More than 200,000 miles in 21 different countries has been her record, and yet she remarked: "We women need to narrow our horizons, rather than broaden them, right now. We should clean up our own back yards."

Mrs. Poole said she would urge the approximately two million women belonging to the 14,800 federated clubs under her supervision to "go down to the city hall or town hall" of their respective communities, "and ask to see how the money is spent."

Every 20th of the box three lines read: "14 Years 7c and Up Absolutely the Same Cigar as 5c Breaks All Records."

Alert dealers in every section, noting the increase in White Owl sales and the seige gun advertising that aims to further increase them, report that—by placing the White Owl box on top of the case—they cash in to the fullest possible extent on the advertising. And the more prominent the position of the box, they say, the greater is the sale of White Owl—and correspondingly the greater their profits.

Backed as they are by powerful, persistent White Owl advertising in leading newspapers, all dealers—large or small—can reap a full harvest of profits on the advertising by putting the White Owl box on top of the counter. By displaying White Owl in a prominent place, they will unquestionably cash in to the fullest extent on the present and future seige gun White Owl advertising, which aims to send more and more smokers into their stores for White Owl.

OMAHA, Aug. 25.-(AP)—The south, represented by New Orleans, will clash with the Pacific coast, in the person of Los Angeles, here today for the all-western championship in the American Legion's annual national junior tournament.

The winners will go to Manchester, N. H., August 30, to compete against the all-eastern team in the national finals. New Orleans won its way to the regional finals by defeating Seattle yesterday, 3 to 1. Los Angeles triumphed over Boulder, Colo., 31 to 6.

Despite the severe trouncing Los Angeles handed Boulder, the dopsters gave the New Orleans an even chance because of its brilliant play in eliminating Seattle.

WHITE OWL PLANS HEAVY SEIGE FOR INCREASED SALES

With its ammunition the smashing coast-to-coast triumph of White Owl at 5 cents, a seige gun White Owl advertising campaign for late summer and early fall will lay down a heavy barrage for increased sales at the cigar case. Big space half-page advertisements on the sporting page of influential newspapers of large circulation will carry "Front Page News" of White Owl's "All American Victory" to millions of smokers. The initial ad in the fall campaign appeared in Wednesday's Mail Tribune.

In order to dramatize the scope and volume of White Owl's sensational sales record—over 425,000,000 White Owl sold the first year at 5 cents from coast to coast, the opening half-page advertisement is a reproduction of the front upper half page of a newspaper, titled as an eye-catching, easily readable angle. White Owl's "Front Page News" bears huge headlines—"All American Victory" and "White Owl at 5c Wins Coast to Coast." As an explanation and proof to the reader, a box containing White Owl's record breaking first year's score at 5 cents presents these figures:
