**BOMBAY, India, May 26—(AP)—**Three persons were killed and nine severely injured in a mail workers' riot in the northern section of Bombay today.

Pierce's Hothouse Tomatoes can now be had at your grocer. Remember they are vine ripened.

**3 Killed in Riots.**  
Three persons were killed and nine severely injured in a mail workers' riot in the northern section of Bombay today.

Walter Marshall returned home from Medford Wednesday, where he had been under the care of a physician since running a nail in his foot sometime ago. He is improving slowly.

Brownsboro school closed with a program and picnic May 24, and Miss Lydia Smith, teacher, will leave the last of the week for her home in Ashland. Isabelle Henry, Edred Charley and Billy Marshall successfully passed the seventh grade examination in geography.

**Brownsboro**  
Brownsboro, May 27.—(Sp.)—Mrs. G. A. Hansen and Mrs. L. J. Rohrer attended the school exercises and picnic at Eagle Point Thursday. Recent guests of Mr. and Mrs. W. Williams were Mr. and Mrs. Clay Williams of Los Angeles.

A welcome visitor at Sunday school last week was Rev. D. D. Randall of Medford. A program is being prepared for Children's day by the Sunday school and will be given June 12.

Brownsboro school closed with a program and picnic May 24, and Miss Lydia Smith, teacher, will leave the last of the week for her home in Ashland. Isabelle Henry, Edred Charley and Billy Marshall successfully passed the seventh grade examination in geography.

**Trail**  
TRAIL, May 27.—(Sp.)—Trail extension unit met with Mrs. Irwin Howe Tuesday afternoon. As it was the last meeting of the year, there was no demonstration. Mrs. Brown, Jr., and Mrs. Truist entertained with popular music. Honoring the birthday of Mrs. Brown, Sr., a cake and ice cream were served. Thirty were present and all are looking forward

to the meetings again in September. Geo. McNeal and sister, Miss Mollie, and Mrs. Boyd Tucker shopped in Medford Monday.

Geo. Fisher is building a boat. His other one was taken away by high water some weeks ago.

Mr. and Mrs. G. O. Young, who recently returned from South America, where Mr. Young spent two years as construction engineer, are visiting at the S. W. Hutchinson home this week. The Youngs spent a year here ten years ago when the highway was being built from Trail to Prospect.

Mr. Young was one of the engineers. They are looking for a location here. Mr. and Mrs. Harry Merriman and son Ray and Mr. and Mrs. Boyd Tucker drove to Butte Falls to see the graduation exercises. Lee Merriman was one of the class.

Vitaphone show at the Butte Falls theater Saturday night was a success. Baccalaureate exercises were given at the church Sunday evening and were attended by a large congregation. There are seven graduates. Rev. Smith preached.

Butte Falls high school commencement exercises were given the evening of May 25.

Senior class exercises were given Friday afternoon. They were well attended and appreciated.

Senior play was a success. All who saw it praised it highly. The receipts were \$40.

Ed Auburn and family arrived in Butte Falls Monday.

Mr. and Mrs. Charles Page's daughter, Gladys, Naomi and Leanne, and granddaughter of San Francisco visited their parents recently.

Mr. and Mrs. Clyde Moore and 11-year-old son, Darwin Philip, returned from Jacksonville Thursday.

Mr. and Mrs. G. O. Young, who recently returned from South America, where Mr. Young spent two years as construction engineer, are visiting at the S. W. Hutchinson home this week. The Youngs spent a year here ten years ago when the highway was being built from Trail to Prospect.
