

NATIONAL LEAGUE FIELD BUNCHED IN FOURTH PLACE TIE

Phillies, Dodgers, Cards and Giants in Huddle As Cubs Continue Slight Lead—Reds Bringing Up Rear

By Herbert W. Barker (Associated Press Sports Writer)

Take a medium-sized blanket, put it over the national league field, and the only clubs that might be left out in the cold would be the first-place Chicago Cubs and the last-place Cincinnati Reds.

Cold figures would put it this way: The Boston Braves, in second place, lead Pittsburgh's Pirates by one game, with the Phillies, Brooklyn Dodgers, St. Louis Cardinals and New York Giants in a virtual tie for fourth place, two games behind the Pirates.

Cubs Continue Gain

The Cubs, idle yesterday, nevertheless gained ground, their lead going to two and a half games when the Braves succumbed to Elias Johnson and the Reds, 5-0, Concord, Mass. friends of Catcher Bob Asby presented him with a check for \$1,000 and Bob responded with a home run in the fourth inning. Two more Red tallies came across on George Grant-ham's drive into the bleachers in the fifth.

Singles by Paul Waner and Pie Traynor in the eighth drove in two runs and gave the Pirates a 2-1 decision over Brooklyn with Heinie Melne chalking up a pitching victory over William Watson Clark. The Cardinals, with Jim Bottomley back at first base, trounced the Giants, 7-0, behind Tex Carleton's two-hit pitching. Bottomley drove in four runs with two home runs and a single.

Yanks Stretch Lead

The New York Yankees stretched their American league lead to seven and a half games as John Allen blanked the Chicago White Sox on three singles, 1-0. Ben Chapman's single drove in the only run of the game in the first inning.

The Philadelphia Athletics split even with the St. Louis Browns, winning the second game, 6-3, after dropping the opener, 3-2 in 10 innings. Leroy Maffey's miff of a batted ball gave the Browns the deciding run in the first game. Jimmy Fox clouted his 16th homer in the second.

The Cleveland Indians went into third place, displacing Washington's Senators, by tripping the Boston Red Sox twice, 9-3, and 6-3, while Washington was dropping an 8-3 decision to the Detroit Tigers.

FINN TRACK FLASH SMASHES RECORD

NEW YORK, June 20.—(AP)—American Olympic aspirants have completed another week of record-breaking track and field activity but from Helsinki, Finland, comes a smashing rebuttal.

The word from there was that Paavo Nurmi's world records for 5000 meters and three miles had been smashed by the new Finnish sensation, 23-year-old Lauri Lehtinen, in the Finnish Olympic trials.

Lehtinen ran the 5000 meters in 17 minutes, 16.9 seconds and the three miles in 13:50.6, smashing Nurmi's records of 14:28.2 and 14:11.2 respectively. For the shorter distance Lehtinen's time also bettered Willie Ritola's indoor mark of 13:56.2 which has stood as the fastest three miles ever run.

C. W. WOOD WINS IN 25-BIRD EVENT

PORTLAND, Ore., June 20.—(AP)—Frank M. Troeh, of Portland, was proclaimed champion of the four-day northern divisional shoot of the Pacific International Trapshooting association yesterday.

The Portland veteran won the 15-day event, scoring a perfect 100. Added to his 99 in the first half yesterday, he had a total of 109 out of 200. Troeh was also high over all for the tournament.

Archie Parrott, Portland, won the handicap with a score of 98.

In the special 25-bird event C. W. Wood, Prospect, Ore., was first; P. O. Rexford, Portland, second, and G. M. Zentgraf, Sacramento, and William M. Gardner, Portland, tied for third. The professional championship went to E. E. Troeh of Portland.

Mrs. Eddie Bauer, Seattle, the only woman shooter to compete today, scored 90.

VINES OPENS DRIVE FOR BRITISH CROWN

WIMBLEDON, Eng., June 20.—(AP)—Billworth Vines, ranking United States tennis player, successfully opened his campaign for the English championship at Wimbledon today, defeating I. Duplais, a little known French player, in straight sets, 7-5, 6-3, 6-4.

Vines' debut on the famous center court was marked by erratic tennis. The lanky Californian was wild, but always bold and from bad patches of overhitting and hitting settled down when the occasion demanded.

FANFARE GREET AMELIA'S RETURN

NEW YORK, June 20.—(AP)—Amelia Earhart Putnam, the first woman to pilot an airplane across the Atlantic, returned home today to receive the plaudits of her fellow countrymen.

A crowd estimated by police at 5000 was gathered in Battery park as the flyer stepped back onto American soil from the city boat Riverside, which had transferred her and her husband, George Palmer Putnam, from the liner Ile de France, at quarantine.

It was just a month ago today that Mrs. Putnam took off on her solo flight which ended in Ireland, where she was forced down in a pasture by faulty exhaust manifold.

