

SHAKEUP IN SONS LINEUP LOOMS AS CLASH NEAR HERE

Second-Stringers Fight Hard for Chance to Play in Game Against Pacific U. in Medford Saturday

SOUTHERN OREGON NORMAL SCHOOL, Ashland, Oct. 13.—(Sp.)—A big shakeup may take place on the Sons' football squad before the big game with Pacific university in Medford Saturday, said Coach Howard Hobson late last night.

During the final scrimmage sessions in preparation for Eidon Jenne's men many of the second-stringers have been battling the regulars so hard that they may force their way into the starting lineup. Some of the men starting the California Aggie game who figured they had their jobs cinched have been having their hands full taking care of the hard fighting reserves who are making determined efforts to land on the starting eleven.

Hankins, Green Prospects.
Earl Hankins or Roan Green, an ex-Medford star, may get into the Pacific fray in place of Dwight Patterson, who has been a regular at guard. Both Green and Hankins are new men, while Patterson is a two-stripe veteran, but at this writing there is little to choose between the three. The only guard sure of his position at the opening whistle is the spectacular "Swede" Anderson, also a Medford product.

The same situation exists in the tackle ranks, although not to such a marked degree. Lee McConnell and Ross Carter, both first-year recruits, are forcing the veteran, Mike Bakovic, and the big ex-Medford tackle, Portland all-star, Harvey Oakes, to extend themselves to the limit to hold down their berths.

Backfield Uncertain
Even the backfield situation is far from peaceful and the uprising is being felt there very distinctly. Hobson has been keeping his open for a passer who can equal the coloreds, Claude Hines, and this week Don McFadden, who did not make the trip south, suddenly broke loose and began sparkling both in throwing passes and in other phases of the backfield game, so that he may get his big chance Saturday at halfback.

George York, big 200-pound battering fullback and expert blocker and defensive player, has been taking this game of football seriously to the extent that he has seriously had with the opposing lines all week and has a good chance to open against Pacific.

The other halfback position has been under fire from Larry Lillib, Coos Bay speed merchant. Lillib played a lot of good ball last season for the Sons but until this week had not opened up to any great extent. Still another reserve half to launch an offensive on the first-string job is Albert Bradford, Oklahoma boy, who has been running wild against the regulars in the last two or three scrimmages. He, too, is ready to take his niche in the starting backfield.

BUTCHERS DEFEAT POSTOFFICE QUINT

City Meat Market bowlers won two of the three games in their match with the postoffice crew in last night's city league competition. Herb Guenther of the meat cutters was high man with 518 pins for the evening, and barely missed topping 300 in the first game. Copco and the Bootery tangled tonight.

DON GEORGE PINS ABE WITH TACKLE

PORTLAND, Ore., Oct. 13.—(AP)—Ed Don George, former heavyweight wrestling champion, defeated Abe Kaplan, New York Jewish matman, two out of three falls in a rough match that had a spectacular ending here last night. George was getting the worst of it in the final session with Kaplan slapping him in the stomach and dealing out smacking rabbit punches when Kaplan tried for a winglock, both rolling out of the ring. After the referee pried them apart, George suddenly dived at Kaplan's feet, sending him down, his head crashing into the seats and stunning him. He was groggy when he returned to the ring and George soon ended the match with a series of headlocking butts.

Pat Reilly, Boston, won two out of three falls from Al Petrela, Portugal, in the five-round special and Fred Marace, former Miltomouth club amateur won from sailor Frans in the three-round preliminary.

PHEASANT SEASON OPEN OCTOBER 15; DUCKS ON OCT. 16

Sergeant Ed Walker of the game division, state police, announced today that the duck season here opens October 16, at noon, in compliance with the federal regulations, which hold precedence over the state laws. The season closes on November 16, with the limit 15 birds in one day, and 20 in any 20 consecutive days. The limit on geese is four in one day, not to exceed eight in possession at any one time. On October 15 the pheasant and quail season opens and closes October 31. Four birds in any one day, or eight in any seven consecutive days is the regulation concerning pheasants, while the quail bag limit is fixed at 10 birds in any consecutive days. It is unlawful to kill more than one pheasant hen during any seven consecutive days.

