

PARK ROAD WORK WILL BE RUSHED BEFORE SNOWS FALL

CRATER LAKE NATIONAL PARK, Ore.—(Spl.)—Following a delay caused by an excessive snowfall last winter, road construction activities within Crater Lake national park are being placed under way on three projects, with the probability that double shifts will be necessary to assure completion before the arrival of autumn snows.

Employing the largest number of men, the P. L. Crooke Construction company of Portland is preparing to complete the grading of the first six-mile unit of the new rim road which last year but left uncompleted due to the arrival of heavy snow last October. Approximately 80 per cent of the unit is unfinished, including two excessively heavy rock cuts deep as 60 feet. The company will have 100 laborers at work on two eight-hour shifts to assure completion this year.

John B. Sargent, resident engineer, federal bureau of public roads, station at Crater Lake supervising road work, also reports the Clarence Young Construction company of Oakland, Cal., has completed the first unit of five and one-half miles of the Union Creek-Diamond Lake road, with the probability a new contract for further work will be let this summer, meaning the possibility of 300 men being employed. Laborers are now engaged on clearing the next 18-mile unit of timber as a preparatory move.

LONG ABSENT ELK AGAIN VISIT PARK

CRATER LAKE NATIONAL PARK, Ore.—(Special)—A complete investigation has shown beyond a doubt that elk have entered the park for the summer, the first time in several seasons, after having been first reported a week or so ago. Tracing the history of the elk, Ranger Charles Simson, making a zoological survey of the park, learned numerous pertinent facts.

Veteran Postal Inspector Sees Natural Wonder

CRATER LAKE NATIONAL PARK, Ore.—(Spl.)—As youthful in spirit as the day he began duties for a United States Postal department nearly 50 years ago, Edland C. Clement, Portland, Ore., the dean of all postal inspectors in the nation, was a Crater lake visitor this week. He is the last man remaining from the postoffice staff of a half century ago who is still actively engaged.

Five Weeks Old Girl Visits Park

CRATER LAKE NATIONAL PARK, Ore.—(Spl.)—While several octogenarians have visited Crater lake this season, the distinction of being the youngest visitor in the park so far out of 44,000 visitors goes to Barbara Jones Swanson, less than five weeks old, infant daughter of Mr. and Mrs. Martin Swanson of Klamath Falls.

Dr. E. W. Hoffman has established his chiropractic office in his residence on Jacksonville highway, Tel. 731-H.

Giadlious Show Opens In City Park Tomorrow

Blossoms in Medford gardens are being watched today with more than the usual care, for the gladiolus show of the Medford Garden club opens tomorrow in the city park. The choicest flowers will be gathered at an early hour as the committee has requested all displays in the park at 8 o'clock.

Well balanced containers will be needed for the flowers and all exhibitors, who can, are asked to label their blossoms before they bring them to the park. Those who do not know their family names will find the committee ready to assist in classifying the flowers for the information of those who visit the show, which will be open to the public during the afternoon and evening.

Mrs. Leland Mentzer is chairman of the event and is being assisted by an able staff of helpers and hostesses. The city park offers such an inviting setting for display of the brilliant flowers, a large attendance is anticipated for the annual exhibit.

Misses Mann Plan Olympic Dinner Party Misses Mary Margaret and Janet Mann, daughters of Mr. and Mrs. John C. Mann, will be hostesses this evening at one of the clever parties of the season, having chosen the Olympic idea around which to develop the design for their table decorations and as an inspiration for costumes to be worn by their guests.

Miss Moore Honors Miss McCurdy at Tea Among members of the local younger set entertaining for Miss Margaret McCurdy of Portland, who was house guest last week of the Misses Doris and Helen Patton, was Miss Marian Moore, hostess at a bridge tea, to which 12 guests were invited.

Miss June Aiken of Ashland was also an out-of-town guest at the pleasant affair. There were three tables of bridge in play during the afternoon and prizes awarded Miss Cecil Humphry and Miss Marjorie Mulholland.

