

CUBS EXPECTED RETAIN LEAD IN EAST INVASION

(By the Associated Press)

The Chicago Cubs are not the best road club in the National league, but there is nothing in the records to indicate they'll lose much of their present six-game lead on their current eastern invasion.

The second place Pittsburgh Pirates can boast a better record on the road but the Cubs have overcome this by a vastly superior showing at home. Chicago has played 718 ball at home and 459 on the road. The figures for Pittsburgh are 492 at home and 500 on the road.

Here's how the two contenders have fared this year:

| At home: | W. | L. | P.C. |
|------------|----|----|------|
| Chicago | 51 | 20 | .718 |
| Pittsburgh | 45 | 31 | .592 |

Away:

| W. | L. | P.C. | |
|------------|----|------|------|
| Pittsburgh | 29 | 29 | .500 |
| Chicago | 28 | 33 | .459 |

The remainder of the schedule also favors the Cubs, six of whose remaining 22 games will be played at Chicago. Pittsburgh must play all of her remaining 20 games on the road.

There's just a chance that the Pirates can pick up enough ground in the next couple of weeks to make a "crucial" series out of the four games they will play with the Cubs at Wrigley Field September 20, 21 and 22.

Action in the major leagues yesterday was restricted entirely to one double-header in the American league, the Cleveland Indians taking the St. Louis Browns over the hurdles twice, 4-3 and 6-0.

Enters National

JACK MUNGER
DALLAS, Tex.—(AP)—Jack Munger of the Brook Hollow Country club, Dallas, will be one of the youngest players in this year's national amateur golf tournament starting September 12, at Baltimore.

One of Texas' best players, the 17-year-old had easily qualified here with 148. Par at Brook Hollow is 35-35-70.

Munger hits a long tee shot and is accurate with his irons, but his game is strongest on the greens.

STERLING FISTIC CARD SCHEDULED IN COMING WEEK

Jack Gibbs, the hardest puncher seen in a local ring for some time, will try his favorite knockout recipe on the anatomy of the clever and rugged Kiamath Falls scrapper, Jack Crim, next Wednesday at the Armory. Crim is no novice in the leather pushing racket, and is considered the best Indian fighter ever developed in the northwest.

Crim has fought all the top-rung middle and light heavyweight pugilists around the northwest for the past few years and is still going strong.

The Gibbs-Crim battle will be over the 10-round route.

A second main event 10-rounder will pit K. O. Herb White, the sensational local favorite, against Jimmy Lewis, a Spokane, Wash., product. Lewis has had 30 fights in his three years of fighting. Macek Lillard, the promoter, did not appear anxious so match White in 10 rounds, but at the insistence of White, did so.

Herb's many followers are hoping that the young man has not made a mistake in choosing the long distance route at too early a stage in his meteoric climb up the fistic ladder.

Herman Newland, a local heavyweight husky, will try his hand at the fight business in a four-round special event, against Ray Henderson, 205-pound Spokane novice.

Newland has been training privately for some time with the thought that he can make a name for himself throwing the leather.

Newland is an exceptionally well-developed athlete and his many friends will welcome the news of his turning to the prize ring.

A four-round curtain raiser will round out the night's bill.

The usual bargain prices are to be offered and a big turnout is expected.

SACS RUN WILD AGAINST ANGELS TO WIN, 23 TO 6

(By the Associated Press)

Portland increased its lead in the Coast league race to nine games by winning in 10 innings from Hollywood, 5 to 4, Tuesday night. A home run over the fence by First Baseman Jim Keesey was the blow that killed the Stars' hopes in the extra inning. Bowman and Jacobs held Hollywood to eight hits. Frank Shellenback had weak support from the Stars at times, and gave 13 safeties.

Maintaining the fast pace they set last week against the Seals, the Senators ran wild to defeat Los Angeles, 23 to 6. It was the Seals' ninth consecutive victory. Three pitchers felt the power of the Senators' bats, Moncrief being touched for five runs, Curtis for 16 and Winzell for 2. Alex Kampouris, second sacker, led the attack with five hits, including two homers, to drive in nine runs.

The Seals won their first game in nine starts by downing Seattle in 11 innings, 3 to 1.

Oakland beat the Missions, 3 to 1, by scoring twice on three hits in the first inning.

OLD ALEX HURLS FOR CHURCHMEN

COUNCIL BLUFFS, Ia., Sept. 7.—(AP)—Grover Cleveland Alexander—Remember the day he came shuffling from the bull pen to the mound in Yankee stadium to strike out Tony Lazerri and silence the Yanks' last great threat to beat the St. Louis Cardinals out of a world's championship?

He's still pulling the rescue act with the greatest success. Old Alex, now toiling 'em over for the House of David semi-pro team, has saved two games for his team in the southwestern Iowa tourney, with the result that the Davids have reached the finals.

On the first occasion, Alex did the trick with one pitch, a slow curve that was hit into the ground with the tying and winning run on base in the ninth. The second rescue act was staged in the eighth inning of the Davids' next tourney game. Alex was nicked for a run before he retired the side, but went on to retire the hitters in order in the ninth.

Today's throngs of bargain seekers proved that it pays to advertise in the Mail Tribune, according to I. F. Andrews, manager of the local store.

Every department has outstanding values for the anniversary sale which offers merchandise at the lowest prices in many years. Throughout the nation Ward's stores are celebrating the sixtieth anniversary of the institution so that the Medford branch is observing two important events simultaneously.

The arrested man pleaded depression destination. The authorities seek an explanation of the presence of the revolver in his vehicle.