Deer season will close October 25. Captain Lee M. Brown of the state police announced through Sergeant Walker that federal game laws governing limits and seasons of migratory birds differ from several of the state laws. The federal laws are given precedence.

Season on silver gray squirrel, which opened September 15, will close October 15, with five in any seven consecutive days as the limit.

CANZONERI KAYOS FRANKIE PETROLLE

NEW YORK, Oct. 13.—Tonight's 15-round scrap between Kid Chocolate, the clever Cuban negro, and Lew Feldman of New York carries the board's recognition as a featherweight championship affair.

Last night, in the chill breezes of Ebbets field, Tony Canzoneri opened his assault on the Petrolle family with a smashing three-round knockout of the junior member, Frankie, in a non-title bout. Next month he is to defend his crown against the older and more experienced Billy Petrolle.

Maxie Rosenbloom, who is recognized in New York as light heavyweight title holder, gave the 12,000 frigid faithful a few laughs as he took an easy ten-round decision from Jack Redman, lanky South Bend, Ind., negro. This also was a non-title affair as Maxie weighed 181½ and Redman 184.

COMPARE PRICES ON OREGON HOGS

PORTLAND, Ore., Oct. 13.—(AP)—Hog prices lost a dime at North Portland Wednesday in addition to recent heavy declines. The new top is \$4, which compares with the high mark for recent months at which \$6 was reached July 11-12, inclusive. The previous low was on May 17, 18 and 19 at \$3.85. The price Wednesday compares with this same date in other years:

Year	Price
1932	\$ 4.00
1931	5.75
1930	10.75
1929	11.25
1928	10.25

CONSTABULARY ROUTS MORO OUTLAW BAND

JOLO, P. I., Oct. 13.—(AP)—In fierce fighting today the highly-trained Philippine constabulary routed the Moro outlaws from their fortified village of Tavungan. One constabularyman and six Moros were known to have been killed.

After three days of fruitless negotiations to obtain the surrender of the outlaw leaders, six constabularymen attacked the entrenched Sulus at 7 a. m. Hand grenades, rifles and bolts figured in the fighting which lasted until 3 p. m.

PRINK PREPARING FOR SOGGY FIELD IN UCLA BATTLE

EUGENE, Ore., Oct. 13.—(P)—Although hoping for a dry, fast field when his Oregon university football squad meets the Bruins from the University of California at Los Angeles in a Pacific Coast conference game Saturday afternoon at Portland, Coach Prink Caillon was planning today to concentrate attention on an attack that will be effective on a wet field.

Long awaited rain has made its presence felt in western Oregon, and if the Portland civic stadium field has a generous moisture content Saturday, the Oregon squad will probably resort to a line plunging game, Caillon intimated.

In such event, a large share of the offensive will fall upon the shoulders of Howard Bobbitt, fullback, and Stan Kotka, halfback.

The game will be played for the benefit of the Shrine hospital at Portland.

LOS ANGELES, Oct. 13.—(P)—University of California at Los Angeles football team was en route to Portland today with the fond hope that fair weather would greet them in their game with Oregon Saturday.

"We should beat them on a dry field," Coach Bill Spaulding told the student body in a farewell address. "If it is a wet field there is no telling what will happen. Maybe the team that fumbles the fewest times will win."

Wilson Goes Good On Antipodes Mats

GRUDGE BATTLE TO BE FEATURE SATURDAY CARD

Burrell Brown, the local freak finder, is nursing a personal grudge against one Harlan Tremaine. Tremaine is also feeling that way, so the boys are going to fight it out in the Armory arena Saturday as an added attraction to the fight card presented by Promoter Mack Lillard.

It's a real grudge of some standing between these two huskies and the Armory meeting will settle all their questions, physically speaking.

The 10-round main event between Joe McCarthy and Cyclone Johnson is causing no end of speculation as to the ability of McCarthy to fight 10 rounds because of his fast action in the ring. Many fans are of the opinion that he will tire long before the end of the scrap and fall an easy prey to the sharp-shooting colored boy.

