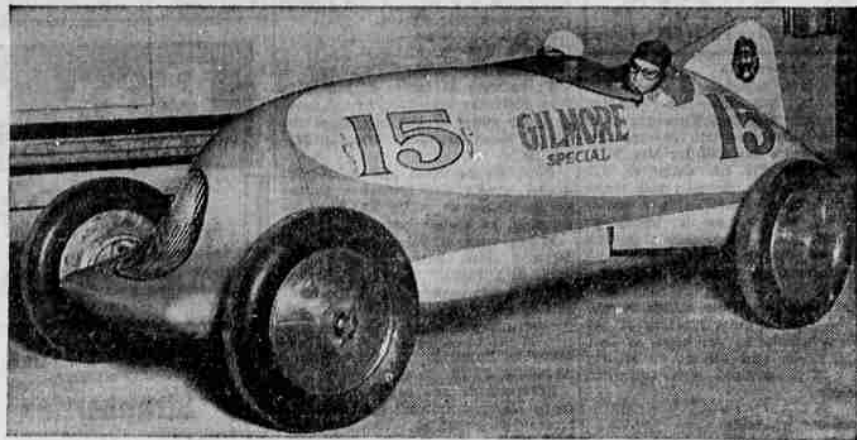

PULLMAN, Wash., May 26.—(AP) Oregon State's basketball team toppled the conference-leading Washington Staters from their throne here yesterday with a 9 to 5 victory, and with virtually no chance to regain the top.

### BESTS FOUR INTERNATIONAL RECORDS

Living Gilmore Special Number 15 at a speed of 148,218 miles per hour, "Stubby" Stubblefield last week brought back to America the international record for the one kilometer flying start. On the same day, the fast car also captured three other international records, namely the one mile flying start, the five kilometer flying start and the five mile flying start, two of which were previously held by Kaye Don of England. An electrical device timed the Gilmore car on the record dashes and official acknowledgment of the speeds attained will be asked from the Contest Board of the A.A.A. and also from the Internationale Des Automobile Clubs Reconnus of Paris. The above picture shows the unusual design of the record breaker. Gilmore Blue-Green treated gasoline and Lion Head motor oil were used in all the record making runs.

### GOLF FAVORITES ARE ELIMINATED IN AMATEUR PLAY

PORTLAND, Ore., May 26.—(AP)—Starting upsets marked the opening match play round of the Oregon state amateur golf championship tournament at the Waverly Country club yesterday as Eddie Hogan, Multnomah, and Tad Boyer, Portland civic champion, fell by the wayside.

Hogan, who is a former Pacific northwest amateur champion, met defeat at the hands of Dr. Cliff Baker, Portland Golf club, one up. Baker's victory, while well earned, came as a big surprise, as he is a comparatively newcomer and entered his first tournament competition last season. Boyer fell before J. Wilson Johnstone of Waverly, 3 and 2. Boyer appeared overfired and stale, having just finished a strenuous campaign in the city civic tournament.

Johnny Robbins, Alderwood, tournament medalist, was too strong for L. Paul Steffen, Waverly, turning in a 6 to 4 score. Ray Isaacs, Alderwood, disposed of Leslie Leel, Oregon state junior champion from Eugene, 3 and 2.

### Dix Awarded Nod Over Kenny Austin

SAN FRANCISCO, May 26.—(AP)—Madison Dix, 152 1/2, Bellingham, Wash., was awarded an eight-round decision over Kenny Austin, 151 1/2, Omaha, by Referee Jack Dempsey here last night. Austin's early advantage was overcome by Dix's finishing drive.

SEASIDE—Mrs. Lou DuBoise opened new eating place here for summer months.

### ZANE GREY WILL FISH ON UMPQUA

ROSEBURG, Ore., May 26.—(AP)—Zane Grey, noted author and angler, arrived in Roseburg last night on his way to the North Umpqua river, where he will spend the summer fishing, writing and making motion pictures. Several truckloads of equipment for the production of movies in sound will reach here in a few days in the custody of technicians, to be used in making fishing and scenic views. Mr. Grey and his party will be located at the John Ewell camp on Canton and Steamboat creeks, in the Umpqua national forest. The author expects to fish for salmon and steelheads and to do a great deal of writing, he states.

