

BEAVERS DIVIDE DOUBLE HEADER TO LOSE SERIES

Oaks Win 4 Out of 7 Against Portland Crew — Angels Hold Stars in Second Place by Double Defeat

(By the Associated Press) Portland lost its series with Oakland by dropping the second Sunday game, but emerged from the week's campaign with a one-game lead in the league standing.

The Ducks won the first Sunday game 1 to 0, with Paul Zahner allowing only three hits while Portland squeezed in but four. Oakland took the nightcap, 4 to 0, clinching the game with three runs in the opening frame. The series ended Oakland 4, Portland 3.

Los Angeles squared the series with Hollywood by winning the first game 3 to 2, and took the odd game, 5 to 1. Celebrating Old Times' day, the Seals and Missionals broke even in a double header, the Seals winning the first game 4 to 0, and the Reds the second, 5 to 1. San Francisco won the series, five games to two.

CISSELL SHOWING RETURN TO FORM IN INDIAN LINEUP

(Associated Press Sports Writer) Chalmer Cisell, the \$123,000 beauty who never could play anywhere near that amount of baseball for the Chicago White Sox, begins at last to resemble the player he was supposed to be when he appeared on the major league scene five seasons ago.

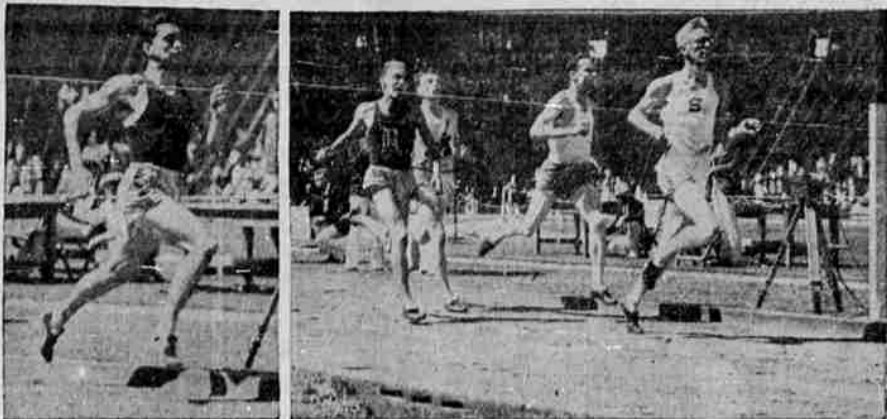

It is the Cleveland Indians, however, and not the White Sox, who are cashing in on the second baseman's long delayed rise to stardom. In his four years with the Sox, the Portland product never hit higher than .250, and he fell to .230 last season.

Willie Kamm, another coast star who cost Chicago a pretty penny back in '28, is playing bang-up ball at third base for Roger Peckinpaugh. The pair have rounded out an infield that stacks up defensively with the best of them.

By winning yesterday's double header from Boston, 5 to 4 and 8 to 6, the Indians stretched their spree to 12 victories in 14 games on the road. The Yankees captured a Sabbath double header, taking the Chicago White Sox by scores of 4 to 3 and 3 to 2.

Washington's winning streak was stretched to nine straight with a 9 to 2 triumph over the St. Louis Browns. Jimmy Fox's two home runs, his 9th and 10th of the year, helped the Athletics tame the Detroit Tigers, 4 and 2.

Carr Equals Olympic Record in Finals

Coming through brilliantly, Bill Carr (left) Pennsylvania flash, won his 400-meter heat in the Palo Alto Olympic tryouts in the second time of 47.6 second. Ben Eastman (extreme right) Stanford speedster, won his race in slower time.

YANKEE OLYMPIC LINEUP LACKS BALANCE IS VIEW

(Associated Press Sports Editor) PALO ALTO, Cal., July 18.—(AP)—The main battle now looms ahead for the American Olympic track and field team, emerging today with a few aches and sore muscles after the record-smashing final tryouts and the inter-sectional sharpshootings along the sidelines.

Despite the utter abandon with which Uncle Sam's best athletes performed in cracking open final world records in 10 out of 18 final events, Head Coach Lawson Robertson and his assistants expressed the belief they will be hard-pressed all along the line in the international competition at Los Angeles.

"This is the best team we have ever assembled, only in some respects," said Robertson. "It seems stronger than four years ago in the short distance races and high hurdles. We have some great vaulters and jumpers, but all-around balance is lacking. We will be outclassed in all the distance races and may not do as well in the field events as we did at Amsterdam.

The standouts among the 88 athletes who have gained places on the track and field squad include: 1. Ralph Metcalfe, sensational Marquette negro sprinter, who led home his Olympic mates; Eddie Tolian and George Simpson, at both 100 and 200 meters, as the coast favorites; Bob Kiesel, Frank Wykoff and Hee Dyer, were eliminated and relegated to the 400-meter relay team, along with Emmett Toppino, southern star.

Bill Carr of Pennsylvania and Ben Eastman of Stanford, arch rivals at 400 meters, both world record breakers, and either capable, if in top form, of running the Olympic field dizzy.

