He also plans to remain for the national convention. C. T. Baker will represent Commandant F. Wilson Wait at the state gathering. To the national convention, George Coddling and Lee C. Garlock will be in attendance from the Medford post. Mr. and Mrs. Garlock left by motor last evening for the north.

Golf Picture Now Showing At Rialto

The first picture showing the inside facts of Hollywood, the thrills and heartaches, the glamour and the squalor. That is how "What Price Hollywood" at the Rialto theater today and tomorrow, has the starring role, that of a waitress who becomes a star in pictures, and has supporting her such well known actors as Lowell Sherman and Neil Hamilton. As an added attraction, of special interest to golfers, the Rialto will show the first six reels of the Bobby Jones series, "How I Play Golf."

Home Loan Banks Ready In Month

Opening of the 12 home loan banks still is a month off, but already the federal directing board is scanning thousands of applications for direct loans. The volume of requests from home owners was described today by Chairman Franklin W. Fort as a "deluge."

Zane Grey Picture Here Friday

Zane Grey traveled 8000 miles and spent a year and a million dollars to catch the largest fish ever netted. His exploits in tropic waters make thrilling screen fare. Zane Grey (himself) in "South Sea Adventures" will be shown on the Double Feature program at the Craterian theater Friday and Saturday, together with Ricardo Cortez and Helen Twelvretres in "Is My Face Red?"

Argentine Uses Sheets Of Zinc To Foil Hoppers

BUENOS AIRES (AP)—Zinc sheets are the Argentine method of hoppers control. More than 80 million feet of zinc sheets are utilized in a campaign against the crop pests, traps being made by digging trenches and placing the zinc as high curbs on the far side. The trenches are an effective barrier to the "hoppers" before they hatch wings, the pests collecting and being gathered and burned. Recently a bill was sent to congress by the president of the Argentine republic for an appropriation to defray the zinc as high curbs on the far side in the 1931 grasshopper campaign.

Pendleton Opens Annual Roundup

PENDLETON, Ore., Sept. 8.—(AP)—Dust, beaten into small clouds by flying hawks, the yelps of "top-hands" the whooping of bronzed Indian braves, and the roars of applause from crowded arena stands, today opened the 23rd annual Pendleton Round-Up, epic of the western plains.

HOOD RIVER—New Western club, tabernacle of Assembly of God completed and dedicated.

Value Of Body Off 30 Per Cent Says Chemist

RALEIGH, N. C.—(AP)—The chemical value of the human body shows a drop of over 30 per cent in the last five years, says Dr. Arthur J. Wilson, chemistry department head at North Carolina State college. Dr. Wilson figures the per cent value of the human body has fallen from over six cents in 1928 to four cents now. Using beefsteak, lard, sugar and ordinary mineral salts as equivalents of the protein, fats and other components of the body, Dr. Wilson calculated that in 1928 a 150-pound man was worth around \$9, but that at present prices he is worth only \$6.

New York Chilled By Autumn Wind

NEW YORK, Sept. 8.—(AP)—Low temperatures and a high wind sweeping up from the coast threatened today to send shivering New Yorkers in search of fall raincoat. At noon the mercury stood at 53, near the lowest mark on record here for September 8, and the velocity of the wind was 35 miles an hour.

MYRTLE POINT—Automobile body fender and paint shop opened.

RECREATION TOPIC COUNTY LEADERS

A meeting has been called for four o'clock this afternoon in the Y. W. C. A. parlors of representatives of various county organizations, to study the recreational conditions in Jackson county. The committee appointed by Judge C. B. Lamkin: Dorothy Mitchell, Dr. E. W. Shockley and Carl Y. Tengwald, have invited representatives of service clubs, the county court and other groups to meet with them this afternoon. John Bradford, field representative of the Playground and Recreational association of America, with headquarters in New York city, will be a guest at the meeting, and will give suggestions to the committee.

SPIRIT OF '76 LANDS AFTER 96 HOURS UP

FONTANA, Cal., Sept. 8.—(AP)—The endurance plane "Spirit of '76," after being aloft slightly more than 96 hours, was forced to land near here shortly before 2 a. m. today because of a broken oil line. The pilots, John Sheesay and Fred Muriilo, brought the plane to a safe landing.
