

SCOUT JAMBOREE SET FOR EVENING NOVEMBER 18TH

The annual Boy Scout Jamboree is to be held at the army Friday evening, November 18. This exposition will be staged for the benefit of local friends and parents of scouts. The program this year will include a number of new events. The various numbers on the program will be in charge of local scoutmasters.

Frank Hull, scoutmaster of Troop No. 3, will have charge of the opening ceremony. Following this will be stunts demonstrating some part of scouting, under the direction of Max Pierce, scoutmaster of Troop No. 5.

The competitive events will be in charge of O. A. Eden of Troop No. 10, assisted by other scoutmasters with the individual contests.

At this meeting the satisfactory and honor camper awards earned at summer camp will be presented to the scouts of the valley.

Some unique lighting effects will be a feature of this year's performance, many of the acts being conducted with lights carried by the performers.

There will be no admission charges made. Everyone interested in scouting activities should plan to attend.

SCOUTMASTERS ASSN. ELECT OFFICERS FOR NEW ORGANIZATION

The Scoutmasters' association held its first meeting at Boy Scout headquarters last Friday evening. All scoutmasters of Rogue River valley attended, holding an election of officers and discussing a winter program.

Max Pierce, scoutmaster of troop No. 5, was elected president of the Scoutmasters' association for the coming year; O. A. Eden, scoutmaster of troop No. 10, was elected vice-president. Dr. Dan E. Standard was the retiring president.

The past year was most successful in scouting, with many activities brought to a close by a large summer camp.

Plans were made at Friday's meeting for the organization of a scout mothers' auxiliary, for the purpose of assisting the local troops. One of the first objectives will be the collection, reconditioning and redistribution of outgrown scout uniforms. At present there is no way of supplying scouts who are unable to purchase new uniforms with uniforms that have been outgrown by former scouts. It is felt that such an organization would be especially helpful at this time.

Activities and troop work were discussed. Scouting a program for the winter is complete and interesting, with the jamboree to be held in the very near future.
