CRATERS TO VISIT YREKA GOLD RUSH CELEBRATION SAT.

Medford will be represented at the Yreka "Gold Rush" celebration in a big way, according to plans made at last night's meeting of the Crater club held at the Hotel Medford. Pep talks were made by several members emphasizing the importance of sending a large delegation to participate in the pioneer program put on by the neighboring city and much enthusiasm was shown by those present. Preliminary plans include sending the entire Elks band and several clever stunt features as well as a large group of Medford Craters and other local citizens. Arrangements have been made to charter two large Pacific Greyhound stages for the trip, which will leave the Chamber of Commerce at 9:30 a. m. Saturday morning. One of these stages will probably return at 6:30 p. m. Saturday and the other will leave at midnight. In addition, a large number of local citizens will make the trip in their own cars, some of them Friday and others on Saturday. The Lions club, Active club and other service organizations also plan to send representatives. Any local club members wishing to accompany the Crater delegation should make reservations on the stage by phoning the Chamber of Commerce, No. 63, before 5 p. m. Friday. The stages will carry Medford banners and all private cars should stop at the Chamber of Commerce and secure Medford stickers before leaving for Yreka. All local citizens will also be given a Medford pear badge to wear, thus aiding in showing the Siskiyou county folks that this community is participating in their pioneer celebration. Headquarters for the Crater club will be maintained at the Yreka inn.

The following committee was appointed by "Big Eruption" Jerry Jerome to arrange for the Crater representation: J. C. Thompson, chairman; C. T. Baker, Bert Orr, Horace Bromley, and Ted GoBauer. A stunt committee consisting of Bob Boyd, Bill Hammett and Carl Tenbald also was appointed. Plans for a big Halloween party on October 31 in honor of the political candidates were discussed and the meeting will be in charge of Raymond Peter, chairman; Al Solinsky, Fred Heath and H. D. Reed. Snappy music for last night's meeting was provided by the Crater Orchestra.

A large number of guests, many of whom were from out of town, attended the session, including A. P. Johnson, Lee Bishop, Emil Mohr, Bill Joyce, A. E. Orr Jr., Geo. Johnson, Arthur Frohbach, G. R. Chapman, James Chinnock, James Ormandy, J. P. Landran, Daniel E. Long.

KLAMATH YOUTHS DECLARED TOOLS IN RUM DELIVERY

(Continued from Page One)

The testimony showed that a dozen bottles of moonshine whiskey and tin were purchased from Hogue and Marcus, and delivered by the high school boys. Hogue, Investigator Weaver testified, told him "business is so bad it's getting hard to sell a pint," and that "there is no such thing as bonded whiskey these days." The government contends that the high school boys, employed as taxi drivers, were "dupes" of Hogue, and claim that the alleged "bootleg captain" banked on benefiting from the support of friends and relatives, if "the law" stepped in. The court this morning excused jurors until this afternoon. The next case on the docket is that of Ivan Nealon against H. Van Hoenberg, San's Valley orchardist, for \$25,000 damages, allegedly sustained in an auto accident last summer, on the Feather River, Calif. highway. Nealon, a transient youth, alleges that the Van Hoenberg car negligently collided with the truck in which he was riding, resulted in his being pinned against the truck, and his leg scalded by hot water from the radiator.
