(Continued from Page One)
cepted by unanimous vote of the council.

Necessity Shown
The necessity for reduction of city employees' salaries was emphasized by the councilmen through a review of business conditions, which have forced all private concerns to retrench.

A vote of appreciation was extended to the staff of workers and City Recorder M. L. Alford was instructed to include the vote in the city records.

Allen Vets Council
W. W. Allen, who recommended the salary cuts, then presented his own resignation from the council, necessitated by his moving from the first ward, which he was elected to represent.

He assured the city dade that he had no desire to sever connections with the "gang", and had enjoyed the months of work with the city officials, in spite of the trying times.

Since he has changed his residence, however, he has pointed out, he will be unable to continue as a servant of the city.

The resignation was accepted with the regrets of the council, voiced by J. O. Grey and Mayor Wilson, who announced a meeting of the council for the first ward for next Tuesday night, at which a nominating committee will be appointed to recommend two candidates to the city council, one to be elected to succeed Mr. Allen.

Passage of the power company ordinance by unanimous vote of the council was accepted with appreciation by J. C. Boyle, who assured the city dade that the written acceptance would be received within the required time.

A request from the Gun club for a rent reduction was referred to a committee for investigation, as were problems of the fire department, relative to the coverage granted by the Industrial Accident Commission.

BURGLAR YOUTH HELD IN BASTILE

Keith Neagley, 18, who gave his address as Los Angeles, appeared before County Judge C. B. Lamkin yesterday afternoon on the charge of burglarizing the Ashland home of Mrs. McGee on June 16, and was ordered to be held in the county jail, pending final disposition of the case.

Neagley, who was arrested by state police officers, related to the court that he was sentenced to one year in the Junior Republic at Chino, Calif., in March, this year, for admitted theft of an automobile. He stated that with five others, he escaped from the republic, and made his way to Klamath Falls, thence to Ashland.

After receiving food and shelter from a mission in Ashland in charge of a Mr. Smith, Neagley entered the McGee residence, and there took a number of small articles, which he sold transiently, he related in court.

The court yesterday received word from the California authorities stating that they would except Neagley in the republic if he was returned, but that they had no funds to send for him.

Judge Lamkin expects to confer further with the southern authorities, he said following the hearing.

COOLING PROGRAM AT ROTARY MEET

Snow scenes at Crater Lake provided a cool and refreshing program for Medford Rotarians at their regular weekly luncheon Tuesday noon when a number of recent "Copo Current Events" were presented by H. D. Kern of the Copo advertising department. Pictures of the opening of the Medford and Klamath entrances and the first cars to visit the lake this year were shown along with some good shots of the lodge and other buildings nearly buried by the record snowfall of last winter.

The recent salmon run at Savage rapids, the visit of the U. S. army air fleet and various Rotary activities also were included in the program as well as the picture of the tomato industry in the Rogue River valley.

Many local Rotarians were conspicuous by their absence at the meeting due to attendance at the International Rotary convention which opened at Seattle Monday. In the absence of President Shockey, Horace Bromley acted as chairman of the meeting.

Visiting Rotarians were Cliff Dunn and D. E. Alexander of Klamath Falls and guests included H. D. Kern and C. T. Baker.

Jenkins' Comment

(Continued from Page One)
of the Bible—the roadside fairly flaming with the purple of the lupin and the yellow of the poppies and the daisies.

At this particular season, even the tar weed is worth looking at. TURNS backward. Retrace your steps to Ashland, passing through Grants Pass and Medford. Beyond Ashland, turn off and climb the Green Springs summit, the Seven Mile hill now a mass of blue and white wild lilac, a sight worth crossing half a state to see.

And farther on the yellow pines, and beneath them the manzanita, now a mass of fragrant bloom, loading the air with fragrance.

On this road you are practically certain to see deer, perhaps as many as a dozen of them, especially at night.

SOUTHERN Oregon; what a wealth of natural beauty it has! What a wonderful country it is to live in! And how happy we should ALL be because we live here, and not somewhere else!

There is plenty to be thankful for, even in these days.