At 5:30 P. M. she will arrive at the airport. Her husband will meet her at the airport. She will be met by a delegation of the city and state officials.

MAX GIVEN 6 TO 5 EDGE OVER SHARKEY TUESDAY

NEW YORK, June 20.—(AP)—The training grind is over for Max Schmeling and Jack Sharkey.

They've polished up their weapons and built up strength, stamina and speed through six weeks of intensive work. Now they're ready for their 15-round battle for the heavyweight championship in Madison Square Garden's new outdoor arena on Long Island tomorrow night.

Most experts expect the fight to go the limit.

The betting remained extremely light today with Champion Max still favored at 6 to 5.

Schmeling wound up his training at Kingston, N. Y., with a five-round workout against three sparring partners yesterday and left a crowd of 3000 fully convinced that he is in top form for his title defense.

At Orangeburg, N. Y., another capacity crowd saw Sharkey box four easy rounds before breaking camp and heading for New York. The challenger weighed 200 pounds after the workout and probably will tip the beam at that poundage, heaviest of his career, at official weighing-in ceremonies tomorrow afternoon.

Schmeling has been down as low as 185 pounds recently, but probably will score 190 or more for the fight.

Advance calculations point to one of the best heavyweight duels in recent years.

Sharkey can gain nothing but glory—and the title—under any circumstances for his share of the gate receipts is only 10 per cent, hardly enough to cover his training expenses.

Estimates of the probable receipts vary from \$250,000 to \$400,000 and of the attendance from 40,000 to 60,000.

The referee and judges will not be selected until the day of the bout.

The preliminary card will consist of one four-rounder and four five-rounders, all heavyweight bouts.

The first is scheduled for 8 p. m. (E. S. T.) and the main bout around 9:30 or 10 o'clock.

In the event of rain, the contest is to be held Wednesday, weather permitting.

Winners in the elimination play for the President's cup tournament were announced this afternoon at the Rogue River Valley Golf club. The feature match was played by Howard Scheffel and E. C. Solinsky. The latter was defeated, three and two, by Scheffel and shot an 83 with a 65 net score. Scheffel shot an 84 with a net of 64.

The list of winners, who will be paired in the coming weeks play, in the order of their announcement, are as follows: Earl Tully won from Charles Clay, four and two; Harry Rosenberg from A. P. Johnson, four and two. Tully will play Rosenberg and the first named in order down the list.

MEDFORD TENNIS OUTFIT DEFEATS KLAMATH SQUAD

With their first seven ranking players flashing unbeatable tennis, Medford Tennis club's 13-man team trounced the Klamath Falls Pelicans on the Klamath courts Sunday to the tune of 11 matches to eight.

After winning seven single matches out of 13, Medford went on to clinch the match by taking four out of six doubles events.

With Edmlston, Patton, Tollefson, Garfield and Boggs playing unbeatable tennis, Medford's first ranking seven turned in six wins in singles with the aid of "Doc" Wilson's win. All of them, except Wilson, turned in perfect scores for the day winning both singles and doubles. In the lower flight Klamath won five out of six singles and went into the doubles only one match down.

All Tollefson flashed some brilliant tennis to pull his second singles out of the fire. With the count one up, five games and 40 love against him, the local ace suddenly came to life and ran the match out, 6-6, 6-4.

Edmlston and Patton, after playing brilliant tennis in the singles, looked even better in the doubles. Against Robertson and Crawford, the Klamath aces, the local pair held the upper hand throughout and finished a well-rounded game to win at 6-0, 9-11, 6-4. Tollefson and Boggs played no less brilliantly to win the number two doubles while Butler and Garfield pulled themselves together after dropping a set to come on and win the third doubles event.

In a special ladies' match Miss Montana Ramsey of Medford lost to Miss Leary of Klamath, 6-3, 6-2.

Calkins said that Collins withdrew as manager because of ill health rather than any dissatisfaction with the owners.

Truckmen meet here tomorrow

Lumbermen, truck drivers, truck and mill owners will meet in this city from all sections of southern Oregon Wednesday night to organize opposition to the proposed state law, which would reduce by 50 per cent the gross load limit allowed on trucks operating over state highways.

The lumbermen will meet at the chamber of commerce building early in the evening to adjourn in time to attend the meeting of the Allied Truck Owners, Inc. to be held at the Armory the same evening.

The purpose of the contemplated opposition campaign is "to keep trucks operating on the roads of Oregon for the protection of Oregon markets." Figures released by the interested parties show that there are 25,000 people in Oregon who make their living through the investment in trucks and truck businesses in Oregon total \$43,100,000. Trucks and buses pay more than \$2,000,000 annually toward Oregon's road investment and road upkeep.

As the meeting at the Armory, opening at 7:30 o'clock the "real object of the Oswald West freight club" will be revealed, the truck owners' association announces.

F. C. Waters, president of a recently organized group known as the Oregon Mill and Truck Operators' association will attend the meetings.
