**Garbled Constantly. Bad Breath Still**

He couldn't understand why nothing helped—until a friend suggested, "It might be your stomach!" And it was—dugested stomachs that invariably spread poisonous wastes through the system and lead to upset stomach, cold, lack of energy, biliousness, etc. What a difference when he took **NR** (Nature's Remedy). Regular bowel action thereafter. He felt pepped up, re-made. And breath became pure as spring air. That's because **NR** stimulates the entire intestinal tract to normal functioning. Safe, dependable, all-vegetable. At druggists—only 25c.