Norwood Penrose Hallowell of Harvard, in the 1500 meters, which he won in the American record time of 3:52.7, surpassing the Olympic mark, in a race that saw the elimination of Gene Venke, world indoor mile record-holder.

Jack Keller, George Sealing and Percy Beard, a trio of record-cracking high hurdlers, who finished in that order in the final as Keller tied the world mark of 14.4 seconds for the 110 meters.

ALL-STARS TRIM GIRLS' TEAM 10-6 AT FAIRGROUNDS

The Jacksonville All-Stars defeated the Southern Kansas State Line team composed of five male players and four girls, yesterday at the fairgrounds, 10 to 6. The biggest gain of the season—over \$200—came out to see the contest.

The All-Stars had quite a time wringing out a victory, and the score ebbed and flowed most of the game. Miss Langford, a southpaw, went on the mound in the eighth, and was hit freely, as the home guard had no trouble solving her curves.

Miss Langford played second base most of the game, and with Miss Jaax at first base and Miss Garrison in right field, were the female stars. The Kansas girls showed up well.

The male members of the Jay-hawker bunch have played ball before. Third baseman Reynolds, who seemed weary most of the time, woke up unexpectedly, and made a circus one-handed stop of a blistering line drive. It was the sparkling fielding play of the afternoon.

Catcher Flynn of the visitors had an arm of steel. The speedy boys of the All-Stars tried to catch second on him, and the pill was at second base waiting for them before they took three jumps.

Right off the bat the Kansas outfit punted Jack Hughes for two runs, but homers by Hoffman and Harrington, and errors and lesser hits evened the score. The large crowd liked the game, and when pretty Fay Langford made a pair of base hits they cheered lustily.

One of the visiting woman athletes, during practice, was hit in the eye and looked like Jack Sharkey after Schmelling finished with him.

Records Fail to Impress Maiden CHICAGO, July 18.—(AP)—Anyone who beats Babe Didrikson in the Olympic games will set some world records, and you can take the Texas girls' word for that.

"I can do better than I did last Saturday and in every event," Babe said today, "and I don't see any reason why I shouldn't win three first places. If I don't win, whoever beats me will have to set a world record."

She won five first places—in the 80-meter hurdles, broad jump, javelin, baseball throw and shotput, and tied for first in the high jump at Dyche stadium, Northwestern university Saturday, in qualifying for three places on the United States Olympic team.

She does not pay any attention to what kind of marks other girls accomplish, and doesn't even know who holds world records unless she herself is the record holder.

"Records don't mean anything," she says. "It's what you do at the time."

GETCHELL WINNER PRESIDENT'S CUP IN TOURNEY FIND

Taking an early lead and playing a steady game throughout, Bayard Getchell, one of the younger stars of the Rogue Valley Golf club yesterday defeated Russ Semon, two and one, in their final round duel for the president's cup.

Getchell had his hard-driving opponent three down at the end of the morning 18 and took up the quest in the afternoon to end the match on the 17th green.

Semon, who fought his way up through the tournament to the final, with several stellar exhibitions, found his efforts not entirely in vain, as he was awarded the runner-up cup, presented by Jack Thompson.

The club's new champion comes of a family of golfers, both Mr. and Mrs. Delroy Getchell, his parents, being among the most ardent devotees of the "royal and ancient" on the local links.

The cards tell the story of the nip-and-tuck battle. Neither player shot his best game, possibly because of the long tournament grind and the strain of the final competition.

A fair-sized gallery followed the contestants. Cards: Morning round: Semon (out)..... 644 445 537-44 Getchell (in)..... 539 554 456-43

Oregon's share under current appropriations of federal highway fund is \$3,800,000, and under the emergency relief bill an additional sum of \$3,700,000 for roads is provided. Federal Sum Unknown. What the federal appropriations for parks and public grounds which would accrue to Oregon are not known here by either the executive department or the state highway department, although more definite information is being sought. J. M. Devers, attorney for the highway commission, said the appropriation for parks was separate from the highway sum, and would be spent at the discretion of the state. He did not know the amount to be set aside for Oregon. Information on the highway and parks appropriations should be available before the meeting of the road commission at Portland Wednesday of this week, highway department officials announced, and it was believed the matter would be discussed and considered at this meeting."

The gesture and the manner of its execution, she declared, were worthy of any of her heroes. How long a woman has lived on this earth if her mind has not grown dull "Mrs. Glyn chose Hungary for the setting of one of her novels, and Hungarian aristocrats, noted for their charm and hospitality, have made a heroine of her. Yet what she declares to have been two of the most thrilling moments of her life came on a recent visit to Elizabethtown, a workman's suburb of Budapest. She attended a religious drama presented by a cast of 80 per cent of whom were unemployed, to raise funds for a new church. As a prologue, four trumpeters heralded a lovely young girl, in national costume who welcomed Mrs. Glyn with a speech in French. The guest replied that never had any experience brought such a lump to her throat. After the play, as she passed between lines of boy scouts, one of them unpinned from his hat a plume of feathery grass and handed it to her. The gesture and the manner of its execution, she declared, were worthy of any of her heroes.
