Piles Go Quick

Itching, bleeding or protruding piles go quickly and don't come back if you really remove the cause. Bad blood circulation in the lower bowel and hemorrhoidal veins causes piles by making the affected parts weak, flabby, almost dead. Salves and suppositories fail because only an internal medicine that stimulates the circulation and drives out the impure blood can actually correct the cause of piles. Dr. J. S. Leonhart discovered a real internal pile remedy. After prescribing it for 1,000 patients with success in over 900 cases, he named it HEM-ROID. Jarman & Woods and druggists everywhere sell HEM-ROID Tablets with guarantee they will cure your Pile misery or money back.

ICE PICK MURDERS LAID TO GANGDOM

NEWARK, N. J., Aug. 22.—(AP)—A week-end wave of murder by ice picks and bullets left five men dead in New Jersey today but police found the unaccountable shooting of a 25-year-old girl, daughter of a prominent family, to be the most mysterious case of all.

Mrs. Evelyn Higgins, whose father is Maj. William Higgins of the staff of Gov. A. Harry Moore, was seriously wounded early yesterday as she crossed a vacant lot in Jersey City after an auto ride. No weapon was found. Mrs. Higgins was in too serious a condition to be questioned and there was no indication as to whether it was an attempted murder or a strange accident.

Andrew Ferrizino, 25, and Vincent Booto, whom the police call Brooklyn racketeers, were victims of an unusual execution instrument—the ice pick. Their slayers stabbed them countless times, wrapped them in burlap bags and left them in a backyard at Harrison. The bundles were found yesterday.

Another killing yesterday was that of William Maloney, owner of an alleged speakeasy in Union City, who was found about near North Bergen.

Leaves for South F. Corning Kenly left on the Shasta Sunday evening for San Francisco.

The tree has only been in the parking about two years, Mr. Conger said today, the same thing having happened to the predecessor in the same location.

PIPES AND HOGAN GET 7 STEELHEAD

Until someone "pipes" up with a bigger and better fish story, A. W. Pipes and M. N. Hogan are going to claim joint honors of bringing home the most steelhead from their Saturday afternoon's trip to the Rogue.

Fishing a short distance below the Pipe's cabin at Edgewood park, Mr. Pipes was successful in landing three large steelhead (including the largest on the afternoon's program), and Mr. Hogan, unable to get the biggest, got the most. He landed four. Mr. Pipes' largest weighed about seven pounds, and all weighed over 2 1/2 pounds, he reported.
