

laws, or will fail to become laws, depending on how people vote on them.

them.' Then you will vote accordingly.

ures on the ballot in November were body from the intense heat. It is be-defeated, no lasting harm would be done to Oregon. BUT vote no when in doubt only as a last resort. The thing to do is to STUDY the measures and vote

A your convictions. If people won't do that, direct legislation is a dangerous thing.

R. BUTLER, member of congress R. R. BUTLER, memory of construct, atroke, and failed to sense the inaddressing the Lion's club in Klamath Falls the other day, made this interesting statement:

"I have in my office a picture of Crater Lake. This picture of Crater Lake has done more to advertise Oregon than any other thing I have in my office.

"People never tire of questioning me about the lake and its wonders."

CRATER LAKE is an outstanding CRATER LAKE is an outstanding operates a radiator repair shop in brings people by the thousands here this see it, and while they are seeing Crater Lake they see the rest of this great state. What they see brings many of them back here to live, thus adding new back here to live, thus adding new

back here to live, thus adding new population and new wealth to our state-for the kind of people who come to see Crater Lake, generally speaking, are the kind of people who

have money to invest. Oregon's area is vast and its population is small. For many, many

years to come we shall need new

Mrs. Blanche Hitzler, about 50 years of age, wife of John Hitzler, well known resident of this city, died this afternion at the Sacred Heart hospital of severe burns, received IF YOU are a conscientious voter, and hospital of seventy suffered a stroke of paralysis and fell face downward these measures before you vote on mont in the Barkfull building on North Central, some time this morn-

ing. She was found about 12:30 by J. E. Barkdull and died less than an hour ingly. That is the way it SHOULD be done. If we are going to have direct legis-lation—which means law-making by direct vote of the people—we ought

vides any basis for gratitude, Presi-dent Hoover is entitled to gratitude," he said. NEW YORK, Oct. 11-(AP)-Cal-vin Coolidge's pithy paragraphs: No government has ever yet been devised that could make the people prosperous all the time. But had covernment will constantly

keep the people in distress.

By Raymond Crowley. NEW YORK, Oct. 13.—(P)—Calvin Coolidge, coming from his New England retreat to praise President Herbert Hoover as a man who saved the country from disaster, has signaled the start of the final phase of his

country from anaster, has significant the start of the that phase of his party's campaign. A drive which later would reach a elimax in the ap-pearance of the President here later was started by castern leaders to-day after Mr. Coolidge told a throng in Madison Square Garden last night that the public welfare requires the re-election of Mr. Hoover.

"If saving the country from one impending disaster after another pro-

HOOVER'S RETURN

SAYS TIRE CHIEF

WASHINGTON, Oct. 12-(AP)-

The assurance that the pending Democratic raids on the treasury will be defeated by a Republican victory in November would no doubt have the same effect on re-viving all kinds of business as the defeat of the Democratic greenback craie and the freb silver issue.

> An early and timely word from the Democratic candidate for President that he would reject the pro-posal to increase the national debt by \$2,300,000,000 to pay a bonus would have been a great encou agement to business. While he remained silent, economic recovery was measureably impeded.

The more this campaign has pro-gressed, the more I am convinced that the public welfare requires that he (Hoover) should be reelected.

rediction that business will improve I retiterate my support of the president and reassert my faith in the Republican party, the most ef-ficient instrument for sound, steadily if President Hoover is repopular government ever entrusted with the guidance of a great na-
