

### OVERTIME GAMES RESULT IN WINS FOR PIRATE CREW

By GAYLE TALBOT.  
Associated Press Sports Writer.

If their rivals will continue to feed them extra-inning games, the Pittsburgh Pirates should have little difficulty salting away the National league pennant.

The statement is made notwithstanding the fact that many baseball men still cannot see George Gibson's outfit as a serious contender, even if they are out in front by two full games at this stage.

The answer is simple: The Pirates are making a practice of winning any contest that goes longer than the regulation nine innings. Nine times this season they have traveled past the regular closing time, and in seven instances they have taken the decision.

Bill Swift gave them their sixth straight 10-inning victory yesterday when he licked the Giants, 4 to 3, in 11 runs.

In the only other game on the big league calendar, the last place Cincinnati Reds damaged the Cardinals, 12 to 4.

Although there was no action in the American league, there was considerable news, and most of it exceedingly bad for the pace-setting Yankees.

Charley Devens is not quite ready to burn up the big time. Devens, who stepped out of Harvard into a nice pitching contract with the Yankees last week, lasted only five innings against the Baltimore Orioles, during which he was touched for 12 hits and seven runs.

Jack Quinn of the Brooklynns, the oldest active player in either league, observed another birthday anniversary. The record book credits Quinn with 47 summers and autumns, and he still is one of the better relief pitchers.

### GIRLS' TEAM HERE FOR SINGLE DATE

Efforts of Louis Puhl of the Valley All-Stars to sign up the S. K. S. L. Girls' Baseball club of Wichita, Kas., to play another game in Medford in addition to the one booked for Sunday, July 17, proved fruitless when Irvin Van Blarcom, girls' manager, wrote that all dates had been filled for the next two months.

The fact that the girls' team is a big attraction and can beat the average men's club has made the feminine stars popular everywhere they travel. The game to be played here Sunday, July 17, is expected to draw one of the largest crowds in several seasons and the local team was eager to get another date filled in the girls' schedule.

According to Van Blarcom, the girls will finish a four-game schedule in San Diego and then play in Long Beach before going to San Francisco for a return engagement against the Mission Rockies club in a night contest July 6. From there the feminine players will journey to Stockton, Roseville and Dunsmuir before beginning their campaign in Oregon.

### BREAK IN CANAL MUDDIES ROGUE

The Rogue river resembled the Mississippi in color today as a break in the canal of the Prospect diversion project which occurred late last night, muddying up the stream more than usual and causing some comment from local fishermen. However the water was shut off early this morning, and the river should clear up in a few hours. The break, which took place in the Middle Fork canyon is being repaired by a crew of men, and the canal should be back in service in the near future.

This is the first time the canal has broken since the completion of the Prospect diversion project, although the river has been muddy on a number of occasions during the past few weeks. This condition was reported to be caused by melting snow in the hills above Castle creek, which empties into the North Fork of the Rogue river. Local disciples of Isaac Walton will welcome the day when the snow is all melted off and the river is again clear so they may resume their favorite sport in earnest.

### LOCAL TENNIS TITLE IS WON BY C. BOGGS

In the final Sunday morning in the city tennis tournament between Carter Boggs and Harry Butler, Boggs was victorious in the final match, which went to five sets. Butler won the first set, 8 to 6. J. E. Edmiston was umpire for the match.

Through winning the title, for which he has been runner-up twice before, Boggs will receive the silver loving cup being presented the title holder by the Mail Tribune.

### STARS OF MANY NATIONS GATHER FOR OLYMPIAD

LOS ANGELES, July 6.—(AP)—With a dozen nations already represented here with athletes who will compete in the Olympiad July 30 to August 14, five more contingents are scheduled to arrive this week.

Those nations already represented include Australia, New Zealand, India, Sweden, Japan, Argentina, Germany, Haiti, Colombia, Holland, Hungary and the United States.

Among those due in the next few days are another group from Argentina, Japan's second invasion, the remainder of India's team, including that nation's great field hockey team, which was not scored upon in 1928, Uruguay's one-man team and the Philippine islands team.

The first squad of the Swedish team put in its appearance yesterday with 22 athletes and officials.

### CELLAR CHAMPS DRAG HOLLYWOOD TO SECOND RUNG

(By the Associated Press)

The Hollywood Stars found themselves in second place in the Coast league today after taking an 8-to-3 pasting last night from the Mission Reds, cellar champions of the circuit. The Reds are only six games behind Seattle, leader of the second division. The Portland Beavers took sole possession of first place by defeating Sacramento, 7 to 5, in the series opener.

The Missions wasted no time in clinching the victory, making four runs the first inning and two in the second. T. Pilette held the Star hitters to seven safeties.

The Los Angeles Angels beat San Francisco, 4 to 1, by tying the score at one-half in the second inning and pushing over a run in the sixth and two more in the ninth.

