NATION'S EDITORS CONDEMN ACTION OF BONUS FORCE

(Continued from Page One.) er was fully justified in calling out the troops to put down this uprising against the United States. * * * No government can tolerate defiance and disorder on the part of its citizens. "Individuals who violate the law and resist enforcement officers put themselves in the class of outlaws and must be treated as such." Baltimore Evening Sun — "Panic, especially panic in high places, is usually contagious. It may be that after the demonstration of yesterday cooler heads will prevail, but it is all too likely that the disease will spread its virulence. In that event, as in yesterday's instance, reason will be intelligence and vengeance as conviction." Birmingham Age-Herald: "The bloody collision between veterans and police in Washington is surprising only because it has been so long delayed." Philadelphia Inquirer: "The disorders of yesterday are serious, and the government has acted properly in taking them in hand at once. * * * It would be futile to place the whole blame on this straggling army of homeless and hungry men. The agitators who have misled them, the politicians who have yielded to impossible demands for fear of the consequences to themselves — these are much more to blame."

TRIO INJURED IN CRASH IMPROVING

The three Eagle Point youths — Ralph Dinamore, Delbert Tinglet and Jesse Walton — who sustained injuries in an auto smashup on the Reese Creek section of the Butte Falls highway yesterday, were reported in improved conditions at the Sacred Heart hospital this afternoon. Both Tinglet's legs were broken below the knees in the wreck and Walton is thought to be suffering from a fractured skull. Dinamore's injuries were not serious. The three boys were riding in a car, recently left at the Dinamore home by C. E. Gates, young Dinamore driver, when the accident occurred. Taking a corner at more than ordinary speed, according to the report, they failed to make the grade. The car turned over five times and it was necessary to take off the top to remove the occupants, who were taken to the hospital, arriving here about 2:00 o'clock.
