

MEDFORD TENNIS SQUAD TRIUMPHS OVER COOS STARS

Invited Defeated Seven Matches to Two — Miss Coss Wins Added Feature — Edmiston in Rare Form

Medford's brand of tennis proved to good for the Coos Bay variety on the local courts Monday when the team of the Medford Tennis club romped through the Medford club, seven matches to two. Medford also won the added feature in the ladies' division, Miss Vivian Coss coming from behind to conquer Mrs. Marie Seale, 3-5, 7-5, 6-3.

Two singles encounters featured the match. In the first event Jimmy Edmiston, local ace, flashed the best form of the year to win from Roy Chan, Marshfield's hard hitting Chinese player. In the first set the local boy's games was flawless, while Chan found his terrific drives hard to control, Edmiston winning, 6-0. In the second set Chan came on strong and forced the set to deuce before the local boy tightened up and took the match at 7-5.

Dr. Gillis Easy Winner

Dr. Harold Gillis proved too crafty for Marc Seale in the second singles, winning handily, while Harry Garfield blasted his way to a straight set victory over District Attorney Walton of Coos county. Boggs and Faxon turned the other two wins in the singles for the locals in impressive fashion.

In the doubles the Medford club for the first time this season looked good. Edmiston paired with Gillis to win from Chan and Seale and Butler and Garfield disposed of Gurnea and Livingston handily.

The win over Marshfield gives the Medford club 37 wins with only one defeat in the past four years. Eugene is the only team to trim the locals since the formation of the club in 1928.

The results: Edmiston beat Chan, 6-0, 7-5. Gillis beat Seale, 6-1, 6-4. Butler lost to Gurnea, 12-11, 4-0, 6-3. Patton beat Hansen, 6-3, 6-4. Garfield beat Walsh, 7-6, 6-2. Boggs beat Livingston, 6-3, 6-4. Vivian Coss beat Mrs. Seale, 3-5, 7-5, 6-2. Edmiston and Gillis beat Chan and Seale, 7-5, 6-3. Butler and Garfield beat Gurnea and Livingston, 6-4, 6-4.

FRAME CAPTURES SPEEDWAY HONOR

INDIANAPOLIS, May 31.—(AP)—Five hundred miles of daring, record smashing speed over the rough bricks of the Indianapolis motor speedway brought victory to Fred Frame, Los Angeles racing veteran, in the 20th international automobile classic yesterday. The 37-year-old driver bounced his little eight-cylinder racer past the chattered finish flag to win the \$20,000 first prize money in 4:48.03.79 to average 104.144 miles per hour for the 500 miles. The best previous speed was 101.13 miles per hour made by Peter DePaolo in 1925. Cliff Bergere of Los Angeles was third and Bob Carey of Anderson, Ind., fourth, both breaking DePaolo's seven-year-old record. Others in the first ten were Russell Snowberger, Philadelphia, fifth; Zeke Meyer, Philadelphia, sixth; Ira Hall, Terre Haute, Ind., seventh; Fred Winsel, Philadelphia, eighth; Billy Winn, Kansas City, ninth, and Joe Huff, Indianapolis, tenth.

MORIARTY AND PLAYERS IN KNOCKDOWN, DRAGOUT

CLEVELAND, May 31.—(AP)—A battle of fists reminiscent of a bygone baseball era with George Moriarty, veteran American league umpire, and four Chicago White Sox players as the belligerents, sent officials of the American league hurrying here for an investigation today. Moriarty, who in his playing days maintained a rough and tumble reputation and once trounced Ty Cobb, went down before superior numbers after knocking out Milton Gaston, Chicago pitcher, yesterday. Moriarty was reported to have suffered a broken right hand and head injuries.

The fight occurred after Cleveland took both ends of a doubleheader from the White Sox. Cleveland players who witnessed the encounter, declared the Chicago players started it. Manager Lou Faneba of the visitors, himself a participant, declared Moriarty took the initiative. Moriarty and the other

umpire, Bill Dineen, refused to talk. According to Cleveland players, Catcher Charlie Berry of the Sox followed the umpire into the run-py to the club house, accusing him of "missing" a third strike on Earl Averill, just before the Indians broke up the second game with a ninth-inning triple. Berry challenged Moriarty to fight, the Cleveland players said, when Miss Gaston, Chicago pitcher, advanced himself. The umpire felled Gaston, injuring his hand in doing so. Then Berry, Catcher Frank Orube and Faneba rushed Moriarty, beating him until he was rescued by the Indians.

President Will Harridge of the American league left New York to conduct an investigation here today. J. Louis Comiskey, president and owner of the Sox, and Harry Grabner, vice-president, started from Chicago, suspensions ranging from 90 days to life are possible for a physical attack on an umpire.

PORTLAND DUCKS TROUNCE SOLONS IN DOUBLEHEADER

(By the Associated Press) Business was good at the ball park in Los Angeles yesterday as 25,000 fans watched Hollywood and the Angels break even in a double header. The Wrigley field was filled to capacity for the second time since it was built. Hollywood won the first game, 5 to 2, and Los Angeles the second, 3 to 0, leaving the Stars still two games ahead to lead the league. In beating Sacramento twice yesterday, the Portland Ducks brought themselves to within two percentage points of the second-place Angels, and are not so far behind Hollywood, the leader. Portland took the series from the Senators, seven games to two, the Memorial day scores being 11 to 6 and 7 to 3. A strong breeze held up the high fives, and eight home runs featured the day's play. Mike Higgins, Portland third baseman, hit three, and Stenbacker of Sacramento got two.

The Oaks waved big bats in the faces of the Seattle Indians yesterday, pounding out 26 hits in two games, to win both by scores of 4 to 3 and 4 to 0.

GIRL BASEBALLERS TO PLAY JULY 17

Word was received this morning by Louis Puhl, local secretary, that the nationally famous girls' baseball club of Wichita, Kansas, may make Medford a stopover in their tour through the state. The girls, widely known for their ability against masculine teams, will play Jacksonville if they can be brought here for a contest on Sunday, July 17. Irvin Van Blarcom, manager of the Wichita team, wired that a game in Medford possibly could be played if he could arrange the girls' schedule satisfactorily. The unusual novelty of a girls' team which can easily defeat most semi-pro nines in the country, playing here is expected to draw the largest crowd of the season, according to Puhl.
