

GREATER OREGON WOMEN OPPOSED TO SCHOOL PLAN

PORTLAND, Oct. 2.—The largest organization of women in the state today went on record as opposed to the Zorn-MacPherson school moving bill when directors of the Women's Greater Oregon association with a membership of more than 23,000 throughout the state unanimously declared against the bill because its extravagant waste will increase taxes in a general juggling and upheaval of our higher institutions of learning.

The Women's Greater Oregon association is a voluntary organization of the leading women in various sections of the state. Its objectives are to advance civic, business and educational interests from a standpoint of state welfare.

Mrs. Read M. Ireland is president; Mrs. J. George Keller, state chairman, and Mrs. C. H. Bundell, secretary-treasurer.

In a joint statement issued by them they said: "At the state board meeting and after very thorough and deliberate discussion the organization went on record as opposed to the Zorn-MacPherson initiative measure because this juggling and mixing of our schools would be a great burden to our already over-burdened taxpayers. To abandon some plants, to adopt others to new purposes and not even yet authorized by the state legislature; to erect new buildings and move everything about, would serve no good end. The association will oppose it because its extravagant waste will increase taxes and lessen efficiency of our higher institutions of learning."

The resolution, as adopted, is as follows: "Whereas, the Zorn-MacPherson bill would establish four new institutions of higher education and destroy all the state's present system of education.

"Whereas, the advance of education is one of the prime essentials and purposes of our organization;

"Whereas, passage of this bill would plunge the state of Oregon into large and unnecessary expense;

"Whereas, passage of this bill would cause the waste of a large amount of state and private funds;

"Whereas, it would lower the efficiency of higher education in the state of Oregon;

"Accordingly, it is resolved that this organization and the members of the board therefore express their opposition to the said bill and their recommendations that they all vote thereon ballot number 317 (X) No."

The association has affiliations in practically every county of the state of Oregon. Included in its membership are more than 1100 women identified with the various farm granges.

STUDENTS DECIDE ACTION ON CRATER

At the session of student court conducted last week at the senior high school, with David Lowry presiding as judge, it was decided by the jury that the present Crater publication organization will not be required to pay the debt incurred by last year's staff. Dick Slight, editor for this year's magazine, and presented his own case, with Max Rae acting as prosecutor.

Members of the jury were Conway Latham, foreman, Lucian Clement, Maurice Scheel, Katherine Stearns, Margaret Warner and Barbara Wall, clerk.

Four members of the court are the president of the student body, president of the senior class, president of the City League and business manager, who are ex-officio members. Bill Cummings, Conway Latham, and Dick Slight were named, due to their activity and standing among the students.

SHINA KADO IS TAKEN BY DEATH

Shina Kado, wife of John Kado, well-known resident of Medford, passed away at the family residence, 516 S. Central avenue, Sunday at 11 a. m. after a very short illness. They have lived in Medford for the past 26 years, coming here from Japan. She was born at Kiroshima, Japan, May 24, 1884. John was employed at the Elks' club for many years, and was assisted by Mrs. Kado. They have a large circle of friends who will mourn her passing.

She leaves her husband, John, of this city, four sisters, K. Yamashita of Medford, Oregon, J. Takinaka, T. Tsuboi, K. Takinaka of Japan and two brothers, J. Hirakawa and K. Hirakawa of Japan. PAUL SMITH'S CAR PLUNGES OFF END COOS FERRY SLIP

(Continued from Page One)

did not know they were on the ferry slip until it was too late.

Married Year Ago.

Mr. Smith was married only a year ago August, to Miss Johnnie Fleet, daughter of Dr. and Mrs. J. B. Fleet of New Franklin, Mo. He had been with a shipping company here for two years, coming to Portland from Medford where he was in the lumber business with a brother. His parents Mr. and Mrs. A. N. Smith of Roseburg, were in Portland when word of the fatal plunge was received. Besides his widow and parents he is survived by two brothers, Ralph of Roseburg and Allen of Medford. He attended the University of Oregon and was a member of Phi Delta Theta fraternity.

Mr. Meeker was unmarried. He is survived by his parents, Mr. and Mrs. E. W. Meeker of Portland.

Paul Smith, brother of Allen Smith of this city, was very well known in Medford, having been associated with his brother in the Rogue River Lumber company here for eight years. The lumber yard was destroyed by fire last spring. Mr. Smith left Medford two years ago to enter business with a shipping company in Portland. He was married last year in Portland to Miss Johnnie Fleet, daughter of Dr. and Mrs. J. B. Fleet, who was instructor of history, economics and English in the Medford high school for three years of 1928 to 1931. Both Mr. and Mrs. Smith were popular in local social circles and are remembered here by a host of friends.

Brother to Scene.

Allen Smith was called to Roseburg yesterday by the tragic news of his brother's death, and is continuing to the coast with his brother Ralph.

Mrs. Paul Smith was in Portland with her sister when the accident occurred. No further details of the tragedy had been learned here today.

Slow Back Swing Disrupts Rhythm

R-M-M-M-WONDER WHY I MISSED THAT LAST ONE?

That all important factor—rhythm—is ruined if the back swing is too slow. You will notice that whenever a golfer brings his club back very slowly he has a tendency to lose his balance on the follow through.

If the clubhead lacks the right momentum as it contacts with the ball, the shot is always dubbed. By hesitating too long over the swing and deliberating too closely as you bring the clubhead back you give yourself just that much more time in which to think of all the bad points of your game.

