

GIBBS AND WHITE WIN IN 3RD ROUND OF ARMORY BOUTS

Jack Gibbs knocked out Jack Crim of Klamath Falls in the third round of the final main event of the fight card at the Armory last night and Herbie White of Butte Falls knocked out Jimmy Lewis of Spokane, Wash., in the third round of the first headline event.

Gibbs floored the Klamath Indian twice in the first round, battered him heavily in the second stanza, and at the start of the third, when Crim started a two-fisted attack, floored him for the count with a terrific jab to the pit of the stomach.

Referee Welsa hesitated a moment before raising Gibbs' hand.

Gibbs was master of the situation from the start. Crim claimed a foul, by an examination by Dr. Kresse, commission physician after the bout failed to reveal any trace of one.

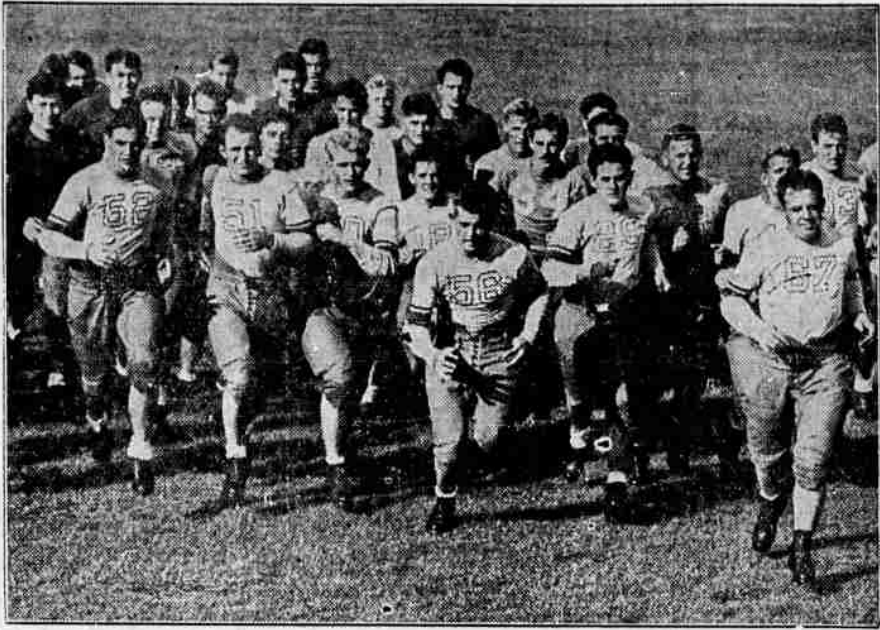

Jimmy Lewis had the best of White in the first round, and landed heavily to the jaw. In the second round White landed heavy body blows, and floored Lewis twice in the third.

Both Crim and Lewis were second-rounders in the finishing slap.

The curtain raiser between Ed Gilmore of Medford and Ray Harris of Phoenix was furious. Harris was declared the winner, after he had knocked Gilmore down for counts in the second round. Gilmore weathered the storm and socked his foe plenty. It was good entertainment.

Herm Newland, once a star halfback of Medford high team was knocked out in the second round by Ray Henderson of Hoquiam, Wash. It was Newland's maiden fight, and his inexperience was fatal. Henderson showed little beside a good right hand. Newland was floored once before the finishing slap.

THE BOYS ARE AT IT AGAIN; GEORGIA TECH GETS BUSY

This picture might have been taken nearly anywhere in the United States. However, it happened to be at Georgia Tech where 1932 gridiron candidates were galloping through some limbering up exercises. Tech's gridgers, heavier than usual, are expected to scrap for Dixie football honors. (Associated Press Photo)

PORTLAND TO HEAR ROOSEVELT VIEWS ON POWER PLANTS

ABOARD ROOSEVELT SPECIAL, EN ROUTE TO DENVER, Sept. 15.—(AP)—An adviser to Governor Roosevelt said the Democratic presidential nominee's speech on the farm problem, delivered yesterday at Topeka, has been several months in the making and was reviewed by many farm leaders, economists and financiers.

The Associated Press was advised that Mr. Roosevelt began assembling information on the farm situation as early as last April so it would be immediately available in event the New York governor was nominated.

Mr. Roosevelt intends to deal further with the farm problem and the tariff at St. Louis, Mo., on September 29.

Governor Roosevelt has planned to deliver three more major speeches during his three weeks' swing around the United States. There will be one dealing with the railroads—either in Salt Lake City or in San Francisco, he had not decided which last night—one on public utilities in Portland, Ore., and the third at St. Louis City.

When needing duplicating sales books, flat-packs or fan-fold cash register forms, ledger sheets for bookkeeping machines or any other kind of printing, don't order from out-of-town firms and pay more. Phone 75 and one of our representatives will call.

Winning the pennant, Tulsa marked up its sixth Western League title in 12 years.

LOGGER'S AXE WINS FROM IDAHO BEAR

KEELOGO, Idaho, Sept. 15.—(AP)—A battle to the death between a 400-pound bear and a logger armed with an axe, with victory going to the logger, was told about here today.

J. J. Sevdry, the logger, said the bear came lumbering towards him while he was working on the North Fork in the woods.

He swung the axe, he added, and the bear dropped, his head nearly severed.

