

NATIONAL LEAGUE CHARACTERIZED BY RACE OF ROOKIES

Leading Pirates Trace Success to New Players—Cubs Also Travel Fast On Recently Signed Talent

By Gayle Talbot, (Associated Press Sports Writer).

The present National league race might well be termed the "race of the rookies."

A group of young men who scarcely were known in the best circles a year ago have made President Heydler's Phillies what they are today and prospects are they will divide most of the honors when it's all over.

The Pittsburgh Pirates, leading the field by three and a half games today, could trace their success directly to the pitching of Steve Swenson and Bill Swift, who between them had won 16 games, and to the fine play of Tony Piet and Floyd Vaughn.

Cubs Also Going Well.

The second place Chicago Cubs probably would be several notches further down but for the sensational hurling of Lennie Warneke and the play of Bill Herman at second base. Huck Betts and Bobby Brown have by their consistently great pitching kept the Boston Braves at or close to the top ever since the race began.

Swelonic, who shares with Betts of the Braves the distinction of leading the National league's pitchers, scored his ninth victory yesterday by beating the Giants in the first half of a doubleheader, 4 to 2, on six hits. Larry French stopped the New Yorkers, 3 to 1, in the nightcap.

Warneke rang up his eleventh triumph, halting the Phillies, 6 to 1, and putting the Cubs back in second place, one percentage point above the Braves, who lost to St. Louis, 4 to 2.

Cincinnati and Brooklyn battled all afternoon without getting anywhere. The Reds took the first game, 6 to 4, as Owen Carroll outpitched four adversaries, but the Dodgers came back to win the second, 3 to 2, behind Freddy Helmach. Chick Hafey, who has been out of the Cincinnati lineup with illness for many weeks, appeared as a pinch-hitter in the last inning of the nightcap, but failed to connect safely.

Only one game survived an epidemic of rain in the American league. In that the Boston Red Sox came from behind a 4-0 disadvantage at the end of the fourth to beat out St. Louis, 5 to 4.

RING CZARS BAR FANCY RADIO CHAIN ANNOUNCERS

NEW YORK, July 7.—(AP)—There may never be another coast-to-coast broadcast of a championship fight here if the state athletic commission enforces its edict barring professional announcers from the microphone.

Rather than submit to the commission's ruling that none but "boxing experts" shall be privileged to broadcast future bouts, both the National Broadcasting company and Columbia Broadcasting company have threatened to take the ring battles off the air.

The commission, as a result of the flare-up following the description

PERSONAL LOAN PROVISION KEPT

WASHINGTON, July 7.—(AP)—The conference report on the Garner-Wagner relief bill, containing a provision which President Hoover has indicated will lead to a veto, was adopted today by the house.

The report now goes to the senate, where Republican leaders planned to expedite action so that, in the event of a veto, a new measure can be worked out quickly to permit adjournment of congress.

Mr. Hoover opposed the provision sponsored by Speaker Garner to authorize the reconstruction finance corporation to make loans to all persons on adequate security.

Peruvian Reds Start Uprising

LIMA, Peru, July 7.—(AP)—An uprising officially attributed to communists broke out at Trujillo today.

A thirty-day state of siege, the equivalent of Martial law, throughout Peru was proclaimed by President Luis M. Sanchez Cerro in view of what he said was "a communistic uprising in the department of La Libertad."

RISING HOG MARKET INTERESTS WALL ST.

NEW YORK, July 7.—(AP)—Wall street is displaying more than ordinary interest in the rising market for hog prices. While there is no disposition to believe that the turn in this market has an unusual barometric significance so far as general business is concerned, it is nevertheless felt in financial quarters that the substantial price improvement will help purchasing power in the sections where hog raising is an important industry.

NEW YORK, July 7.—(AP)—The stock market finally started trying to keep its head above water today, and was submerged in a wave of selling. Losses of 1 to more than 3 points were numerous. Turnover was only about 800,000 shares but trading quickened on the decline, and the closing tone was weak.

