

EUGENE GOLFER CAPTURES TITLE ON LOCAL LINKS

Les Leal Lifts Laurels From Brow of Hammond, Jr., by Consistent Play — Don Leal Wins First Flight

Les Leal, 18-year-old Eugene golfer, walked off with the southern Oregon golf championship yesterday by defeating Bob Hammond, Jr., defending champion, 5 and 3. Leal's victory marked the first time the coveted southern Oregon laurels have gone to an invading golfer. The brand of golf displayed by Leal was such as would win on any course. He finished the morning round four up on young Bob, carding a par 72 against 76 for the Medford ace.

The first nine in the afternoon round was negotiated in par by Leal, while Hammond required 38. Leal going on to end the match in form. Hammond, who won the cup in 1929 and 1931, could not seem to get going while the Eugenean was "hot" with all the clubs in his kit.

Brother Also Wins
Don Leal, also of Eugene, won the first flight championship by defeating Keith Baughman of Medford, 2 and 1, after having been eliminated in the first round by his brother Les. Ed Simmons, Medford caddy, won the second flight by eliminating Bob Near, Eugene, 2 and 1. Simmons chalked up a 76 for the round and Near required 78.

Ray Byers, Ashland Normal student, won the third flight honors by defeating A. C. Correa of McCloud, former St. Mary's football star, 3 and 2.

Russ Brown, Medford, brought in honors for the local club by taking the fourth flight title round from Roy Shreve, 2 up.

E. C. Solinsky and Ole Alenderfer battled to the 30th hole, in the fifth flight before the Grater lake superintendent won out.

In the third consolation flight, Grover Tyler won the championship by finishing one up on M. D. Clark of Grants Pass. Dr. Eddie Durno, former Oregon basketball star, added golf to his list of accomplishments by winning the fourth consolation prize from Hamilton Patton.

Grants Pass Lad Wins
Louis Hamilton, young Grants Pass golfer, took fifth consolation honors by winning from J. B. Kirk of Phoenix, 5 and 4.

Presentation of the 21 cups and other awards took place immediately after the play was finished yesterday afternoon. A. P. Johnson acted as master of ceremonies.

In the championship match, young Hammond had won his way to the finals by defeating such sterling golfers as Earl Tully, 3 and 2; Don Clark, 5 and 4, and H. B. Bentley, 1 up.

Les Leal had triumphed over his brother Don, 5 and 4; Johnny Boyd of Hood River, 4 and 3, and Henry Pringle, 2 up.

The tournament this year was one of the most successful in the history of the Rogue Valley course, and all matches were hotly contested.

FLYING COMRADES SET NEW RECORDS

CLEVELAND, Sept. 6. — (AP) — The roaring mounts of two Missouri flying comrades have turned in a grand slam in aviation's high speed classics. Major James H. Doolittle, riding his red-nosed monoplane, completed the supremacy at high speeds demonstrated during the national air races by his wide margin victory in the 100-mile free-for-all race yesterday. His flying comrade, James H. Halp, a week earlier had flashed across the continent to a new trans-Atlantic speed mark of 19 hours and 18 minutes. Halp's wife, May, a few hours before had pushed the women's unofficial land plane speed record to 255.513 miles per hour, and Doolittle himself on Saturday had boosted the men's land plane speed record to 296.267 miles an hour.

Collegians Promise Veterans Grief In Tussle for Amateur Golf Title

By Dillon Graham (Associated Press Sports Writer)
BALTIMORE, Md. (AP)—America's college stars, paced by the intercollegiate champion, Johnny Fischer of Michigan, may spoil the hopes of some of the veterans in the national amateur golf tournament here next month.

Probably a score or more players in the big field which tees off over the Five Farm course near Baltimore September 12, will be golfers who were members of college teams last spring.

The 20-year-old Fischer of Cincinnati and Fort Thomas, Ky., also is the Western conference titleholder. He is the first sophomore to win either the Western or the National intercollegiate and also the first midwesterner to come home first in the school boy competition.

Fischer is not exactly a newcomer to the big time tournaments, for he was second low amateur in the National open at Fresh Meadow last June and qualified sectionally for the 1931 amateur, only to finish a stroke over the qualifying deadline at Beverly.

Billy Howell of Richmond, Va., who was graduated from Washington and Lee university in June, and Don Moe of the University of Oregon, will rank among the most serious of the college threats.

It was the 20-year-old Virginian who carried Francis Outmet to the 35th hole in their semi-final engagement a year ago and was called the "boy wonder" of the year. Howell was runner-up to Fischer in the intercollegiate event at Hot Springs, Va.

Moe was a member of the Walker Cup team in 1928 and, like Howell, has again been named to represent this country in the matches this year, shortly before the start of the amateur tournament.

John Barker and Sidney Noyes of Yale, two of the semi-finalists in the intercollegiate meet, and M. P. Warner, also of Yale and winner of the North and South feature at Pinehurst, N. C., last spring, are other prominent collegiate contenders.