CUBS EASE ALONG TOWARDS PENNANT AS PIRATES LOSE

By GAYLE TALBOT.
 (Associated Press Sports Writer)

As the Chicago Cubs continue to back in a little closer to the National league flag day by day, gradually winning the thing by default, so to speak, their manager is perfectly satisfied with their conduct and steadfastly refuses to view with alarm.

Charlie Grimm wants it that way. Not that he wouldn't like to win every day. He's in there fighting on every pitched ball, but he isn't in any great hurry to sew up the pennant. He wants his team to remain keyed up as long as possible, doesn't want them to have an extended "let-down" before they meet the Yankees in the world series.

The Little Bears lost to the New York Giants yesterday, 4 to 3, when Freddie Lindstrom hit a home run in the 11th inning, but it didn't damage their status any to speak of, as the Pittsburgh Pirates were dropping another game to Boston, 5 to 2. The Cubs thus remained 5 1/2 games in front with 11 games to play, making it possible for them to clinch the title with seven more wins. A triple play, started by Bill Urbanski, enlivened the Braves' victory over Pittsburgh.

Brooklyn climbed within 2 1/2 games of second place by taking the St. Louis Cardinals again, 3 to 1, behind Van Mungo's steady curving.

The Phillies subdued Cincinnati, 4 to 1, as Big Roy Hansen limited the Reds to four hits.

Some of the Yankee veterans took a well-earned rest, but the "Jayvees" were able to beat the Chicago White Sox, 3 to 2. Walter Brown, making only his second start of the year for the champions, allowed but six hits until the ninth inning. Detroit whaled four Washington pitchers to win an 8 to 3 verdict.

Jimmie Dykes' home run with two out and the bases loaded in the ninth round, set off an eight-run rally that saw the Athletics submerge St. Louis, 13 to 6. Mel Harder kept seven hits scattered in pitching Cleveland to a 9 to 0 win over the Red Sox.

PORTLAND'S LEAD CUT TO 3 GAMES

(By the Associated Press)

Hollywood advanced to within three games of the leading Portland club by beating Sacramento Wednesday night while the Beavers were losing to San Francisco. The Seals went into a three-way tie for third place with Los Angeles and the Senators.

The Seals made it two straight from Portland by winning, 8 to 4, finding little difficulty in touching Bill Shores, ace pitcher of the Ducks, last night. Jimmy Zinn pitched tight ball for San Francisco until the eighth, when three runs were scored off him. The Seal batters stole five bases at the expense of Palmisano, Portland catcher. Batteries: San Francisco, Zinn, Douglas and Brenzel; Portland, Shores, Peterson and Palmisano.

Hollywood's Stars chalked up their fifth straight victory by beating Sacramento, 5 to 4, in 11 innings. Vance's home run following a single by Allen Strange in the final frame turned the tide for Hollywood. Each team reached two opposing pitchers for 11 safeties.

Lynn Nelson, Seattle moundsman, held Los Angeles to five hits as the tribe won, 3 to 1. It was Nelson's 21st victory this season.

The Missions took their second game of the cellar championship series with Oakland, 4 to 3, by touching Roy Joiner for 12 hits. Sherlock, Mission second baseman, tripled in the fifth inning to score Hoffmann with the winning run.

MAYOR WAGERS ON SPIDER; WON'T STOP TILT WITH SNAKE

ST. CHARLES, Ill., Sept. 15.—(AP)—Science is predicting victory for the common black spider in its long fight with the 10-inch garter snake around which it spun its web 24 days ago.

Suspended in the air, with its head enmeshed in a strong silken rope, the snake began its 25th day of struggle to disengage itself, but, in the opinion of Walter Necker of the Field Museum of Natural History, there is no chance to escape.

Under a magnifying glass the reptile was seen to be as securely bound as though held in chains or iron.

An investigator for the Illinois Humane society asked Mayor I. G. Langum to stop the struggle. Mayor Langum, who is betting on the spider, refused to interfere.

ELKHART, Ind., Sept. 15.—(AP)—Coroner Eugene Holdeman is investigating the death of Eugene Clark, 14-year-old grade school pupil, from injuries received in a boxing match with Frankie Farr, 14. Clark suffered a brain hemorrhage.

SALEM POST WINS NATIONAL HONOR

PORTLAND, Ore., Sept. 15.—(AP)—Before an enthusiastic crowd of 20,000 that filled the Multnomah stadium last night, the Salem, Ore. drum corps, three times runner-up in the national competition, was crowned national champion drum and bugle corps of the American Legion.

In addition to this honor, carrying with it the coveted Miami colors, the Crevision trophy and the \$1000 cash prize the Salem corps also produced the national champion drum major, Major Charles A. Whittemore, who won his laurels earlier in the day.

In the most colorful attraction of the Legion, aside from the big parade, the capital city post won the championship from a field of 12 worthy competitors, South Pasadena, Cal., with a 50-man corps, was a close second, Rainier, Noble Post, Seattle, third. Bend won sixth place, Boise eighth, La Grande ninth and Corvallis eleventh.

Fayetteville, Ark., Boy Scouts began in August repairing broken toys for distribution by welfare agencies for Christmas.

ARKANSAS SQUAD RESORTS TO HENNA

FORDYCE, Ark., Sept. 15.—(AP)—There's not a player on the Fordyce high school football team who would not "dye" for dear old Fordyce.

Every player on the squad, even to the waterboy, has dyed his hair a flaming red in a wave of school ardor to be distinctive and live up to the name of the Athletic team—the "Red Bugs."
