

# LOCAL BOURBONS WILL ENTERTAIN H. STARKWEATHER

H. G. Starkweather, Democratic candidate for congress from this district, will speak in Medford next Monday, it was announced today by Frank DeSouza, chairman of the Jackson Democratic county central committee. He will speak Monday in this city and continue to Ashland, Tuesday, where he will speak in the evening under the auspices of the City Democratic committee. A rally will be held in the armory of the neighboring city and elaborate plans are being made for the entertainment of the Democratic nominee.

Monday noon a luncheon, honoring Mr. Starkweather, will be held at the Hotel Holland in this city and all Democratic county committee members, candidates and all other members of the party are especially invited.

Carl G. Donough, chairman of the state Democratic committee, will also be present to confer with local Democrats. He will be accompanied by Vernon Williams, finance director of the state committee. Other Democratic candidates are expected.

Attorney DeSouza also announced today that he has appointed an executive committee to head the campaign in the county. It is composed of W. H. Canon, J. H. Fuller of Ashland, J. F. Wortman, A. E. Reames and Ralph G. Jennings.

The committee will have headquarters at the county committee headquarters on East Main street.

# CIVIC MUSIC HEAD SPEAKS TO LIONS

The purposes of the Southern Oregon Civic Music association were outlined today by Arthur W. Manuel, Pacific coast manager of the Civic Concert Service, at the noon luncheon of the Lions club at the Hotel Holland.

The association will bring to Medford three and possibly four concerts. Mrs. Donald Clark appeared before the club to ask all members to buy their tickets to the Fox Craterian theater at the Rex Cafe this week, in order that the women's division of the county relief council may obtain 35 per cent of the profits to be used in relief work. Tickets bought at the box office will not benefit the relief movement.

Mr. Cary of San Rafael, Cal., was a guest of the club and gave an interesting account of the pleasant reactions to his visit here, the first one in many years. He listed Medford as one of the most desirable places he has ever known.

# Majestic Radio Owners Eligible In Prize Contest

Southern Oregon families who own Majestic radios are all eligible to compete in the \$100,000 Majestic prize contest, announced in the Mall Tribune yesterday by Palmer Electric company, local dealers.

An effort is being made to locate the oldest Majestic electric set now in operation in this part of the state. The owner of the winning model will be given a Silex coffee-maker, which is made entirely of Pyrex glass and now preferred to many other utensils used in making coffee.

The oldest electric set, regardless of make, in southern Oregon will also merit a Silex coffee-maker.

National cash awards will be made as follows: First prize, to the owner of the oldest Majestic radio reported, \$1000; second prize, to the owner of the next oldest set, \$500; third prize, \$100; fourth prize, \$50. Ten prizes of \$25 each and ten prizes of \$10 each. Oldest radios of other makes are included in a separate division with \$98,000 in prizes.

This Majestic contest is actually one of the most simple affairs ever staged as there are no essays to write, no cross-word puzzles, no puzzles of any kind, no guessing. Just give the name or make of your radio, model and serial number, to the local dealer. More detailed information may be secured at Palmer Electric store, East Main and Bartlett streets.

## Civic Music Holds Society's Attention

Bridge, luncheon and tea tables are rather deserted these days as members of the leading social groups concentrate their efforts in the enrollment campaign of the Southern Oregon Civic Music association. Enrollment week opened Monday night at a large banquet at the Hotel Medford and will continue until Saturday night. And, during the interim, all who love music and all who wish to bring good music into the lives of many others are devoting their days to advancement of the association's second year in Medford.

The larger the membership this year, the more excellent will be the concerts obtained for the season. With this reward as incentive the workers are giving all possible time to acquainting those not familiar with civic music with the importance of the association to southern Oregon.

# Jap Schoolboy Pleads For U.S. Understanding

WASHINGTON, Oct. 5.—(AP)—The Manchurian question, it seems to Chikai Hojio, Japanese school boy, is not fully understood in Washington.

In his role as an internationalist laboring with some linguistic difficulties, he has just sent a thumbnail sketch of matters to this government's capital city, addressed to the "Estimable Mayor of Washington."

Chikai, a student in the Takasu school, Gifu prefecture, said in his letter which went to the commissioners of the District of Columbia: "Pardon me, mayor, that I ask for your permission. According foreign telegrams, a general outcry arose against Japanese troops at Manchukuo, in America. At last thought it must be strange. But please more understand for Manchukuo, as President Roosevelt said, 'For the eastern it is necessary to watch, protect themselves.' Our troops there are for the Asian peace and for the world peace."

"America is the country of the general outcry, peace, too, Mayor! 'Please lead (if America could) for general outcry to stop a fleet maneuver on Pacific ocean, put Japan for hypothesis enemy. Because from the man down to boy are put into the animosity each other. Please Mayor lead the American's general outcry rightfully!'"