Miss Kindie Here From Los Angeles Miss Doris Kindie of Los Angeles arrived in Medford Monday by plane and will be a guest for two weeks of her sister, Mrs. Kenneth Beebe, at her home near Central Point. Miss Kindie formerly lived in the Rogue River valley, is a graduate of the Medford high school, and later attended the University of Oregon before going south, where she is associated with an insurance company. She is remembered by many members of the university set, who welcome her arrival here for the vacation period.

W. C. T. U. to Hold Thursday Meeting The W. C. T. U. will hold a meeting Thursday afternoon at 2:30 at the Y. W. C. A. Mrs. Belle Littrell will lead the devotional service. An interesting program has been prepared with readings by Mrs. George Bigler and Mrs. Floyd Jenkins. There will also be musical numbers. Officers for the coming year will be elected and an opportunity given to pay dues. Refreshments will be served during the social hour and visitors will be welcome.

Mrs. Gregg Returns North After Stay Here Mrs. A. E. Gregg of Seattle left last evening for her home after spending a month in Medford as guest of her daughter, Mrs. J. J. Steiger, at her attractive home on Oregon terrace. Mr. and Mrs. Clifford Sevitts and daughters, Maxine and Dolores, of Doris, Cal., were week-end guests at the Steiger home.

Physicians to Picnic In Ashland Thursday Members of the Jackson County Medical society and their families will hold their annual picnic in Litchia park tomorrow evening. Thursday has been chosen for the event, in order that the guests may later in the evening attend the Ashland band concert.

Miss Hutchison Luncheon Hostess Miss Fern Hutchison entertained at luncheon at her home Saturday for a group of friends, the guest list including the group entertained the previous week at the cabin of Mr. and Mrs. W. H. Fluhrer at Lake o' the Woods.

ENCAMPMENT OF I.O.O.F. CANTONS TOPIC AT MEET

Members of the Cantons and Ladies' Auxiliaries of I. O. O. F. of Southern Oregon assembled in Litchia park at Ashland Sunday in a business, fraternal and social assembly. Previous to the group picnic the time was spent in visitations and viewing the park and its attractions.

At 1:30 the repast was served and greatly enjoyed by all. Later, Col. H. A. Cannaday of Roseburg explained the business feature of the gathering, which was to form a unification of the second regiment of cantons and auxiliaries of Oregon and to have an encampment later at some convenient place for the purpose of organization and to inaugurate battalion drills.

Colonel Cannaday stated that under present laws and regulations grand lodge sessions did not afford an opportunity for the cantons and auxiliaries to function as intended and that it was up to the cantons to accomplish this. Remarks were made by members from the various cantons and auxiliaries present endorsing the proposed encampment and Roseburg was selected as the place for the encampment. September 2, 3, 4 and 5 were named as tentative dates, subject to confirmation if not conflicting with any other public events.

The second regiment comprises all of cantons and auxiliaries from Harriburg south and from coast to the eastern border. In this district are eleven cantons and about the same number of auxiliaries.

For this year any ordinary camping equipment will be used, but at the encampment provision is to be made for a uniform encampment equipment similar to the national guard. The routine of the encampment will be along military regulations.

Activians Elect Board Directors At the meeting of the Active club last evening, presided over by the new president, Dr. Lloyd L. Sanders,

the board of directors for the organization were elected, and committee chairman announced. On the board of directors were chosen Francis Barr, Paul Wood and Leslie Whitehouse. Hilding Bengtson was named chairman of the membership committee, Kenneth Childreth, social service; John Niedermeyer, entertainment and Tom Ginn, publicity.

A report of the unemployed situation in Medford was given by Mr. Bengtson, who urged the members to point toward this objective of giving necessary aid during the next few months. The qualification period was extended until next Tuesday in the golf tournament. Keith Fennell is chairman of the affair. Web Clark entertained the club with some tricks and magic.

