

CUBS HIT GRIEF ON INVASION OF BRAVE BAILIWICK

League Leaders Take Two On Chin In Double-Header—Pirates Win Eleventh Straight, Lose Nightcap

By HUGH S. FULLERTON, JR. (Associated Press Sports Writer)

Even though the Cubs and the Pirates are keeping the National League pennant race steamed up so that they almost monopolize the fans' attention, there still is time to consider the case of Charles Fred "Red" Lucas of Cincinnati.

In his seventh season with the Reds, Lucas appears to have reverted to the days when a pitcher was expected to play almost as often as an outfielder.

The husky redhead, who has fallen below the 500 mark in games won and lost only once in his six seasons with a usually weak club, may repeat in that respect again this year, but he seemed certain to lead them all in the matter of finishing what he starts.

Finished 27 Out of 29. Lucas has started 29 games so far and he has been in there at the end of 27 of them. He ran up a string of 18 complete games in a row, failed twice in a short time in mid-July and since then has made a new string of eight. Unfortunately for his record, he has won only 13 games and lost 15.

Lucas took it on the chin again yesterday, although he hurled a fairly good game against the Giants. He had a 5-3 margin in the seventh inning, then ran into a home run assault that brought three runs and cost him the decision.

Cubs Lose Two. The woes that usually greet the leading clubs of the west when they start their final trip of the season turned up on schedule time. Chicago's league-leading Cubs ran into grief in Boston and took a double defeat from the Braves, 11 to 4, and 2 to 0.

The Pirates clipped one game off Chicago's lead by splitting a two-ply program with Brooklyn. They had no trouble winning their eleventh straight game, 8 to 3. Freddy Heilmach's portside hurling proved a bit too much in the nightcap and Brooklyn won, 4 to 2.

Dizzy Dean, who had won his last four games for St. Louis, also felt the effects of going on the road and lost a 5 to 3 encounter to the Phillies.

There were no American league games scheduled.

SEATTLE, Sept. 8.—(AP)—After chalking up his 22nd consecutive victory with a decision over David Yastrow, Mexico City, here last night, Freddie Steele, straight-punching Tacoma welterweight, plans to leave the northwest soon to seek fame and fortune in California and the east.

Steele's manager, Dave Miller, Tacoma, announced that he would take the youngster, who is fast developing into a middleweight, on his first road trip in the near future.

The sober-faced Tacoma boy, who packs a knockout wallop in either hand, is rated as the best American welterweight in the northwest. He has cleaned up the boxers of his weight in this region and intends to go after bigger game this winter.

When needing duplicating sales books, flat-packs or fan-fold cash register forms, ledger sheets for bookkeeping machines or any other kind of printing, don't order from cut-throat firms and pay more. Phone 75 and one of our representatives will call.

BABE RUTH ILL; FEAR APPENDICITIS

DETROIT, Mich., Sept. 8.—(AP)—The pennant-bound New York Yankees today were without the services of their premier slugger, Babe Ruth, who left suddenly for New York last night, explaining to Manager Joe McCarthy in a long distance call that he was ill.

Mark Roth, club secretary, said Ruth told McCarthy, who had remained in Buffalo, N. Y., over the open date, that he had been seized with abdominal pains and feared he had appendicitis.

In New York, Roth said, the Babe will be examined and treated by the club physician. In the absence of definite information, neither Roth nor Arthur Fletcher, Yankee coach, would discuss the possibility that the club might have to go into the world series without its famous home run hitter.

French Athletes Give Impressions Of Olympic Visit

PARIS, Sept. 8.—(AP)—Happy over their 12 victories in Los Angeles, the French Olympic team came home with a stock of tales about America and Americans.

Philippe Cattiau, a member of the fencing squad, said, "American cooking is really delectable."

"America," said Jacques Lebrun, yachting champion, "is the country of the automobile; and a machine for \$3."

Rene Bondoux, young attorney, also a member of the fencing squad, described an American as "a man who believes he is always in a hurry."

What struck the entire French squad was American discipline. They recounted many stories about the orderliness by which the Olympic games were ruled and how pedestrians crossed the street on police signals.

START FOOTBALL PRACTICE EARLY AT HIGH SCHOOL

By Adrian Fraley.

In response to the football call issued Tuesday, over 40 members responded to try for a position on the Tiger team. Tuesday night suits were issued and practice was called for Wednesday night, starting the grid season in earnest.

Many of last year's veterans have graduated, therefore, there are many holes to be filled in the line. There are about 13 veterans back to don suits.

New prospects look exceptionally well this year, and it is believed that many of the veterans will have to fight to retain their old positions.

This year's team will miss the services of Cunningham and White, tackles, and Shreeve at end. Harrington will no longer call signals for the Red and Black. Graves, who played end last year, will be back, but will probably be shifted to another position.

