

O'NEAL TALKS OF INDIAN ARTS AND HISTORY AT CLUB

Lon Duke O'Neal of the Abbey Motor company addressed the Lions club today at luncheon at the Hotel Holland, giving an interesting review of the early history of the American Indian. In connection with his talk, Mr. O'Neal displayed a number of Indian made baskets and other samples of the early Americans' handiwork. There are only two Indians in the Klamath tribe making baskets today, he informed his audience, and Indians who make baskets, he further explained, seldom do bead work.

Miss LaMerle Beck, accompanied at the piano by Mrs. Royal Beck, entertained the Lions with several solos which were enthusiastically received. Report on the popularity contest sponsored by the Lions and Fox Craterian theatre was made by Lion Al Littrell, chairman of the club committee, and showed that Ruby Stone is in the lead. Proceeds from the contest, he stated, will be used in relief work and to bring pleasure to the blind.

Lion G. W. Newberry reported that a radio was recently installed at the home of another member of the county's blind population through the efforts of the Lions club. The recipient is a resident of the Phoenix district.

Guests at today's luncheon were: Adra Edwards, winning contestant for last week in the Lions popularity race; Mrs. Royal Beck, Miss LaMerle Beck, Miss Witham, Duke O'Neal, Lon Beck, Clay Witham, Duke O'Neal, Lon Beck, Roy Johnson, Mrs. Royal Beck, Charles B. Ray, Realtor, Medford Bldg. Phone 302.

EXCHANGE—4-burner oil stove with oven for wood heater. Also Jersey cow for first cutting baled hay. Box 6683, Tribune.

Look! Your choice of any Straw Hat with any purchase regardless of amount. One only to each person.

No exchanges. No refunds. 223 East Sixth Street. Phone 989

Which Medford Miss Will Win Lions Trip?

These charming Medford misses, competing in the Lions' club popularity contest, are, left to right: Jean Hamilton, Lucille Littrell, Marjorie Marshall, Ruby Stone, Dorothy Pankey, Adra Edwards and Claudina Toile, with United Air Lines stewardess, at the extreme right. The winner of the Lions' contest, which closes August 31, will enjoy a trip in a big United Air Lines tri-motor plane to Hollywood where movie studios will be visited.

On September 10, the winner of the contest will be crowned as Medford's

popularity queen at a big Lions' club dance which will precede the journey to Hollywood. The girls who are entered in the contest are competing in selling tickets to the Fox Craterian theater and a bulletin board in the Craterian foyer shows the daily standing of the contestants.

of the trend. When prohibition again becomes more popular, the 'noble experiment' man will likely come back again.

"Mr. Roosevelt's proposition is unmistakably clear. Mr. Hoover's talk sound like the squeal of a weasel with its tail cut off. Nobody knows what he is driving at, except that he wants a 'change' and the change that he proposes, if it means anything at all, means the destruction of the 18th amendment, if we are going to do that, let us do it in an honest, straightforward manner. Don't pretend that we are doing it in the name of temperance."

James W. Grigsby has received notice from the United States army headquarters, that his position of second lieutenant has been officially recognized by the federal government. Although the appointment took effect June 13 of this year, the news has just been received at headquarters here.

Officer Grigsby was promoted from staff sergeant to second lieutenant in the National Guard this summer, and the promotion is now effective in the United States army.

Two school teachers from Long Beach, Cal., spent the morning in Medford, searching for colored postcards of Crater lake, which would justify the coloring of the water. The two men had visited the lake, and unable to find the cards, accepted some Chamber of Commerce letterheads, with the lake printed on them. Roy Shreve of the City Stationery and Supply presented each with a pear booklet. One of the teachers has been in the Long Beach system for over 25 years, she stated.

Daughters of Veterans—All members of the local chapter of Daughters of Veterans, who wish to attend the picnic in Grants Pass Friday, August 26, and those who will have space in their cars for transporting others are asked to call 1139-J. The annual encampment of Soldiers and Sailors to be held in Grants Pass this year is expected to draw a large crowd from this city.

With the schools of the county opening next month, petitions are being received requesting that roads be fixed to facilitate school bus and other traffic during the winter. There is no county road fund available, due to cutting the levies under conditions of the times.

Henry O'Malley, federal fish commissioner, J. R. Russell, federal supervisor, Matt Eychmann, state director of fish hatcheries and Frank Weir, state game supervisor, are in the city and valley inspecting local fish and game matters and conferring with local sportsmen.