ANCIENT KLAMATH RAIL SUIT HEARD

PORTLAND, Ore., July 7.—(AP)—Hearing of a suit brought by more than 650 residents, merchants and businessmen of Klamath Falls and nearby districts against the Oregon, California & Eastern Railway for return of certain property, continued today before Federal Judge James Alger Fee.

The hearing opened late Wednesday and probably will continue for a week or more. A great amount of evidence is to be presented.

Plaintiffs in the suit are John W. Siemens, Russell H. Durke, Hyman Wechsler, Edward Dodge, Barney Chambers, Edward W. Lawrence and Clarence W. Underwood, who are trustees of the Strahorn Railway terminal facilities and acting on their own behalf as well as for the 650 others.

The matter has been pending since August 17, 1916.

NURSE SILENCED IN PROTESTS ON SMIRCHED HONOR

that you made that last answer deliberately in an attempt to prejudice the jury against Mrs. Essoff. I have warned you before that if there were any more unwarranted remarks from you, I would have to caution you before the jury. The next time I shall take the chance of a reversible error to caution you before the jury."

The young woman's face turned pale for the moment, clouded and she broke into tears. Turning to the judge, she cried out:

Character Ruined.

"Your honor, my character has been ruined in this courtroom. I am the only one who can defend myself. Please give me the right to do so. These vicious people have lied about me so terribly and I can't explain or say anything."

"You have had all the opportunity the law allows you," the court said. "You keep quiet unless you are addressed. I'm tired of having you chime in all the time with side remarks and statements."

She denied she had called Hutton "simple, a big fat slob, sissy and prevaricator," or that she drank hard liquor, lost her riding breeches at a party and had affairs with a number of men.

BRITAIN'S FRUIT CROP DWINDLES

CORVALLIS, Ore., July 7.—(AP)—Prospects in England now are for a small apple, pear and plum crop rather than for a large crop as estimated earlier, said a wire received by the U. S. C. extension service and the U. S. D. A. bureau of agricultural economics from Fred A. Mote, American agricultural observer in the British Isles. The estimate is for a less than average crop.

LEWIS AND NEER DOUBLES CHAMPS

VANCOUVER, B. C., July 7.—(AP)—Henry Prusoff and Bob Johnson of Portland were beaten in a surprise victory here yesterday by Don Lewis and Henry Neer, both of Portland, for the doubles title of the Northwest tennis championships.

Mel Dranga of Seattle is the new P. N. W. sectional singles champion, having defeated Neer in straight sets earlier in the day.

The sectional contests were played in conjunction with the Western Canada championships. Play in the latter now is down to the quarter-finals and finals will be played Saturday.

OLYMPIC FUNDS APPROACH MARK

NEW YORK, July 7.—(AP)—The American Olympic committee which despaired of raising enough money to send a full representation to the games at Los Angeles, has announced it is now only \$48,000 from its goal.

The campaign for funds lagged badly in its early stages, but has been picking up momentum. President Avery Brundage said, and although he declined to give the exact amount raised, said the goal was in sight.

The sum of \$350,000 originally was set as the minimum required, but economies were effected in various sports and the total was cut considerably.

MEDFORD SIGNS NEW MOUNDMAN

Medford will invade Jacksonville Sunday with high hope of halting the locals' run of defeats, having signed up a new pitcher, Gus Cousineau, who will add strength to the Peapickers' lineup.

Talent journeys to Hill for the other half of Sunday's schedule.

Medford's lineup in addition to Cousineau, who bats from Camas, Wash., where he has been doing mound duty in the Portland Valley league, will include Bill Forrest, pitcher; W. Handolph, first base; Laws, second; Lang, short; Ferrel, third; Kauffman, right field; Runtz, center; Robinson, left field.

Grants Pass divided honors with Crescent City in their two-day clash on the coast Sunday and Monday, the Cavemen losing the first 2-0 and taking Monday's tilt 10 to 2.