Max Rae, Ed Bennett and Tom White will probably vie for the end positions. Kindred is working for the center post. Last year's guards are back, and are expected to show real form early in the season.

Glem and Minner are the guards who upheld the honors of last year. New material will be added to shape for the tackle positions. Fichtner, Schiel, Glinisky and Knips will be back to fill positions in the backfield.

This year the Tigers are getting underway early in the season because of the games which come shortly after school opens. The Red and Black have a game scheduled in two weeks.

The squad, so far this year, is as follows: Glem, Knips, Lindley, Fichtner, Graves, Glinisky, Bennett, Shaw, Seiffert, Latham, White, Minner, Kindred, Paxton, Gehlardi, Hammock, Stead, Prentice, Putney, Fraley, Stewart, Grove, Peart, Vandervoer, Estes, Cowden, Stinson, Moore, Williams, Andrews, Childreth, Sheets, Jordan, Kunzman, Eittinger, Sparks, Moffat, Lusk, Herron, Litteral, Domonich, Merritt, Knox and Ottoman.

OREGON GOLFERS SHOW FINE FORM

BALTIMORE, Sept. 8.—(AP) Maurice J. McCarthy, Jr., one of the United States Walker cup youngsters who helped turn back a British invasion at Brookline last week, led his teammates and opponents to the Five Farms for practice for the national amateur tournament opening next Monday.

McCarthy arrived yesterday and played nine holes. He kept no card, but his partner, Eugene Homans, finished in the 1930 tourney at Philadelphia, turned in a 35.

Low score for the day's play was

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing, your food doesn't digest. It just decays in the bowels, the bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, meaning when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931 C. M. Co.

reported by Johnny Robbins of Portland, Ore., who had 72, two over par, considered remarkable for the strong northwest wind blowing over the course. His fellow townman and a partner, Frank Dolp, registered a 87 on the homeward nine.

Jack Gibbs and Jack Crim, who meet in the ring here Wednesday, are two of the best left hook alingers among the northwest scrappers.

The left hook, long the most deadly and feared punch in a boxer's repertoire of tricks, will be on display when Crim and Gibbs climb through the ropes at the Armory.

San Francisco sport writers recently classed Gibbs as the greatest left hook puncher to appear there in years.

Jack Crim is no slouch with the punch himself, and has laid low some of the toughest in the northwest with his favorite.

Herb White and Herm Newland are training with Gibbs and learning some of the finer points of the manly art of self-defense.

White is training like he never trained before, and says that if Jimmy Lewis, his opponent in his first 10-round bout, is in there for the final 10-round song he'll know he's been in a fight.

Newland will box four rounds with Ray Henderson of Portland.

LEFT HOOK STARS CLASH WEDNESDAY

Starting with two pegs in a vacant lot, horseshoe fans in Medford, Ore., have worked away until they now have a modern, five-court playing ground in the city park, close to a fountain of the Butte Springs water for which Medford is noted.

These fine courts were made possible through the hearty cooperation of the mayor and city councilmen who were anxious to see that Medford kept up with the times.

Horseshoe players in the town guarantee that the playing grounds will be kept in good shape so that they will be an attraction and a place of interest, giving otherwise idle folk a chance to combine fun with a mild exercise. All visiting pitchers will be welcomed.

The Medford club has elected the following officers to guide its destinies for the following year: W. W. Cameron, president; G. E. Shell, vice-president; and E. E. Walters, secretary. — Western Horseshoe Pitchers Journal.

THE FLYING POWER OF FLYING A

Know what "aeroplane performance" means!

One tank-full of "FLYING A" will convince you that there is a big difference in gasolines. You feel the difference.

This new Aero-type Gasoline brings you a new sensation in motoring—the feel of flying power. It gives you aero-plane performance in your car.

The tough hills that pulled you down, the occasional sputtering get-away—these vanish. Highways become airways with "FLYING A." You have flying power—smooth, constant, never failing.

And there's a very good reason for this "aero-plane performance." "FLYING A" has the same octane stability required in the finest aviation gasolines. It holds its flying power under every driving and weather condition. It is anti-knock no matter how hard or fast you drive.

Give wings to your car, old or new, with a tank-full of "FLYING A" Gasoline from the smiling

Associated Service-man at the red, green and cream "FLYING A" pump.

4 Exclusive Developments

1. Octane stability—sustained anti-knock performance no matter how hard or fast you drive.
2. Heart-cut of the crude, only vital gasoline fractions retained.
3. Equi-fractionating process, to assure Starting, Pick-up, Power, Speed and Mileage; not just one alone.
4. Climatically Correct, in accord with weather conditions where and when you buy it.

The diamond-painted pumps offer Associated Ethyl Gasoline with "FLYING A" as a base.