Base hits flew thick and fast at the Oakland park last night as the home team defeated Seattle, 9 to 6. Clarence Fieber, young Oakland pitcher, lasted until the first of the ninth inning, when Fay Thomas went to the rescue. Between them they allowed 13 hits.

### BOGGS BEST IN TILT WITH PAR

In Valley play against par at the Rogue Valley Golf club over the three-day holiday, Grover Tyler won Saturday with two up; Howard Schefel and O. C. Boggs tied Sunday for first place, with two up and R. B. Hammond was second, four up.

In Monday's play, O. C. Boggs won first place with 8 up and R. B. Hammond was second, 2 up.

O. C. Boggs turned in the best 36-hole card for the three days with a total of 13 up; Hammond was second, 6 up.

In their President's cup match Bayard Getchell won from Ralph Virden, 4 and 3.

### EGG YIELD SLUMP PROMISES BETTER PRICE FOR COAST

PORTLAND, Ore., July 6.—(AP)—Strengthening of the egg trade is indicated generally with continual decrease in offerings. This applies to practically every section of the country.

Local prices appear steady to higher for the day with lessening competition from unattached producers.

Make of butter is showing a general heavy decrease in the Portland territory which creates more or less of a steady tone in the trade of the Pacific coast. Butterfat is unchanged.

Advance of 1c lb. in the buying price of all weights is reported by the trade here, following a decrease in the supply. No change has as yet been made in the price of broilers.

There remains a very good demand in the market for country killed hogs along the wholesale way with recent advances sustained.

Sudden increase in the demand for string beans is noted in the trade with the chief call for yellow stock, which is generally unfilled. Both green and wax prices are held steady.

Prices continue on the down trend in the tomato market, affecting both the hothouse and outdoor offerings. California stock is in liberal offering and down to \$1.25 for both San Pedro and Merced stock.

With the arrival of the first big lots from Yakima and increasing supplies from The Dalles, the 1932 northwest apricot season is fairly well under way. Prices are weak to lower.

newspaper prominence three years ago when he and Anne Cannon, heiress to the Cannon textile millions, were married at 2 a. m. in York, S. C. The young couple was accompanied to the South Carolina Greta Green by her father and his chauffeur.

Marital troubles soon developed and shortly afterwards Reynolds settled \$1,000,000 on his wife and infant daughter. A few months later, Reynolds flew his wife to Reno where she obtained a divorce.

Anne Cannon Reynolds, shortly after her divorce, announced her engagement to B. Frank Smith, Jr., Charlotte hardware man. They were married at about the same time Miss Holman and Reynolds announced their secret marriage.

Miss Holman, six years older than Reynolds, is the daughter of a Cincinnati attorney. She was graduated from the University of Cincinnati, where she studied law, and later rose to prominence on the New York stage.

### CHERRY SHIPMENT NOW AT PINNACLE

CORVALLIS, Ore., July 6.—(AP)—With many cherry producing districts of the northwest now making their heaviest shipments, reports received by the U. S. C. extension service and the U. S. D. A. bureau of agricultural economics indicate movement of this crop is at its peak. The season has been favorable and the yield abundant, but prices have been low.

Eastern auction returns have netted f.o.b. prices of 3 to 4 cents a pound and less. Some eastern movement has been by refrigerated freight instead of express to curtail shipping costs.

Oregon's carlot movement of green peas is through, curtailed somewhat by cannery contracts guaranteeing growers 3½ cents for No. 1 stock.

### GRIFFIN, MATTERN BETTER TIME OF POST AND GATTY

(Continued from Page One)

Their fast crossing from Harbor Grace put them 2 hours and 55 minutes ahead of Post and Gatty, the round-the-world record holders, at the Berlin stage of the journey, on the basis of elapsed time.

When Post and Gatty struck Berlin after stopping at Harbor Grace, Chester, England, and Hanover, they had eaten up 34 hours and 34 minutes.

Although Mattern and Griffin took more than 10 hours to reach Harbor Grace from New York, they reduced the Post-Gatty margin of over four hours on that trip, by cutting down the intermediate stops to the German capital.

(Post and Gatty spent 11 hours and 8 minutes sleeping in Berlin and the Mattern-Griffin team may gain more time by proceeding immediately toward Moscow.)

### LIONS TO HOLD INSTALLATION AT CAMP ON ROGUE

The Lions club adjourned today noon following luncheon at the Hotel Holland to meet again Friday evening at Casey's camp on Rogue river for annual installation of officers, banquet and dancing party.

The committee for the evening is composed of Lions Chas. Reames, Al Littrell, L. Pennington and Leland Brophy. Guests are urged to be at Casey's camp at 7:30 o'clock for the opening of ceremonies and a splendid program is promised all who attend.

One week from today the Lions convention will open in Klamath Falls and plans for attending were discussed at the luncheon. The day on which the Medford members will attend was not determined. Copies of the convention program will be obtained and distributed at the banquet Friday night, at which time definite plans for the Medford caravan will be made.
