

### BRAZILIAN TEAM BARRED FOR RIOT IN SWIM EVENT

#### Olympic Program Featured by Attack on Referee—Helene Madison Proves Prowess in 100 Meters

By Paul Zimmerman. (Associated Press Sports Writer.)

LOS ANGELES, Aug. 9.—(AP)—A calm settled down on the Olympic swimming stadium today, as aquatic artists of the world returned to the routine of record breaking after the small riot which disturbed yesterday's events.

Three Brazilian Stars were barred from further competition and that country's water polo team was disqualified as a result of their attack on Bela Konyi, referee.

The wild scramble of flying fists and kicking feet came to a climax to the third day of the meet, which saw one world's record broken for the fifth time and two new Olympic marks set up, one of these for the fifth time.

#### Helene Wins Final.

Helene Madison, Seattle's sturdy 20-year-old breaker of free style records, proved that she still is the greatest 100-meter sprinter of the world, by winning the final in 1 minute 6 seconds, defeating Williamette Den Ouden, young Dutch girl, by two meters.

Miss Den Ouden had set the Olympic record at 1:07.4 on the day before, after three others had broken it in trials on the opening day. The recognized world's records of 1:09.8, established by Almina Ostowicz, United States, in 1920, was eclipsed by three full seconds.

The United States, as a result, took the leadership in women's team scores with 17 points, against 5 for Holland and one for South Africa.

#### U. S. Men Take Lead.

United States moved into the men's team leadership over Japan yesterday when Mickey Riley Galtsen won the springboard diving title, with Harold Smith and Richard Denzger, both of Yankee extraction, second and third. The count now stands 27 for Uncle Sam, 18 for Japan, 3 for Canada and 2 for Germany.

The rioting followed the first water polo game yesterday, when Brazil lost to Germany in a rough contest, 7 to 3. Members of the Brazilian team, feeling that Konyadi had discriminated against them, swam to the judge's stand, surrounded and struck him.

Before the situation had been brought under control many partisan fans swarmed from the stands to participate in the fisty argument, but the only injuries appeared to be badly ruffled feelings and disarrayed clothes.

#### Brazilians Barred.

Officers of the International Swimming Federation met immediately after the second water polo game, which Hungary won from Japan, 18 to 0, and wrote the Brazilian water polo team out of the championship and three members out of any further participation in swimming events.

As it stands the United States and Hungary are tied for first in the water polo, with two victories each, with Germany second and Japan last. The American seven meets the Germans late today after the 200-meter relay championship for men. The other events on the program are the 100-meter backstroke preliminaries for women.

### EARL COSS WINS BOYS' NET TITLE

In a game in which both players showed wonderful playing, Earl Coss, 12, defeated Sam Van Dyke, 15, for the junior tennis championship of Medford Sunday. The game was refereed by Miss Vivian Coss, who substituted for Miss Dorothy Mitchell, local Y. W. C. A. secretary.

As winner of the tournament, which had been in progress several days, Coss was awarded a watch fob donated by Larry Schade. The fob displayed two tennis players engraved on it. Van Dyke was presented a fountain pen by the Office Stationery and Supply company.

Van Dyke won the first set, 7 to 6, with Coss taking the second, 6-0. The third was a deuce set, with Coss winning, 7 to 5.

### WEST'S GRID FORCE WINS OLYMPIC EXHIBITION TILT

By ALAN GOULD. (Associated Press Sports Editor.)

LOS ANGELES, Aug. 9.—(AP)—They might be giving a long cheer today along the Olympic front for the old big three of the east but for the bull-like rushes of a rugged young western pigskin toter christened Gains but nicknamed "Gus" Shaver of southern California.

Shaver personally attended to snatching victory for the western "big three" eleven from the eastern forces last evening in a spectacular finish to the demonstration game of American college football, with the Olympic torch flaming high above the peristyle, 60,000 spectators in the stands, many of them seeing their first contest, and no less than eight bands contributing to an extraordinary sight.

The final score was 7 to 6 in favor of the combined forces of U. S. C., California and Stanford against the aggregation representing Yale, Harvard and Princeton but the far western players, led by Shaver, gave a more superior exhibition of offensive football than the margin indicated.

The east, after staving off three western drives to the five yard line in the first three periods, broke the scoreless deadlock by gaining a touchdown early in the final quarter on the first bounce, under unusual circumstances and through the alertness of a Yale boy named Burton Strange. A dazzling 38-yard broken field run by Harvard's Eddie Mays, just before the third quarter ended, put the east in scoring position for the first time. Big Ed Belton of Yale tried a placement kick, with the ball on the west's 27-yard line, but it was partially blocked and bounced off at tangent, still on the playing field. As the started westerners fumbled for a ball around their own five-yard stripe, Strange came bounding through to pick it up and rove across the goal line. Unfortunately for the visiting boys, Eddie Mays' attempted dropkick for the extra point was blocked and the west was quick to seize the opportunity.

For their own 35-yard line, after Rotan's "scoff, the westerners lugged the ball straight down the field, 65 yards in 15 plays, with Shaver doing most of the work and finally driving over his right tackle for the touchdown on fourth down, after the sturdy eastern defense twice stopped the west's drive with less than a foot to negotiate. Shaver's longest gain in this sequence of plays was 20 yards but he proved himself easily the best ball carrier on the field. The decisive point that clinched the west's victory was placed-kicked by Ed Kiron of California, in the halfback.