### TWIN BILL FOR BASEBALL FANS AT FAIRGROUND

Interest is being shown by baseball fans throughout southern Oregon, in the double-header scheduled for the fairgrounds Sunday afternoon, a benefit for Mrs. John Logan, for whose husband funeral services were held Saturday.

Grants Pass will meet the Medford team, and the Jacksonville Pirates will go into the field against the Talent nine, which will have the same lineup as in previous games this season.

Cliff Best will make his final appearance in a uniform in this section when he pitches for the Jacksonville Pirates. Best, one of the outstanding players in this part of the state, is leaving next week for Spokane, where he will play.

Baseball enthusiasts of this section will pay their respects to Logan Sunday, by attending the benefit. Known by all players and fans as one of the fairest and cleanest players who ever participated in the sport here, for several years Logan played for Ashland, Grants Pass and Jacksonville teams.

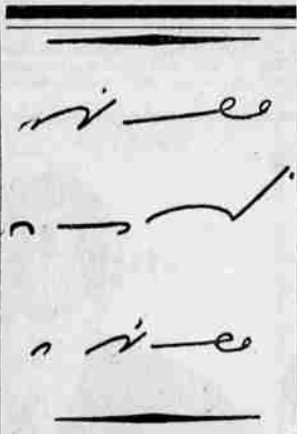

The double-event for Sunday is scheduled with the first game at 1 o'clock.

All four teams have been practicing, and are in top form. If Grants Pass can defeat Medford, and Jacksonville wins from Talent, the Grants Pass, Jacksonville and Talent teams will be tied in the bracket for first place.

### Heinz Products Shown in Truck On Local Visit

It has been the practice of the H. J. Heinz company to take their dealers into the Pittsburg factories from as far west as Chicago but that policy is impracticable for the Pacific coast. Modern science has made it possible however for them to bring the factories to the grocers in the form of an expanding truck which was in Medford Wednesday, being displayed to the local merchants.

This truck looks like an ordinary truck but upon pressing a button a small electric motor expands the side of the truck and raises the top making a neat and attractive display.

It's not a secret code or the curious writing of some ancient rarer. Any stenographer can tell you it means

play room in which are the entire 37 varieties. Comfortable seats afford the merchant the opportunity to sit down and examine the entire line. A stove and water tank make it possible to serve hot samples, as the Heinz company believes that "the taste is the test." Electric lights serve for night display while an electric heating system makes the car comfortable.

Pictures of the various Heinz factories, in all parts of the globe are shown including those in Seville, Spain, and England. It was of interest to learn that this company employs a larger force of salesmen in England than any English food packer.

The Heinz company employees over 15,000 people in their factories, has a sales force of over 1400 and have more in their employ now than at any time before in the history of the company.

The expanding truck is on its way to the Canadian border and was brought to Medford by H. N. Beisel of Berkeley, special representative of the company, through the influence of Guy Phetteplace, their local representative.

### Phoenix Postpones Extension Meeting

PHOENIX, May 26.—(Sp.)—It has been found necessary to postpone the meeting of the Extension club again. It was first called for May 27. The new date is not certain, but in all probability the meeting will be held the first Friday in June. The cause of the postponement is that Mrs. Mack, home demonstration agent,

who was to lead in the demonstration that day, has been called to Portland, and will not be back in time.

### Walker Favored To Take Uzcudun

NEW YORK, May 26.—(AP)—Although he will be forced to concede some 25 pounds in weight and six inches in height, Mickey Walker, the modern giant-killer, has been established a 7 to 5 favorite in his 10-round bout with Paulino Uzcudun tonight at Madison Square Garden.

Pierce's Hothouse Tomatoes can now be had at your grocers. Remember they are vine ripened.