Leaves for North—Having conducted services at the Apostolic Faith church here, Rev. Florence L. Crane returned to Portland today on the Shasta. She was accompanied by her secretary.

CITY TO OCCUPY OLD COURTHOUSE, COUNCIL DECIDES

(Continued from Page One.)

An organization or department which will add an important sum to the rentals to be realized by the city from the move.

On the first or basement floor of the building will be located the water commission, in the office now occupied by the county assessor and staff, and the city police department in the treasurer's offices.

The city recorder, city treasurer, street and road, and building and light departments will occupy the offices on the second floor, which are now housing the county clerk's department.

To House School Office. City School Superintendent E. H. Hedrick and his staff will move into the offices now occupied by the county sheriff. The move will be made as soon as possible after the offices are vacated. Mr. Hedrick announced this morning, adding that the change will probably not be completed, however, until around October 1. It will probably take 15 days to clean the offices and another 15 to complete the necessary remodeling. Temporary partitions must be constructed, he explained, to prepare the space for occupancy by the schools.

Plans are also underway for renting of the county judge's chambers. Mr. Scheffel announced last night, but the names of the prospective tenants can not be disclosed at this time.

C. C. Move Not Planned. In response to a rumor about town to the effect that the Chamber of Commerce was considering occupancy

of offices in the city hall, W. S. Bogger, president of the chamber, was interviewed this morning. He stated that such a plan had not been discussed, and would, to his knowledge, represent no economy for the Chamber of Commerce.

The city hall on North Central was constructed by the city in 1927 and loaned to Jackson county, following change of the county seat from Jacksonville to Medford. The city building was to be occupied by the county until construction of the new courthouse here could be financed. Due to shortages in city funds, it was feared for awhile that Medford would be unable to take over the building when it was vacated. The renting of offices, it was pointed out last night, has made this not only possible but economical.

PUSSYFOOT WILL BACK ANDY GUMP FOR PRESIDENCY

BINGHAMPTON, N. Y., Aug. 24.—(AP)—In a formal statement to the Binghamton press today, William E. (Pussyfoot) Johnson, international fish crusader, says he is through with Hoover, cannot vote for Roosevelt, as much as he admires the New York governor's honesty and proposes to support "the Hon. Andy Gump of Illinois."

From his farm at Smithville Flats, near Binghamton after returning from a conference with dry leaders at Washington, Mr. Johnson gave out a 700-word statement, in which he said of Mr. Hoover:

"He led me up a political alley and left me stranded in a brush heap while he ran away like a scared jack rabbit.

"In 1928, prohibition was very popular and I took courage to stand against it. Hoover rode with the tide.

"Now prohibition is not so popular. The tide seems to be on the ebb and Mr. Hoover changes his shirt and seeks to take political advantage

LOCALS

Mayfields Here—Mr. and Mrs. Howard Mayfield and son Billy of Redmond are guests in Medford of Mrs. Mayfield's brother-in-law and sister, Mr. and Mrs. George Howard. Mr. Mayfield will return to his ranch today, while Mrs. Mayfield and son plan to spend several days in the valley.

Daughters of Veterans—All members of the local chapter of Daughters of Veterans, who wish to attend the picnic in Grants Pass Friday, August 26, and those who will have space in their cars for transporting others are asked to call 1139-J. The annual encampment of Soldiers and Sailors to be held in Grants Pass this year is expected to draw a large crowd from this city.

ASHLAND CITIZENS URGE ROAD WORK

A delegation of Ashland citizens headed by Jesse Nell requested the county court this morning to improve the Dead Indian road near the summit ere winter comes, in order that travel could be continued for several weeks longer. A depression in the road causes a mudhole to form from rains and sewage water. The county court said if time and funds would permit the improvement would be made.

With the schools of the county opening next month, petitions are being received requesting that roads be fixed to facilitate school bus and other traffic during the winter. There is no county road fund available, due to cutting the levies under conditions of the times.

Henry O'Malley, federal fish commissioner, J. R. Russell, federal supervisor, Matt Eychmann, state director of fish hatcheries and Frank Weir, state game supervisor, are in the city and valley inspecting local fish and game matters and conferring with local sportsmen.

Leaves for North—Having conducted services at the Apostolic Faith church here, Rev. Florence L. Crane returned to Portland today on the Shasta. She was accompanied by her secretary.
