Many Medford Folk Vacationing at Lake

News from Lake of the Woods tells of many local people who have deserted town parties for a quiet vacation at the resort where they can devote time to their favorite sports. Mr. and Mrs. Fletcher Fish entertained their last week's friends from Oakland, Cal., at the W. H. Fisher cabin. Mr. and Mrs. Walter Frame of Phoenix have also been on a holiday at the lake.

The E. H. Pomeroy's are staying at their cottage, "Singing Pines," and Mr. and Mrs. Raymond Fish spent the week end at the lake.

Mr. and Mrs. Wm. Offutt, who are operating the resort, have as their guest their daughter, Mrs. Herman Newland and her young son. Boating, swimming and fishing keep many people on the waters, but many others are enjoying dancing at the attractive pavilion and lounging in the sun. Cliff Moore in his motor boat makes the trip around the lake twice each day, taking orders and delivering fresh foods.

Many guests from northern Oregon and southern California are joining local folk there for a pleasant summer's holiday.
