

'RAINBOW' GIBSON CATCHES BIG ONE TO DEEP DISGUST

(By Joe Wharton.)
Rainbow Gibson is entitled to the leather medal which is offered to the teller of extraordinary fish tales by the Ancient and Honorable society of Placatorial Prevaricators. This is his latest one:

Wednesday, between 10 a. m. and 12 o'clock noon, he was casting across the run just beyond the big rock in the middle of the river, familiar landmark to every fisherman who fishes Pierce riffle, just below We-Aak-U Inn.

After an extraordinary fine cast he was electrified by a splash of a strike. When the fish swirled and flashed away into the rough water, he knew he was tied to a big one. The reel screamed and its rasping whirr could be plainly heard over the roar of the rapids—he saw his line disappear from the spool at a alarming speed.

In trying to check the mad rush he burned his fingers—300 feet of line faded away in a flash and he had to run down alongside the swift water as fast as his legs would take him. Suddenly the line again became taut with an increasing tension. The fish was still on and the fight began anew!

With great care the fish was guided into quiet water into the eddy along the swift run. Rainbow took line as swiftly as the reel would work—alert for another flashing run if the royal steelhead made another dash for liberty. Yard by yard the line came to the reel—dearer and nearer came the fish to the beach. The prize was now within a few feet of the water's edge—a skillful coup he would soon be floundering on the wet gravel.

Ye gods and little fishes! What is this? Imagine Rainbow's consternation! Instead of the 10 or 12-pound steelhead—king of all sport fishes—that he had seen with his own eyes leaping and plunging in the white waters of the rapids, there squirmed

KITTENBALL STARS TO CLASH WITH RANGERS

A picked Medford kittenball team will play the Crater Lake stars at Government Camp next Sunday evening. The Crater Lake boys have been holding nightly practice for some time and have reached a point of excellence in playing, promising a hard fought battle for the Medford players. The game will begin early in the evening.

In a baseball game played with Chiloquin Wednesday evening a Crater Lake nine took the long end of an 18-to-4 victory. Chief Ranger Dave Canfield and Harry Fuller were the batteries.

at the end of the leader, the fly fairly hooked in the mouth like a real game fish, a sucker about 10 inches long. "Believe it or not" — that's the story.

CALIFORNIA AND FLORIDA YOUTHS IN GOLF BATTLE

LOUISVILLE, Ky., July 22.—(AP)—California and Florida, long rivals for tourist trade, are looking forward to the possibility of comparing their respective brands of municipal links golf if a couple of youngsters continue the form shown so far in the national public links tournament here.

Joe Nichols, 16-year-old Long Beach school boy, medalist in the qualifying round this year and runner-up in the finals last year, has proved himself California's main hope. He made his first and second round matches look easy yesterday, eliminating two Brooklyn players, Albert Wilkins and Kark Karch, 5 and 4 each.

Curtis Bryan, 19, who learned his golf on the municipal links in Jacksonville, had much harder opponents in both rounds. He carded a 69 during the first round to beat the 49-year-old William C. Jelliffe of Los Angeles, 1 up, and had to go 19 holes in the second round to eliminate Gus Feiz, one of Chicago's best. Third round pairing today included Ade Fordham, St. Paul, Minn., versus Talbot Boyer, Portland, Ore.

RED SOX CHECK DIZZY TAILSPIN TO START WINS

(Associated Press Sports Writer)
The Boston Red Sox, up to a few weeks ago a demoralized, beaten team that threatened to break all existing records for games lost, are showing distinct signs of improvement under the guidance of Marjy McManus.

With Smokey Jolley and Roy Johnson hitting far better than they did for the White Sox and Tigers, respectively, and the young pitchers coming through with a striking performance every few days, the Sox are winning a fair percentage of their games. They have won 10 of their last 22 contests.

Larry Boerner, Boston rookie, Thursday held the Yankees to two hits in seven innings. It was only his second start for Boerner, who formerly was the property of the St. Louis Cardinals. As well as he hurried, Boerner has yet to receive credit for a big league victory. Old Wiley Moore won the last two frames, in which the Sox came from behind to win, 3 to 2. The Washington Senators regained fourth place in the American league. The St. Louis Browns broke their

HOLLYWOOD WINS ONE FROM DUCKS BY FINAL RALLY

(By the Associated Press.)
Stung by the loss of the first two games of the series, Hollywood uncocked a five-run rally in the ninth inning Thursday to defeat Portland, 7 to 2. The score was 2-3 when Myles Thomas, Hollywood pitcher singled to open the last frame. That broke the floodgates, and the whole team batted around before the procession stopped.

The Mission Reds made 20 hits as they swept through Seattle to take a 16 to 5 game. The Indians contributed to their own downfall with five errors. Pitcher Curt Davis did most of the work as the San Francisco Seals defeated the Oakland club, 4 to 1. Davis held the Aacra scoreless until the seventh inning and allowed but four hits all day. He knocked two doubles and one single, sending in one run and scoring another himself. One run in the ninth when they needed it enabled the Angels to beat Sacramento, 5 to 4, making it three

FREE GOLF FOR LEGION VISITORS

PORTLAND, Ore.—(Spl.)—Among the free entertainment features which Portland is offering to convention visitors this year is free golf for all who register at the convention. The privilege of playing without green fees on Portland's eight splendid private club courses and the city's three fine municipal links goes with every registration.

FREE GOLF FOR LEGION VISITORS

Portland's club courses, Multnomah, Waverley, Riverside, Oswego, Tualatin, Columbia, Portland and Alderwood, and the municipal courses, East Moreland, Rose City and West Hills, are all 18-hole courses with the exception of the last one named. They are the finest in the country and have brought to Portland the reputation of being the "Golf Capital of America," with more golf courses available per capita than any city in the United States.

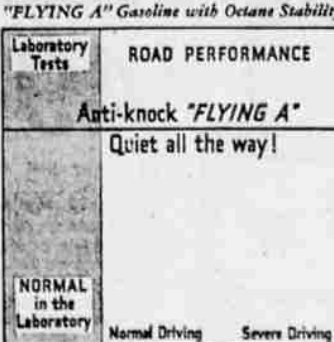

QUIET ALL THE WAY! - Aeroplane performance! - LIKE RIDING THE CLOUDS!

Trace your trip on these charts, see how the new "FLYING A" Gasoline gives you road-proven octane stability. sustained anti-knock performance in every mile!

Wherever gasoline is sold in the west they're talking about the sustained anti-knock performance of the new Associated "FLYING A" Aero-type Gasoline.

Talking about it because motorists everywhere have found a new sensation in driving. Sustained anti-knock performance in every mile. Smooth, quiet, buoyant ride.

sponse no matter how hard or fast you drive: Like riding the clouds.

It's the road-proven octane stability of the new "FLYING A." Only the vital heart-cut from selected gasoline crudes could produce it. Octane stability, plus our exclusive Equi-fractionating process and our climatic adjustment for weather temperatures. Only "FLYING A" can give you aeroplane performance in your car.

You'll notice the difference. Your smiling Associated Serviceman has a tank-full awaiting you at the red, green and cream pump. It costs no more. Try it, as we did, on the road.

Then you too will realize you're getting the most for your money. Aeroplane performance in your car; get it today with "FLYING A."

The diamond-painted pumps offer Associated Ethyl Gasoline with "FLYING A" as a base. "FLYING A" Gasoline and Cyclo Motor Oil used by Olympic games.
