Two-Ply Win Over Reds Gives Slight Margin On Cubs—Chicago and Cards Divide Twin Program

By Herbert W. Barker (Associated Press Sports Writer) Quietly and unobtrusively, George Gibson's Pittsburgh Pirates have moved into temporary command of the hottest fight in the National league has ever known.

Winning both ends of a double-header 5 to 0 and 9 to 5 from the Cincinnati Reds yesterday, the Pirates snatched first place by three percentage points from the Chicago Cubs who split even with the St. Louis Cardinals. Larry French gave them their seventh shutout victory of the year when he limited the Reds to four hits and won 5-0 in the opener.

Reese Wins With Bat Jimmie Reese's pinch double in the ninth drove in two runs and enabled the Cardinals to trip the Cubs, 4-3, in the first game of a double bill. Charley Root outpitched Dizzy Dean in the nightcap and the Cubs won, also by a 4-3 count. A crowd of 31,000, biggest of the season at St. Louis, saw the games.

The Boston Braves split two games with the Phillies, taking the first 5-4 and dropping the second 5 to 1 as Ed Holey held them to nine scattered hits.

Bill Clark pitched the Brooklyn Dodgers to a 3-2 decision over the New York Giants. Tony Cucinello driving in three runs with a home run, double and single.

Yanks Continue March In the American league, the New York Yankees protected their eight and one-half game lead by beating the Philadelphia Athletics again, 6-2, touching Rube Walbert for four runs in the first inning. The Athletics fell back into fourth place behind the Washington Senators who tripped the Boston Red Sox, 8-4.

Blanked by Milt Gaston for seven innings, the Detroit Tigers took advantage of three errors and two walks after two were out in the eighth to score five runs and down the Chicago White Sox, 6-1. Wes Ferrell won his 13th game as the Cleveland Indians stopped the St. Louis Browns, 10-5, in the first game of a doubleheader but the Browns came back to win the second battle, 6-5.

UNCERTAIN TONE IN BUTTER MART

General steadiness is reflected in the market for cheese with no changes apparent in general values throughout the country. This applies to practically all the leading producing centers.

Trade in the butter market is just hanging on as a result of the increased stocks received and manufactured here during the last week. California indicates a very uncertain tone.

Egg market is considered about steady.