The swing is complicated just a little further, and in the effort to do three things right you are quite certain to do six things wrong.

Speed up your swing, get the clubhead in to the ball ahead of your hands and keep your head down, and don't try to think of anything else. These are the essentials.

CALL FROM CHICAGO FRIEND BRINGS JOY TO MRS. A. W. MASON

Introducing a very cheery note into the convalescence of Mrs. A. W. Mason of this city, who recently underwent a major operation at the Community hospital, her friend, Mrs. E. G. Waters of Chicago, telephoned her from the eastern city Saturday evening.

Mrs. Mason, who was thrilled almost to the point of immediate recovery by the glad news, was moved to a portable telephone at the hospital and there chatted for several minutes, hearing clearly the voice of Mrs. Waters, bringing best wishes for her recovery. Mrs. Waters formerly lived in this city, where Mr. Mason was employed by the California Oregon Power company.

Hearing of the illness of her friend, who was reported in an improved condition at the hospital today, she decided to telephone the hospital from Chicago. She was more than pleased when she learned she could talk directly to Mrs. Mason.

NO OPEN SEASON ON BAND-TAILED PIGEONS

Word has been received from the Oregon state game commission, pointing out that the state legislature has provided a closed season at all times on the band-tailed pigeon in Oregon. This notice was sent to correct an announcement appearing recently in the Mail Tribune.

A statement from the U. S. department of agriculture said that the federal season on band-tailed pigeons would open October 15, a season which has previously been closed by federal regulation.

Due to the Oregon law, there will be no open season on the birds in this state, Ernest L. Cockett, assistant supervisor of the Oregon state game commission in charge of education, said.

PORTLAND BOASTS FIRST PENNANT IN 18 YEARS' STRIFE

(By the Associated Press.)
The pennant symbolizing Pacific Coast league supremacy was in the hands of the Portland club today for the first time in 18 years. The Ducks finished the season with 111 victories and 78 defeats, for an average of .587, five games ahead of Hollywood. The Stars ended up with 106 victories and 83 losses, an average of .561, and Sacramento was third with 101 wins and 88 defeats, a percentage of .534.

San Francisco, winner of last year's championship, wound up in fourth place, this time with a .516 average—95 games won and 90 lost.

Second division teams were: Los Angeles, .508; Seattle, .486; Oakland, .428, and Mission, .318.

Portland closed the season by winning a series from Seattle, six games to one. The Sunday doubleheader was divided, the Beavers capturing the first game, 5 to 2, and the Indians the second, 12 to 2. Bill Shores held Seattle to nine scattered hits in the opener. Spencer Abbott, Portland manager, pitched an inning of the second game, and knocked a Texas leaguer in his only trip to the plate this year, giving him a batting average of 1.000.

FIRE PERMIT RULES REMAIN EFFECTIVE

A telegram was received by the Rogue River National forest offices Friday from C. J. Buck, regional forester, stating that until further notice, it will be necessary for campers to obtain permits to build fires. According to law, this measure is only in effect from July 1 to September 30, but due to the dry condition of the forests, the permits will still be demanded by the service.

No smoking is allowed in the national forests, and another requirement is that all campers in the forest carry ax, shovel and water bucket.

Packers Needed At Wenatchee

A telegram was received Saturday afternoon from the Wenoka federation at Wenatchee, Wash. by the manager of a local packing company, which carried the following message: "General shortage of packers. Please encourage many as possible come to this district. Wenoka needs approximately twenty soon as possible. Wenoka Federation." It is expected that fruit packers in Medford, who have been unable to receive employment, will make their way to that district in Washington.

WEBFOOTS CLASH WITH WASHINGTON COMING SATURDAY

SAN FRANCISCO, Oct. 3.—(AP)—Old-time football rivalries and two clashes involving Coast conference standings will be fought out on far western battle grounds this week-end.

Southern California's second game in its bid to retain the conference title will pit the Trojans against Oregon state.

The champions rode rather roughshod over Washington State's Cougars last Saturday to win their first conference game, 20-0.

The myth of Oregon State's potential glories greatest this season was exploded last Saturday by a tricky, smooth-functioning Stanford eleven. Stanford won by a 27-0 score to definitely fix its status as a championship contender.

One of the old conference classics next Saturday will pit Oregon against Washington at Portland. Oregon, of undetermined football quality until last Saturday, stepped into the "contender class" along with Stanford, by defeating Santa Clara, 7-0. Oregon's victory meant something, in view of the fact that a week ago Santa Clara defeated California, 12-0.

While Oregon was establishing itself, Washington was not far behind. If at all, the Huskies took the measure of Montana, 26-13, with second and third string players handling the bulk of the work. Coach Jimmy Phelan had the forthcoming Oregon game in mind and while his regulars rested the reserves came through to put Washington in the victory column in the conference race.

Late starter in the conference race, California will face non-conference opposition Saturday in a game with St. Mary's.

Stanford will meet Santa Clara at Palo Alto; Idaho will line up against Gonzaga; Washington State takes on Willamette and Montana faces Carroll, next Saturday. All are non-conference contests.

Enough Turkish... But not too much

You can smoke pack after pack of Chesterfields... and never grow tired of the taste. That's partly because Chesterfield uses just the right amount of Turkish tobacco to "season" the mild, sweet domestic tobacco.

Too much Turkish makes a heavy-smoking cigarette... too little takes something away from taste and aroma. Just enough of the right kinds of Turkish tobacco—that's one reason why Chesterfields SATISFY!
