Mr. Chomel, who retired from the U. When here he had 248 signatures and declared he could secure as many more.

It is maintained by Mr. Chomel that the direct route will be shorter, less expensive and will avoid two school zones, while to a majority of the business men of Central Point it will be more satisfactory than the route via Love's corner.

DEFECTIVE LIGHTS TO BRING ARREST

Due to the apparent lack of cooperation from the public concerning warnings issued by state police to drivers of "one-eyed" cars, and those with lights out of focus, no tail lights and other defects, arrests will be made hereafter by state police, according to announcement issued last night by Capt. Lee M. Bown of the state police.

"This is not going to be just a campaign," the captain said, "but will be carried on by the state patrol at all times. Special attenton will be paid to this phase of the violation, particularly to trucks, light reflectors, sidelights and necessary markers."

ROTARIANS HEAR BUS BILL SPEECH

The proposed freight truck and bus bill yhich will be voted on by the people, November 8, was the subject of an interesting discussion at this noon's meeting of the Medford Rotary club. The discussion was led by Rotarian Archie Pierce, who analyzed the bill and explained the various tax increases proposed by its sponsors. The speaker stated that the truck owners have no objection to paying their fair share of the taxes, but with a 50 per cent increase in the tax rate and a 50 per cent decrease in pay load, many of the truck lines would probably have to go out of business. He advanced the opinion that the problem should be put up to the legislature and acted upon after careful investigation and study.

Following the talk, many questions were asked by those present, and some interesting discussion developed, resulting in a better understanding of this much-mooted measure.

President Lantis announced that there will be no meeting of Rotary next Tuesday, the date having been changed to Thursday, October 27, in order to receive District Governor Wm. McGilchrist on his first official visit to southern Oregon. All Rotarians are urged to reserve the date.

A report of the inter-city Rotary meeting was made and divulged that Medford was well represented at Klamath Falls last Saturday and that the golf tournament was won by Geo. Henaleman of the Medford club.

Guests at today's meeting included W. A. Williams of San Francisco, L. B. Smith of Portland, L. D. Botts of Grants Pass and Messrs. Houck and McMann of Medford. Lew Hansen of Ashland was a visiting Rotarian.

Secure from Jarmin & Woods or your druggist 1 oz. Parmint (Double Strength). Take this home and add ¼ pint hot water and a little sugar. One tablespoonful four times a day should quickly relieve distressing catarrhal head noises, clogged nostrils, difficult breathing and dropping mucous, and improve hearing.