McCarthy says he never goes into the ring thinking about tiring out. "I go in to win as soon as possible, and that's the only way I know how to fight."

Interest in the coming card is being shown by the way the ticket reservation has started, and it is likely the fans will see plenty of action when the starting bell clangs at 9:15.

Mack Lillard, local promoter left for Roseburg early today to seek the services of the best fistic talent in the state to round out his fight card here Saturday.

If he pits Roseburg's best against the rising tide of fistic minded young men in Medford, an inter city meet is in prospect which should bring out some real scraps.

DADO WINS DECISION OVER YOUNG TOMMY

OAKLAND, Cal., Oct. 13.—(P)—"Speedy" Dado, flashy Filipino pugilist, wore the state bantamweight championship crown again here today, as a result of a 10-round victory over his fellow countryman, "Young" Tommy, in a battle which brought cheer after cheer from the fans last night.

THREE MANAGERS TO BE NAMED FOR BIG TIME TEAMS

Signing of McCarthy As Yankee Chief Leaves Pirate, Cincy Reds and Boston Sox Berths Yet Open

By HERBERT W. BARKER (Associated Press Sports Writer)
NEW YORK, Oct. 13.—(AP)—The signing of Joseph Vincent McCarthy to a three-year contract as manager of the New York Yankees leaves only three major league managerial posts still to be filled.

At least one of these is virtually certain to be stricken off the list with the probable reappointment of George Gibson as manager of the Pittsburgh Pirates, who amazed the experts by finishing second in the National league race this year. Gibson, in all likelihood, will be reappointed some time this month.

Two in Doubt.
There is more than a little doubt, however, with regard to the managerial jobs open with the Cincinnati Reds and the Boston Red Sox.

The release of Dan Howley left the Cincinnati post wide open. There has been no definite indication yet as to his successor, although the name of Donie Bush has been mentioned frequently in connection with the place. Bush, former manager of the Pirates and Chicago White Sox, led the Minneapolis Millers to an American Association pennant this season.

The situation at Boston is a little different. Marjory McManus, veteran second sacker, handled the team during the 1932 campaign after the resignation of John (Shano) Collins, but whether he will be given a contract for the full 1933 season still was open to question. Owner Bob Quinn was expected back in Boston soon and probably will settle the question soon.

Mack a Fixture.
Connie Mack, of course, is a fixture with the Philadelphia Athletics, and Burr Shotton of the Phillies and Bill Killefer of the St. Louis Browns, have just signed three-year contracts, and Bill Terry a two-year agreement with the New York Giants.

Joe Cronin is Washington's new pilot, while Charley Grimm of the Chicago Cubs, Stanley (Bucky) Harris of Detroit, Roger Beckinspugh of Cleveland, Max Carey of Brooklyn and Gabby Street of the St. Louis Cardinals all will be back at the old stand next season.

Bill McKechnie's four-year contract with the Boston Braves expires at the close of next season and Lew Fonseca's contract with the Chicago White Sox also has another year to go.

McCarthy Has Clinch.
The reappointment of McCarthy to pilot the Yankees was a certainty, especially after his club had polished off the Cubs in four successive games in the world series.

"Marjoe Joe," who never played a major league game in his life and yet has managed pennant winners in both big circuits, was understood to have been given a substantial increase in salary. It was said the new contract called for at least \$100,000 for the next three years.

JENNE BRINGING FOXY SQUAD TO OPPOSE HOBSON

Coach Eidon Jenne and 24 determined grid stars forming the Pacific university squad will arrive in Medford tomorrow night loaded with foxy formations to unfurl at Normal Hobson's Southern Oregon Normal outfit when the two teams meet on Van Scoyoc field here Saturday.

Included in Jenne's squad are 16 veterans of past campaigns in the Northwest conference loop. He has a seasoned performer to fill every position, but due to the excellent material which he obtained from last year's prep school the going has been mighty tough for many of the old-timers.