Robert Kepler and Johnny Florio of Ohio State, who were quarter-finalists this year and semi-finalists a year ago in the intercollegiate tournament; Billy McWilliams of the University of Georgia; Dennis St. Clair of Williams college, and Edward Hamman of Dayton university, are others among the college boys who are qualified for the big push at Five Farms.

BEAVERS TIGHTEN GRIP ON PENNANT BY HOLIDAY WINS

(By the Associated Press)
Portland's Beavers celebrated Labor day by beating the Misalons twice to make its seven victories in the nine-game series. With an eight-game lead over the second-place Angels, Portland has just about cinched the pennant. Los Angeles, Hollywood and San Francisco, the other first division clubs, all lost their holiday double-headers.

Paul Zahniser pitched the Ducks to victory in the opener, 7 to 1. Bill Shores outpitched Bert Colt in the second game, which ended, 3 to 1, for Portland.

Seattle gave Los Angeles a double setback, winning, 5 to 7, and 7 to 2, with Lynn Nelson pitching all of both games. Beavers: First game, Seattle, Nelson and Cox; Los Angeles, Ballou, Maltzberger and Campbell; Second game, Nelson and Bottarini, Baecht, Maltzberger and Cronin.

The Sacramento Senators proved again they have the Seals' number by taking a day game at Stockton, 8 to 3, and topping it off by winning the evening performance at Sacramento, 4 to 1. San Francisco won only one game of the series.

The seventh-place Oaks tripped Hollywood twice, 5 to 3, and 2 to 0, seriously interfering with the Stars' pennant aspirations. Oakland won six of the nine games in the series. Batteries: First game, Hollywood, Sweeney, A. Walsh and Bassler; Oakland, Pieber and Ralmond; second game, M. Thomas and Mayer; Joiner and Ralmond.

YANKEES GARNER DOUBLE VICTORY OVER ATHLETICS

(By Associated Press)
Joe McCarthy's pennant-bound New York Yankees garnered the most valuable harvest of Labor day's crop of double-headers.

Facing the Philadelphia Athletics, their closest rivals, the Yankees tossed their twin mound aces, left-handed Vernox Gomez and right-handed Johnny Allen, into the fray and emerged with two victories that left them only six more to win to clinch the American league flag.

As the teams stood today, the Yankees led the Athletics by 12½ games. Six more Yankee victories, or any combination of Yankee victories and Athletic defeats which totals six, automatically will give the Yankees the pennant. Washington, in third place, will be eliminated when the Yankees win five games or when Yankee victories and Washington defeats total five.

Gomez turned in his 23rd victory against six defeats in the opener, which the Yankees won, 8-6. Allen won his 16th game against two losses in the nightcap, giving the A's nine scattered hits as the Yanks won, 6-3. Babe Ruth hit his 40th homer in the first game.

Effective pitching by Alvin Crowder and Fred Matberry gave Washington two victories over the Boston Red Sox, 6-2 and 9-3, and Cleveland walloped the St. Louis Browns twice, 12-9 and 6-4. Earl Whitehill pitched steady ball as Detroit turned back the Chicago White Sox, 5-3, but the Sox took the nightcap, 3-1, as Milt Gaston allowed only five hits.

In the National league, Pittsburgh shaved another game off the Chicago Cubs' lead by whipping the St. Louis Cardinals twice, 4-3 and 3-1. The Cubs split a double-header with the Cincinnati Reds, winning the first, 9-2, but dropping the second, 6-5.

The Phillies took the New York Giants over the hurdles twice, 3-2 and 5-4.

The Boston Braves moved into fifth place, two games behind the Phillies, as a result of two triumphs over Brooklyn, 13-2 and 5-4.

DETROIT, Sept. 6. — (AP) — Gar Wood and Kaye Don, victor and loser respectively in the Harnsworth tro-

phy race that ended yesterday when the British challenging craft, Miss England III, broke down and withdrew, today were planning further tests of their hydroplanes.

Wood, whose Miss America X coasted to a slow victory in both heats of the race because of mechanical troubles to Don's craft, was making arrangements for an assault on the world's one-mile championship, now held by Miss England III at 1:19.81 miles an hour. The time and place for the trial have not been determined.

Don, disappointed at the second failure of his craft, but smiling nevertheless, will leave tomorrow for Toronto. There, it repairs can be effected to his white-hulled hydroplane, he will take it out again for a speed demonstration.

The British speed king will take one trophy back home with him. It is a punch bowl, awarded for the fastest Harnsworth lap. Don won it in the opening lap of Saturday's heat, when he streaked over the course at 88.680 miles an hour.

ITALIAN SPEED PILOT IS KILLED IN CRASH

DESENZANO, Italy, Sept. 6. — (AP) — Lieutenant Neri, Italy's crack speed pilot, was killed today when his plane collapsed in full view of his comrades at the high speed aviation school here.

He came down in a moderate dive, turning up sharply when 150 feet from the water. The plane buckled and dropped in flames into the water.
