DIAMOND CLASSIC WILL BE CARRIED TO RADIO OWNERS

Fast and Accurate Service On Great Sport Event Is Promised—Wednesday Is Opening Day in New York

When the Chicago Cubs and New York Yankees meet on the diamond for the colorful 1932 world's series this week, the returns, direct from the field of play, will be broadcast by The Mail Tribune over KMED. Radio sport fans will welcome the announcement that an accurate and speedy Associated Press play-by-play account of the big games will be broadcast right into their homes as an outcome of the new arrangement between KMED and The Mail Tribune, completed today, which affords the radio audience of the local station regular news service furnished by The Mail Tribune.

Available at Office. KMED's Tribune baseball broadcast will be also given to sport fans who assemble in front of The Mail Tribune offices during the series. The first two games will be played in New York, the next three in Chicago and, if more games are necessary to decide the series, New York will again be the scene of the final clashes. With Koenig expected to lead the big hitters for the Cubs and Gehrig heading the batting order for the Yanks, sport fans may expect a series of ball games filled with action. It will also be interesting to fans to size up youthful Stanley Hack, who appears in his first world's series this year.

First of Series. The broadcast of the world's series this week will be the first of a series of interesting sports broadcasts planned by KMED with the co-operation of The Mail Tribune. Big games on the gridiron and other sport events will be furnished radio fans this fall and winter.

TIGERS POINT FOR DUEL WITH YREKA NEXT SATURDAY

Medford high school football squad started drilling for its game next Saturday here with the Yreka high school squad, and was cheered by the return to practice of "Red" Scheel, the flashy halfback of last year, and Hammick, a 170-pound center, who re-entered school today. Hammick has been working. Scheel will give the squad another top-notch back, and Hammick, who was second string center last season, will strengthen that position. In Saturday's game, the Burghermelsters showed plenty of drive and power, but revealed lack of practice in their teamwork. The line, big and heavy, played together. The backfield fumbled, as expected in an early season game. Coach Burgher will start drilling precision into his squad this week. By the middle of the month Medford high will be no push-over for any high school squad in the state.

Klamath Falls toppled Alturas, 64 to 0 Saturday. The Alturas team, according to reports, offered no resistance, and the Pelicans ran wild. Dunsmuir, Calif., defeated Ashland, 7 to 0, and Grants Pass played a scoreless game with North Bend in first games for southern Oregon squads.

The schedule for the Medford team, other than the game next Saturday here with Yreka, calls for a game Saturday, October 8, with Roseburg. The following Saturday Medford goes to Marshfield. October 22, Grants Pass plays here, and the following Saturday, October 29—Klamath Falls plays here.

November 8 and November 11 (Armistice day) are open dates on the schedule, but will probably be filled by upstate teams. November 19 the Burghermelsters will play Corvallis at Corvallis, and will close the season with the annual Thanksgiving day game at Ashland, with Ashland.

To Face Gibbs Wednesday

Prisco McGale, Seattle's colored fighter, who will swap punches with Medford's heavy hitting Jack Gibbs at the armory Wednesday night in the ten round main event of what is expected to be one of the outstanding fistie cards offered southern Oregon fight fans by Promoter Mack Lillard. McGale boasts a colorful record in northwest fight circles but Gibbs packs a punch which if landed, will drop any opponent.

STARS GAIN ON SKIDDING DUCKS AS END LOOMS

The Coast league pennant race tightened over the week-end as the Hollywood Stars gained a half game on the Portland Ducks and drew up to within two games of the league leaders. The Duck walloped Los Angeles, 17 to 12. Saturday night and divided a doubleheader Sunday afternoon, while the Stars won their Sunday doubleheader with Oakland. In the twin bill at Portland Sunday, the Ducks took the first game, 4 to 1, and dropped the second to the Angels, 5 to 1.

A steady mound performance by Frank Shellenback in the first game and timely club work by the Stars in the second game, gave Hollywood its twin win over Oakland at Los Angeles Sunday, 5 to 3 and 9 to 5.

Sacramento took all three of its week-end games with the Missions at San Francisco, winning a 12-inning pitchers' battle on Saturday, 3 to 2, and the two Sunday games, 5 to 2 and 5 to 4.

The San Francisco Seals took the opening half of Sunday's doubleheader at Seattle, 5 to 3, but were

nosed out by the Indians in the seven-inning nightcap, 7 to 6. Games this week: Missions at San Francisco, Sacramento at Oakland (night), Hollywood at Los Angeles (night), Seattle at Portland (night). (No games Monday.)

PICK SCHMELING TO TRIM WALKER

NEW YORK, Sept. 26.—(AP)—To the betting fraternity, Max Schmeling is a 3 to 1 shot to whip little Mickey Walker in their 15-round heavyweight match in Madison Square Garden tonight, but Mr. John H. Fan seems to have another idea. Otherwise there's no explaining the heavy advance sale reported by the Garden nor the apparently reliable predictions of a "gate" of around \$200,000 and a crowd of 80,000 or more.

Perhaps the largest percentage of prospective customers recall the July night last year when Mickey stepped into the ring to face Sharkey, now the heavyweight champion. The Rumbles, N. J., gambler conceded Sharkey 30 pounds in weight and every other physical advantage that night yet gained a draw in 15 rounds and, in the opinion of some critics, was clearly entitled to the decision.

The fight was to go on between 9:30 and 10:00 o'clock, eastern standard time. There will be no broadcast of the main bout.