The Pacific squad is led by Art Brachmann, tackle and captain. He is a huge stalwart of better than 200 pounds and has been a star in his position for the last three years. This is his last year and so far his best since he has been in a Pacific uniform.

Brachmann's running mate at the other tackle is Ray Berney, 200 pounds, who was named all-Northwest conference tackle for two years. He was out of the Pacific lineup last year but returned to school this fall to bring an end to any worries Jenne might have had concerning the tackle positions. Berney, before going to college, was a member of the 1928 championship Benson Tech team in Portland interscholastic loop.

The much publicized backfield, which puts the sparkling spinners and reverses Jenne banks upon for a brilliant showing into play, is made up entirely of veterans.

Al Wetzel, outstanding among Pacific half carriers, is a three-year letterman, playing his final season. Jack Killits, ex-Franklin high speedster and ace pass receiver, is one of Jenne's dependables at halfback, while the quarter backing is done by either Ray Critchfield or Wilbur Ruonich.

Ruonich is having his first fling at varsity ball after being one of the best backs in the state for Oregon City last season.

David Bruce, a newcomer from Portland, has demonstrated so much stuff that he appears to be the favorite over Stephens and Ellertson for starting honors at right end.

Coach Hobson will not have the only men who are native sons of Southern Oregon in the game Saturday. Pacific has a promising young halfback, Frank O'Neil, from Grants Pass.

Bundy Decisions Jewish Battler

SEATTLE, Oct. 13.—(AP)—Andy Bundy, Portland, negro featherweight, won a six round decision over Able Israel, Seattle in a return battle here last night.

In the semi-final, Eddie Volk, Portland, junior welterweight, was kayoed in the fourth round by Sammy Santos, Seattle. Henry Woods, Yakima negro lightweight, stopped Roy Ockley, Portland, in the first round with a right to the chin.

KING TUT CELEBRATES RETURN WITH VICTORY

RENO, Nev., Oct. 13.—(P)—King Tut, 153 pounds, Minneapolis, returned to the ring for the first time since an injury to his hand several weeks ago, and knocked out Johnny Freeman, 150, Dayton, Ohio, in the second round of a scheduled 10-round bout here last night.

25% INCREASE In Instruction Costs!

Will Result if the Proposed Zorn-Macpherson School "Juggling" Bill is Allowed to Pass!

The costly experience of 18 States, which have combined institutions, should be heeded by the people of Oregon in considering the so-called consolidation measure, which actually is only a costly and unneeded expansion, establishing 4 NEW schools and creating 2 NEW types of schools at taxpayers' expense.

The following graph, which is compiled from the authentic figures of the United States Office of Education for the school year 1931-32, will enable every taxpayer to prevent this increase in instruction cost, resulting from an experiment proposed by unknown interests.

IS THIS ECONOMY?

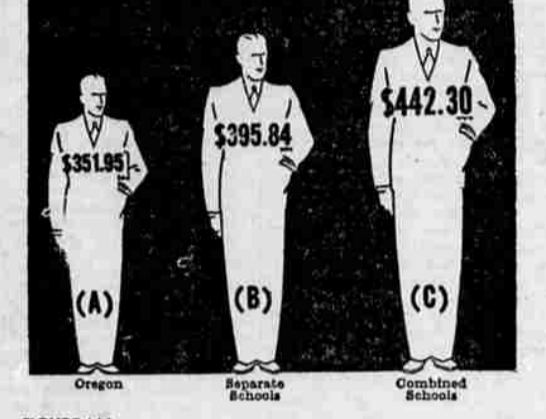

FIGURE (A) represents the present average low cost of instruction per student in Oregon. This cost is being continually reduced as a result of a unified system of instruction and management, which is now being operated at an annual saving of \$900,000 compared with previous costs.

FIGURE (B) represents the average instruction cost per student in the 17 States having separate institutions.

FIGURE (C) represents the average instruction cost per student in the 18 States which have combined institutions.

IF OREGON is forced to combine the University of Oregon with the Oregon State College, there would be an increase in instructional costs of \$50.00 each year per student, or over \$450,000 ADDITIONAL INSTRUCTION costs for a combined student body.

Vote 317 X No
