

### BALL TO ADDRESS KIWANIS ON ZORN COLLEGE MERGER

Roger Ball of Oregon State College, recommended as an inspiring speaker, who may change even the minds of southern Oregonians on the bill for merging of the state's schools of higher learning, will be speaker next Monday at the noon luncheon of the Kiwanis club at the Hotel Medford and a large attendance is urged to greet "the other side of the question." Ball's acceptance of the invitation to speak here was announced yesterday by Everett Faber, program chairman. He said he had promised the Corvallis man that no tomatoes would be thrown until he gets well out of reach of them, whatever his arguments propose.

An interesting musical program is also scheduled for next week's meeting of the club. The Baitz Bros. of Eagle Point, well known entertainers, will appear in several songs and mandolin numbers.

One week from next Monday a speaker, opposing the Zorn-McPherson bill will address the Kiwanis club. His name has not been announced, but he will be a good speaker, Mr. Faber promises.

Education of all members regarding the school merging bill is the aim of the Kiwanis committee and a good attendance will be the first requirement in advancement of this program.

### CENTRAL PT. GRANGE MEETING DISCUSSES BETTERMENT NEEDS

CENTRAL POINT, Sept. 23.—(Spl.) Grange met Friday night, Sept. 16 with a slight decrease in attendance owing to illness in several families and to rush of work among others. Means of bettering present conditions were discussed from many angles.

District Deputy Organizer Arthur Brown was in attendance, and gave an interesting talk and other visitors also contributed valuable ideas after which Lecturer Edith Bohner took charge of the meeting, which consisted of group singing, a humorous reading by Arthur Brown, stunts, etc., after which all were treated to a watermelon feed by the H. E. C. committee in charge.

Grange members were asked to remember that "booster day" comes on Friday, Sept. 30, and will be at Jacksonville all day and in the evening, each family to come prepared with lunch.

### Central Pt. Church Women Soliciting Relief Donations

CENTRAL POINT, Sept. 23.—(Spl.) Ladies' Bible class of the Central church held their monthly party at the home of Mrs. Gebhardt, Wednesday with 35 ladies in attendance.

An interesting feature of the occasion was a talk by Miss Irene Downing, relating to her work as a missionary in Ecuador and of the customs of the natives. Miss Downing has spent five years in Ecuador and is in Oregon on a furlough.

The relief committee of the Federated churches requests donations in the way of fruit jars, food, clothing and money—or anything that may be useful in relieving distress that is not realized unless one comes in direct contact with it. The season for canning is swiftly passing and early response is hoped for.

### Granger's Brother Runs For Senate

THE DALLES, Ore., Sept. 23.—(P) Frank M. Gill, brother of Ray W. Gill, State Grange master, today announced himself as independent candidate for state senator from Hood River and Wasco counties. He will oppose P. J. Stadelman, Republican, of Wasco county, and J. H. Hazlette, Democrat, of Hood River.

### La Grande Normal Enrollment Grows

LA GRANDE, Ore., Sept. 23.—(P) Enrollment at the Eastern Oregon Normal school reached the 220 mark today, which is greater than the total registrations for the fall quarter last year. President H. E. Inlow announced that he expected this figure to increase during the coming week, as registrations have not been completed.

### Connecticut Race Declared Close

WASHINGTON, Sept. 23.—(P) Senator Bingham (R., Conn.), after a conference today with President Hoover, said he had reported the campaign in his state would be "close and will require a hard fight."

### TEACHERS' MUSIC STUDY GROUP TO MEET OCTOBER 1

Miss Harriet Baldwin, supervisor of music in the Medford schools, announces that the first meeting of the Jackson County Teachers' Music Study group will be on Saturday, October 1, at the senior high school in Medford. The first meeting will be given over to discussion of Miss Baldwin's plan for the year, and to getting an informal organization formed. Every teacher in the county interested in music is cordially invited.

Mrs. Minnie Guy, supervisor of music in the Rogue River and Gold Hill schools, reports the unusual number of 40 girls and 35 boys enrolled for glee club work in the Rogue River high school. For this size of school, this is a record turnout.

For a wonderful view of the valley there is no spot more advantageous than the site of the Independence school just back of the Edgewale orchards. The eighty location makes this school a place which could be made one of the most beautiful spots in the valley. It is a short drive of about three miles out the Voorhies Lane and through the Edgewale orchard, and from there there is a wide panorama spread before the eye that is well worth the drive.

The schools of the county are co-operating with the organized departments engaged in welfare work to the best of their ability. Each community centering around a school district is willing and anxious to serve under wise and proper guidance. They want to know that their work is worth while.

### TABLE ROCK SCHOOL BUDGET IS ADOPTED

TABLE ROCK, Sept. 23.—(Spl.)—By a vote of three for and two against the school budget made out by the board for next year's needs was adopted at a meeting Monday night.

The budget, as adopted, was an increase over the amount asked for a year ago and called for the same salary schedule in effect here for the past two years. Those opposed claimed that a cut was due, owing to the lower cost of living, the tremendous cut in taxpayers' income and the fact that a surrounding district had made drastic cuts.

### Four Gangsters To Face Gallows

PORTLAND, Ore., Sept. 23.—(P) George Harwood, William Pasch, Tony O. Camilli and Theologos Pizanis today faced first degree murder indictments returned against them by the Multnomah county grand jury, for the fatal shooting of Merle G. Barr here September 6.

Barr was shot when he told two robbers who entered his apartment that no money was hidden there.

### 20 YEARS OF ILL HEALTH

Then Mrs. Duke Discovered Kellogg's ALL-BRAN

Of her own accord, Mrs. Duke sat down and wrote us a glowing tribute to Kellogg's ALL-BRAN:

"I have been constipated all my life, which has been about 20 years up until last year when I started eating your ALL-BRAN. Since I have been eating it, people tell me I am looking better, and I am sure that I feel a great deal better."—Mrs. L. W. Duke, 210 Hardin Ave., College Park, Ga.

Constipation is usually caused by lack of two things in the diet: "Bulk" to exercise the intestines; Vitamin B to help give them tone. Kellogg's ALL-BRAN provides both of these dietary necessities, as well as iron for the blood.

Within the body, the "bulk" in ALL-BRAN forms a soft mass, which gently clears the intestines of wastes.

How much more natural it is to enjoy this delicious cereal than to risk taking pills and drugs—so often harmful.

Just eat two tablespoonfuls daily—serious cases with every meal—for most types of constipation. ALL-BRAN is not habit-forming. If your intestinal trouble is not relieved this way, see your doctor.

Sold in the red-and-green package. Made by Kellogg in Battle Creek.
