

YANKEE HOMERS HELP IN FLIGHT TOWARD PENNANT

Record Shows 28 Games Won by Slender Margin of Single Run—Three Big Guns Win Main Acclaim

By GAYLE TALBOT
(Associated Press Sports Writer)

The ability to belt home runs into the distant bleachers when there are men on base and the game hanging by a thread has been an outstanding characteristic of the Yankees in their headlong flight toward the American league flag.

A glance at their record reveals the clouting New Yorkers have won a total of 28 games by the slender margin of one run, and that in 19 instances they pounded one or more for the circuit to achieve victory, the prodigious punches of Ruth, Gehrig, Lazzeri and the team's other stage guns have put the Yanks where they are today.

Gehrig's Homers Count.
Yesterday it was Gehrig whose two homers brought victory over the Chicago White Sox, 6 to 0. Johnny Allen didn't pitch much of a game, yielding 12 hits, but the Sox and 11st four baggers brought in five runs and made it easy for the big rookie to secure his 15th triumph in 17 games. Billy Sullivan made four of Chicago's hits.

The lowly Boston Red Sox gave the day's prize performance in knocking Wes Ferrell from the box in the first inning and beating Cleveland, 4 to 2. Three solid hits and a base on balls sent the Indian ace snowed out, and the Sox went on to score five runs before Jack Russell retired them.

Fox's Aids A's.
Jimmy Fox's 49th home run with Cochrane on base broke a tie in the seventh inning and gave the Athletics a 6 to 4 decision over the Detroit Tigers. Lefty Grove allowed seven hits in scoring victory No. 21.

The Washington Senators continued their winning spurt with an 11 to 7 conquest of St. Louis. Although knocked from the hill in the sixth, Bill McEwain registered his fourth successive win joining the Senators.

Cubs Set Record.
The Chicago Cubs set a season's record in the National league by defeating the New York Giants, 4 to 3, for their eleventh straight victory, scoring the winning run in the ninth on a hit by Hamman, two walks and a fumble by Clegg.

Pittsburg picked up a half game by outslugging the Boston Braves twice, 10 to 7 and 3 to 2. The Pirates rallied to score five runs in the eighth inning to win the first game and again in the ninth put over the winner in the eighth.

The Brooklyn Dodgers made only six hits off by Johnson and Tex Carleton, but they built them into a 5 to 4 victory over St. Louis. Cincinnati and the Phillies were idle.

LANSHING, Mich., Aug. 31.—(AP)—Governor Wilbur M. Brucker has proclaimed Sept. 6 "Eddie Tolan Day" in Michigan, in honor of the little negro youth who, in the words of the proclamation, "brought honor to our commonwealth by winning the two principal dash events" at the Olympic games.

Tolan will be extended special recognition at the state fair that day and the governor said he hoped "appropriate observances" would be arranged elsewhere over the state.

COLORED BATTLER ANXIOUS TO MEET BYRNE TOMORROW

Bearcat Baker, the sensational Seattle colored heavyweight, is anxious for the bell that will send him and Jimmy Byrne tonight for 10 rounds or less tomorrow night at the Medford Armory.

Baker said to inquiring fans yesterday: "It's not often that I fight just for the fun of fighting, but in view of Jimmy Byrne's attitude toward my people and me personally, I will fight the best that's in me, and all I ask of promoter Mack Lillard and Referee Les Weisa is a square deal, with no prejudice to either fighter."

Promoter Lillard has assured Baker that all he's interested in is a good fight and may the best man win.

The prominence of the top spot fighters has overshadowed the preliminaries to some extent, but the three supporting bouts will bring out some new faces among the local fight fans and some real slam-bang affairs are in prospect.

BRITISH GOLFERS LISTED FOR PLAY AGAINST YANKEES

BROOKLINE, Mass., Aug. 31.—(AP)—The British Walker cup golf team, which has yet to gain a victory, today stole a lead on its American rivals. The Britons were first in announcing their lineups for tomorrow's opening foursome matches at the country club.

Cyril Tolley, twice a British amateur champion and member of five international teams, named the British pairings as follows:

- 1—Captain Tony Torrance and Leonard Crawley.
- 2—John Burke and John Stout.
- 3—Bex and Lester Hartley.
- 4—John Fiddian and Eric McButie.

Although he has probably definitely decided upon his foursome selections, Francis Ouimet, national amateur titlist and American team leader, said he would not name them until tonight.

Ouimet has five experienced international match players in his squad of 11. His top strength appears to include himself, George Voigt, Jess Sweetser, Maurice McCarthy, Don Moe and Harrison B. (Jimmy) Johnston. The latter is handicapped by a twisted ankle and he may not play.