CONTRAST SHOWN IN RECORDS TWO SERIES ENTRANTS

By Associated Press. The records of the New York Yankees and the Chicago Cubs for the 1932 season furnish a study in marked contrasts as the teams await the signal that will send them against each other Wednesday in the world's series.

The Yankees ran away with the American league flag, finishing with the second-highest percentage ever recorded by a pennant winner in the junior circuit, .692.

The Cubs won only after a terrific battle and then were only one game ahead of the lowest mark that ever won a National league flag.

One point of similarity cropped up yesterday when each team lost its final game of the season to a last place club, the Yanks succumbing to the Boston Red Sox, 8-3, and the Cubs going down before the Cincinnati Reds, 5-3.

Two places in the National league final standing were not decided until the final day. Philadelphia took fourth by winning the second game of a doubleheader from the New York Giants, 6-3, after losing the first, 5-3. The single victory kept Boston out of it, even though the Braves trounced Brooklyn, 13-7. The Cardinals lost the first in a twin bill to Pittsburgh, 7-1, and won the second, 7-4.

The runaway race in the American league did serious damage to attendance figures, but as a whole it was a fair season financially for most of the club owners.

Fox's trifle short of equalling Ruth's major league home run record of 60, but his 56th circuit wallop furnished one of the high spots of the closing day. It came in the ninth inning as the Athletics lost a 2-1 decision to Washington. In other American league games yesterday, Detroit took a 2-4 decision from St. Louis and Cleveland and Chicago played a 5-5 tie in the second game of a doubleheader after the Indians had won the first, 6-4. Darkness stopped the game after the fifth inning.

FARMERS PARADE WILL BE ORDERLY

WASHINGTON, Sept. 26.—(AP)—Guest at the White House for the week-end, Harrison E. Spangler, Republican national committeeman for Iowa, today told newspapermen he expected the announced monster demonstration by striking farmers during President Hoover's campaign appearance in Iowa would not materialize on any big scale.

Later, in Des Moines, Milo Reno, head of the "farmer's holiday" movement, said every effort would be made to make the demonstration "an orderly parade of farmers." He added that "there is no intention to insult the dignity of the office of the president of the United States."

SERIES WILL SEE LITTLE FANCY MASTER MINDING

By Alan Gould. (Associated Press Sports Editor.) NEW YORK, Sept. 26.—(AP)—The probabilities are that fast balls, shoulder-high and inside, and base hits, high and outside the park, will play a much bigger strategic part in the world series between the Yankees and Cubs, starting Wednesday in the Yankee stadium, than any masterminding from the dugout or on the ball fields.

For the first time in years, old-fashioned straightaway baseball appears likely to dominate the championship proceedings, minus the factors of score-card warring or other inside stuff calculated to confuse the combatants as well as the spectators.

Joe McCarthy, big, silent leader of the old school, will rely on the big punch of Ruth, Gehrig, Lazzeri, Dickey and company to pull the Yankees through to their third successive world series triumph, meanwhile juggling a versatile corps of pitching sharpshooters to get the best results. Marse Joe's strategy was under fire when he managed the Cubs in 1929, but it always looks bad without base hits and good pitching.

Likeable, good-natured Charley Grimm, holding down first base himself, will depend on the hustling pinch-hitting ability of his team, plus the resources of a great right-handed pitching staff, to pull the Cubs through a world championship.

The Chicagoans are outclassed when it comes to long range firing from either side of the plate, but their pitching staff appears in better condition, they have a sharper defense and more speed, man for man, than their rivals.

With the 1931 record in evidence of how the Cardinals upset the heavier-hitting Athletics, as well as Grove and Barnshaw, by outthrusting their rivals, the Cubs have every reason to dash into the fray briskly and, if possible, throttle the Yankee attack before it has a real chance to get under way.

Mar Spring Surprise. If any major surprise is sprung in pitching strategy, the Yankees now appear likely to pull it off by inserting their 230-pound former bullpen pitcher, Walter Brown, into the lot of starting pitchers. Brown's sensational work in winning three games within the past two weeks has inspired confidence in his reliability, especially if Lefty Gomez and Red Ruffing do not look any better in the series than they did in their last few work-outs.

It will be recalled that Connie Mack caught the Cubs by surprise in the very first game of the 1929 series by shooting Howard Ehmke's side-arm delivery at them. Before

they recovered from this shock, the Bruins were hopelessly beaten back and unable to pull themselves together except for one masterful game pitched by Guy Bush. It will be well, therefore, for Grimm's men to be prepared for any emergency, rather than to take the Yankee's publicized advance plans for granted.

Bush will draw the opening box assignment for the Cubs, with Charley Root, Lon Warneke and Pat Malone due to work behind him in that order.

KLAMATH DRUBS ALTURAS, 64 TO 0

KLAMATH FALLS, Sept. 26.—(AP)—Klamath Union high school's football supporters were still in a daze today after the Pelicans' defeat of Alturas, 64 to 0, on Modoc field here Saturday. The records fail to show any such overwhelming victory by a Klamath football team in years and a shock of the local team in the southern Oregon high school conference is today enjoying a bull moment.

Gaels Drub Army 20-0 In Opener

SAN FRANCISCO, Sept. 26.—(AP)—St. Mary's Galloping Gaels took up practice at their Moraga home field again today after opening their football season in Kesar stadium here yesterday with a 20 to 0 victory over the West Coast Army.
