Craterian Star

'Bachelor's Affairs,' a comedy unique in plot and construction is now showing at the Fox Craterian theater. It sparkles in humorous lines and hilarious situations.

Adolphe Menjou plays the role of the sedate bachelor who marries in haste and repents in a still greater hurry. Tomorrow evening, as a unique feature on the Craterian program a public wedding will be solemnized with Rev. A. G. Bennett officiating, Elbow Mae Wilson soloist and Gladys LaMarr, organist.

Pet Contest To Be Craterian Feature

Kiddies from all parts of southern Oregon will gather at the Fox Craterian Friday and Saturday afternoon with pets of every description, cats, dogs, goats, white rats and what have you, to compete for a crisp dollar bill and tickets to Frank Buck's sensational animal picture, 'Bring 'Em Back Alive.' The children will parade across the Craterian stage with their pets and the audience will determine the winners by applause.

On the Craterian stage Sunday evening the 11 winners in the pet contest will appear and the first prize winner will receive a crisp dollar bill and all 11 children will be given tickets to 'Bring 'Em Back Alive.'

Regardless of what kind of pets they have, all children should enter this novel contest. Manager Don Geddes said today, 'Bring 'Em Back Alive' is one of the most amazing animal adventure pictures ever screened and tickets to this remarkable attraction will prove a real incentive to kiddies to enter the pet contest.'

Exciting Picture Coming Holly Hit

One of the most dramatic sequences ever filmed for a motion picture is shown in the production of 'Carmen,' which opens at the Holly theater Wednesday. This is a real bull fight which was staged in the famous Roman ring at Bonda, Spain, before a large and tremendously excited audience. A very modern problem in a rural setting provides the theme for Charles 'Chic' Sale's latest Warner Bros. picture which plays for the last times today at the Holly theater, with Ann Dvorak, David Manners, Noah Beery and Raymond Hatton.

NEW YORK Aug. 9.—(AP)—The stock market followed a zigzag course between alternate waves of profit taking and fresh buying today, and closed with a fairly steady tone, with changes in pivotal issues largely narrow. Turnover approximated 3,800,000 shares. The market had a brisk rise just before noon, under leadership of the utilities. It reacted later, to show a number of temporary losses of 1 to 3 points. In the final dealings the list recovered, and a few issues finished with small gains. Substantial profit taking sales came from both London and Paris, as well as domestic sources but bulls refused to let the market get out of hand on the downside, despite a feeling in several quarters that a technical reaction was overdue. FOODS AND JARS REQUESTED HERE IN RELIEF PLAN

Mrs. V. L. Sexton, who will supervise and direct conservation of food in connection with the program of the Jackson County Unemployment Relief council, is moving from her present residence to 703 West Second street, she announced today. Here telephone number, after today, will therefore be 727-N, and all persons with foods to be conserved, and jars in which to place them, are urged to telephone her at her residence.

The response regarding jars is still far below expectations of the women's division of the relief program, headed by Mrs. A. E. Reames, and all persons in the valley, regardless of how small the amount they have to give, are urged to notify Mrs. Sexton of their contributions at once. The need is a great one and time of the utmost importance, the women pointed out today. Any farmer or other individual with surplus fruits or vegetables is asked to contribute them now to aid the avoidance of a future condition, which will make much greater demands of charity if provision is not made to feed the families of the unemployed this winter. The food conserved through the

program of the women's division of the relief council will be exchanged for labor, permitting the unemployed to avoid resorting to a dole in obtaining food. Since no one will be stationed at the Armory kitchen, until definite organization is completed and sufficient supplies donated to start the conservation proceedings, all calls should be directed to Mrs. Sexton, better known to the housewives as Heater Heath, conductor of many cooking schools.

Parking Limited In Packing Area

Ten-minute parking signs are being erected at all of the packing houses in Medford, according to city officers. Because of the trucks coming and going to the sheds, and the numerous cars making necessary calls, the measure has been found necessary.

WHERE IS THE WOMAN who was so tired at night?

WORN OUT from the day's endless round of housework... where is she now? Spending her time in recreation... instead of drudgery in a hot kitchen. Where she formerly greeted her husband in high dudgeon, she now welcomes him in high spirits. And that is the triumph of electricity. It smooths the day for the housewife by helping her complete her housework in less time and less effort. It is the King of Comforts... and where it is freely used, the house at last becomes a home.
