VITAMIN B IN BRAN. RESEARCH REVEALS

Also Has "Bulk" to Further Assist Elimination, and Iron for Blood

One of the functions of Vitamin B is to help tone the intestinal tract, and promote elimination. New laboratory experiments show Kellogg's ALL-BRAN contains this valuable vitamin.

In addition, ALL-BRAN brings a plentiful supply of "bulk" — which provides the "ballast" needed to exercise the intestines.

This "bulk" in ALL-BRAN is similar to that of lettuce. Inside the body, it is different from the way you see it in the package. It absorbs moisture, and forms a soft mass which gently cleans the intestines of wastes. Special cooking processes make ALL-BRAN finer, milder, more palatable.

Another healthful element brought by ALL-BRAN is iron. Tests show this cereal has twice as much usable iron as the same weight of beef liver.

Check common constipation — with its frequent headaches, loss of appetite and energy — by eating this delicious cereal. How much pleasanter than taking pills and drugs — so often habit-forming. Just eat two tablespoons daily — sufficient to overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

Long Mountain
LONG MOUNTAIN, May 27—(Sp.) Tommy Coy is working for W. R. Holman in the hay.
Prosperity is just around the corner in the Long Mountain district, it seems. The following have purchased new mowers and rakes: Gus Nichols, Bill Holman, Emmett Klinge, and George Givans a new mower.
A few of the farmers have started mowing their hay.
Mr. and Mrs. Emmett Klinge spent the afternoon with Mr. and Mrs. Charles Jackson.
Mr. and Mrs. Charles Klinge of Lake Creek visited their son, Emmett Klinge, May 23.
Glenn Lanning and Delbert Mongold of this neighborhood spent the week-end at Crater lake and other interesting places in Klamath county.
Those visiting the Long Mountain school this week were Miss Grace Holman and Miss Amy Johnson.

**Mr. Holman has sheared his sheep. E. P. Coy of Eagle Point called on friends here May 21.
June Stowell spent the afternoon with Grace Holman May 22.**

SECULARISM HELD STUDENT MENACE

DENVER, Colo., May 26.—(AP)—College youth today is not menaced as much by immorality and atheism as by secularism, in the opinion of the Rev. William Lindsey Young, director of the department of university work for the Presbyterian church in the U. S. A.
Mr. Young made the statement in an address prepared for delivery today at a conference preceding the opening of the general assembly of the church here.
With the post of moderator, highest honor a Presbyterian may receive from the church as the plume, the hardest fought struggle of ballots in the church in many years was forecast today.