Members of the East Noble Grand Club will hold their July meeting and picnic dinner in Litchia park, Ashland, Thursday evening at 7 o'clock. It will be the annual family picnic of the lodge and all past noble grands are requested to bring their families and basket dinner. Coffee and cream will be furnished by the club.

Mrs. Ward Hostess At Dinner Party PHOENIX—Mrs. Ray Ward entertained with dinner on Friday night, honoring the birthday of Mr. Ward. Guests were Mr. and Mrs. George Drake, Mr. and Mrs. Cliff Mauat, Mr. and Mrs. Clarence Fry, Mr. and Mrs. Ralph Wilcox, Mr. and Mrs. Ray Wright and the host and hostess, Mr. and Mrs. Ray Ward.

Guests at Fluhrer Cabin This Week Mr. and Mrs. Fletcher Fish are enjoying a short holiday at Lake o' the Woods this week as guests at the cabin of Mr. and Mrs. W. H. Fluhrer.

Guards Pay Day Brings In \$1400 Last night the Medford payroll was increased over \$1400 when pay night was conducted for members of Company A and Headquarters company of the local National Guard.

Members of Company A received \$952 and Headquarters company \$500.

Gardens Killed By Frost, Butte Falls BUTTE FALLS, July 13.—(Special)—A frost Sunday night killed the beans, squash plants and cucumbers in many gardens on the ranches above Butte Falls.

For a fine outing—take the children to Lake o' the Woods, where swimming is safe.

\$3,500,000 MINE DEVELOPMENT IS SO. OREGON PLAN

Plans for driving a 6000-foot tunnel in what is known as the Columbia mining group were revealed by Gallagher, who said this bore would cross-cut over 1000 surface quartz outcroppings that all carry milling values of free gold, many of them bonanza gold.

Ten mills of 1000-ton daily capacity are planned for the Mount Emily deposit and Gallagher said the deposit is large enough to run them at capacity for 50 years.

Local showers and thundersstorms today; fair tonight and Thursday; cooler extreme east portion tonight; rain temperature in interior Thursday; moderate west and northwest winds offshore.

Long Investigation W. F. Hayden of Salt Lake City is in charge of the entire operation. Gallagher said Hayden had spent more than two years and \$125,000 in cash investigating the field before the group purchased the properties which comprise several thousand acres of land, located in Josephine and Curry counties.

The Curry county project is east of Brookings. Those backing the two developments said no stock is being sold in either.

The first work on the development will be the construction of a 1000-acre foot storage dam at Bullion mountain, 14 miles up Graves creek. Start Work Soon. Gallagher said three hydraulic mining operations will be under way in 60 or 90 days. They hope to put three gold dredges on the

'WHAT A HEN!' IS CRY IN BARNYARD

POCATELLO, Idaho, July 13.—(P)—The goose that laid the golden eggs had a rival in a little red hen owned by Thomas A. Marler of this city. Marler reported great excitement among his flock of Rhode Island Reds yesterday and upon investigation found a nest full of eggs.

The prize-winning product measured seven inches around and 7 1/2 inches long. Upon breaking the shell, a common size egg was found within. Both eggs contained yolk and white.

It's the Cigarette that's Milder and Tastes Better!

That's why more and more smokers are changing to Chesterfield every day. WHEN you are smoking a lot of cigarettes every day, you naturally want a mild cigarette, and smokers try Chesterfields and find out that they are milder and taste better. Then smokers tell other smokers—"one smoker telling another"—that they find that although they smoke a great many Chesterfields during the day, they never tire of them; and that they have found out that Chesterfield is a milder cigarette, that it is a cigarette that tastes better, that it is a cigarette with a most pleasing aroma. Some time ago, in a Chesterfield advertisement, there was a statement, "A \$90,000,000 Reason," and this means that the larger part of \$90,000,000 is invested in the right kind of ripe, mild Domestic and Turkish tobaccos to make sure that Chesterfields are milder and taste better. May we ask you to try them?
