**We're at Your Service Old Timer and Stranger**  
OUR long banking experience gives us a broad insight into business affairs... It places us in a position to offer friendly helpful counsel—disinterested, sound advice as to the conduct of your business affairs.  
These days, especially, it is wise to carefully weigh every business move. It is difficult, even among the closest personal friends, to find one who is detached enough to offer satisfactory advice... If we may serve you, in any banking capacity, or advise you, we're at your service.