The cheering in a variety of languages, the brilliance of the "show" put on by the 1000 piece Olympic band and the Olympic chorus of 1500 voices, all contributed to one of the most unusual spectacles in American football history—a mid-summer night's dream of a gridiron.

#### NURMI THROUGH AS AN AMATEUR

LOS ANGELES, Aug. 9.—(AP)—Paavo Nurmi probably is through as an amateur, outside of his native Finland, even though the International Amateur Athletic Federation has concluded its 1932 congress without officially stamping the famous Finn as a professional, or securing the executive powers to rule him out of the almost-pure ranks.

Ranking officials of the Amateur Athletic Union of the United States, including Avery Brundage and Daniel J. Ferris, president and secretary, refused today to pass definitely on whether Nurmi would be permitted to engage in amateur competition in this country, but Fred W. Rubien, veteran American delegate to the I. A. A. F., declared:

"Nurmi is through as an amateur, unless he continues to run only in Finland. We don't know whether he intends to turn pro. The Finns say he will not and insist he is still in good standing, but the suspension of the International federation stands, even though the Olympics are over. Under such circumstances, neither the United States nor any other country could accept Nurmi's entry as an amateur."

### SENATOR ROOKIE MOST EFFECTIVE HURLER OF YEAR

By HERBERT W. BARKER. (Associated Press Sports Writer.)

Walter Johnson perhaps has few visions now of winning an American league pennant with his Washington Senators this season, but at least he has uncovered the most effective pitching rookie in the circuit.

Monte M. Weaver, who quit mathematical calculations to cast his lot with baseball, now leads both leagues in games won and lost with 18 victories and only five defeats.

Weaver has beaten every club in the American league at least once. He has whipped the Philadelphia Athletics five times. Of his five defeats, three were handed him by St. Louis. The others are credited to New York and Chicago. He has not lost a game since June 14.

He needed all sorts of luck yesterday, however, to chalk up his 18th triumph at the expense of the Cleveland Indians, 7-6. He was battered for 10 hits and driven to cover in the eighth inning when the Indians rallied for two runs, within one of a tie.

The only other clubs in action, the St. Louis Cardinals and Phillies, put in exactly five hours and seven minutes actual playing time as the Cards won two games, 7-6 and 6-4 in 11 innings. The Phils, as a result, dropped into fifth place in the National league standing. Three-run rallies in the eighth and ninth innings gave the Cardinals the opening game. Jimmy Collins' 18th homer with Bottomley on base won the nightcap. Pitching in a relief role, Dixey Dean held the Phils to two hits in the last six innings of the second game.

### OFFER DEMPSEY SHOT AT CHAMP

PORTLAND, Aug. 9.—(AP)—Jack Dempsey, enthusiastic over his latest come-back attempt, told newspapermen here late Monday that he has been offered a match with Jack Sharkey, present title holder, and that a dispute over financial terms is the only matter to be ironed out before signatures are attached to the contract.

Dempsey passed through Portland on his way to Seattle, where he has an exhibition match slated for Wednesday. He will return to Portland for a show Friday night.

### LOCALS TO PLAY HOUSE OF DAVID AT 5:30 TODAY

The House of David baseball team from Benton Harbor, Mich., will invade Medford today—whiskers and all—for a clash at 5:30 on the Fairgrounds diamond with an all-star aggregation of southern Oregon players, under the leadership of Hooster Haffard, manager of the Medford Merchants.

The Israelite band, one of the most colorful baseball outfits in the country, claims the championship of itinerant teams and seldom bows to humbled clubs. The aggregation has been touring the country season after season for the past 17 years with new talent added as time takes toll of their numbers.

Manager Haffard welcomes the advent of the churchmen as offering a real try-out for the recently revamped Merchants. The locals had hoped for a game last Sunday with Grants Pass, but the fray was called off by the Climate City manager in an eleventh-hour telephone conversation. Haffard is willing to post a \$250 side-bet that his outfit can take the measure of the Grants Passers and today's game with the traveling team should show whether the locals have the "stuff" they claim.

In this afternoon's affray Jack Hughes will take the mound for the Merchants with Russell in reserve. Bill Force will don the catcher's mask. Gilbert a port-sider, will toe the slab for the hair-ambushed brotherhood.

In their game Sunday with the Klamath Falls Pelicans, Grants Pass chalked up a 1 to 6, win, the Klamath outfit being handicapped by failure of one carload of four regular players to show up.

The drum and bugle corps has competed at 11 national conventions and won first place four times, finishing the other times always near the top. The trip to Portland would cost \$9000.

### DEAD INDIAN HAS DANGEROUS WEED

ASHLAND, Aug. 8.—(Sp.)—Discovery in the Dead Indian district of a weed which he names as "kipsen weed," and which he states is extremely dangerous on the range, was reported by W. R. Taylor, who left a specimen of the weed here Saturday.

The vegetation, an infestation, rather attractive looking weed, has in several counties caused heavy loss on the ranges, literally smothering out all grass by its profuse growth.
