The award will be made Nov. 15 and Miss Dressler was among the three nominated, Lynn Fontanne and Helen Hayes being the other two.

KLAMATH YOUTHS GIVEN PAROLE ON LIQUOR CHARGES

Lloyd Seaton and Merrill Burnap, Klamath Falls taxi drivers, found guilty of liquor violation, and characterized by the government as "dupes of Pat Hogue" in the Klamath bootleg conspiracy ring trial, were this morning each sentenced to serve a year and a day in the federal prison at McNeil's Island, by Federal Judge Alger Fee. Each was granted a parole for three years.

The court in passing sentence upon the youths lectured them for "not telling the truth upon the witness stand" and for their mistaken loyalty to Hogue, their employer. The government alleged that the pair made delivery of liquor after sales had been negotiated.

Hogue, asserted leader of the Klamath Falls ring, and his "right hand man," Jerome Schwartz, alias Jerry Marcus, were sentenced respectively to two and one-half years, and 18 months in federal prison Tuesday, upon conviction of liquor conspiracy. William Gilmore, 50, Klamath Falls, who entered a plea of guilty in the same case, was sentenced to six months in a federal road camp and granted a parole for a one-year period. Gilmore's connection with the "ring" was declared by the government to be minor, and leniency was recommended.

Henry Duval and R. A. Coughlin of Klamath Falls, charged with liquor conspiracy in the sale of liquor, with the Elk hotel in that city as an alleged base of operations, were acquitted by a federal court jury late yesterday. Racine Welser, 20, Klamath Indian youth, convicted of the slaying of his father as the tragic climax of a drunken spree last August 4, will be sentenced Friday morning. The charge was second degree murder, and the penalty under the federal law is ten years to life imprisonment.

Enterprise Grange Plans Dance Party Saturday Evening

EVANS VALLEY, Oct. 13.—(Sp.)—Enterprise Grange will be host at another of their party dances Saturday night at the Orange Hall. A small charge for supper will be made to help clear expenses.

A dance was held October 1 and the hall was crowded. It had been planned that the Copco was to entertain the valley with a picture show, but through a misunderstanding of dates, the show was not on hand. During the evening Mr. and Mrs. Herbert entertained with musical selections, readings and vocal solos. Mrs. Darland also gave a vocal selection. Dancing was enjoyed the greater part of the evening with supper served at midnight. Every one reported a good time.

HEART BALM SUIT TO OPEN MONDAY IN CIRCUIT COURT

The breach of promise suit of Marguerite Kirkham of Seattle against Robert W. Frame of Central Point for \$28,000 damage, alleged to have been incurred when promises to marry were broken, is scheduled to start next Monday in circuit court before Circuit Judge H. D. Norton.

The plaintiff alleges in her action that Frame, while both were residents of Seattle, paid her court and that she made preparations for the wedding but that the defendant, a short time before the date set for the nuptials, "did marry an Oregon woman." The plaintiff alleges that by reason thereof she suffered mental anguish and humiliation. She alleges that Frame purchased her gifts and extended social courtesies, and that her friends were told of her engagement. Frame, in reply, denies all the leading allegations and claims that the relations were both social and friendly. He is represented by Attorney Don R. Newbury.

Another damage action scheduled on the circuit court calendar for next week is that of Daisy Wilson against Dr. J. J. Emmens of this city for \$20,000, as the result of an auto crash at East Main street and Crater Lake avenue, July 4, 1931. Mrs. Wilson alleges that she sustained injuries, due to the negligent and reckless driving of Robert Emmens, son of the defendant. Mrs. Wilson was employed as a domestic in the Emmens home and was being taken to her home by

This Woman Lost 45 Pounds of Fat

"Dear Sirs: For 3 months I've been using your salla and am very much pleased with results. I've lost 45 lbs., 6 inches in hips and bust measure. I've taken 3 bottles—one lasting 5 weeks. To hasten results go light on fatty meats, potatoes, cream and pastries—a bottle that lasts 4 weeks costs but a trifle—but don't take chances—be sure it's Kruschen—your health comes first—get it at Jarmin & Woods, Health's Drug Store, Brown's Pharmacy, or any drug store in America. If not joyfully satisfied after the first bottle—money back.

REPEAL OF PROHIBITION LAW HOLDS PERIL W. C. T. U. WARNED

SALEM, Oct. 13.—(AP)—A plea that "lawlessness shall not be turned loose" in Oregon, was made last night at the state W. C. T. U. convention in session here.

Miss Maude Aldrich urged the dry forces to rally in support of the state dry law enforcement act which is up for repeal. Its repeal would leave Oregon with a state dry law and no provision for enforcement, she stated.

"The man who actually does the drinking pays the tax as he pays the money over the bar," state W. C. T. U. President Ada Jolley said yesterday afternoon. "The brewer and the distiller grow wealthy from this income no matter what tax is assessed."

Superintendent L. M. Gilbert of the children's farm home, sponsored by the W. C. T. U., will tell of its progress this year.

Election of officers today is drawing much attention.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks pink, don't swallow a lot of saline mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blisters. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for Liver Pills. Ask for Carter's Little Liver Pills on the red label. Lowest a substitute. 25c at all stores. © 1931 C. M. Co.

"Nature in the Raw is seldom MILD"

RIDE 'EM, COWBOY

"Nature in the Raw"—as expressed in the famous rodeo cry; inspired by the picture in the July issue of the National Geographic Magazine taken at the Ski Hi Stampede, Monte Vista, Colorado. "Nature in the Raw is Seldom Mild"—and raw tobaccos have no place in cigarettes.

No raw tobaccos in Luckies —that's why they're so mild

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.
