

EDGE TO MCCARTHY IN BOUT TONIGHT WITH JACK GIBBS

Weaving Style Offset to Reach and Weight Vantage—Herb White to Battle Welsh in Semi-Final

The main event, Jack Gibbs and Jack McCarthy, on tonight's ring card at the Armory measure up fairly even. McCarthy will have about a five-pound weight advantage over Gibbs. McCarthy will also have three inches in height advantage. These advantages will not deter the chances of Gibbs. It is thought, as Gibbs' weaving, crouching style, as a rule, proves most effective against a taller opponent.

Ring experts claim that a weaving crouching style is more effective against a straight-up fighter of the McCarthy type. It being conceded that this style of fighter punches best to the head, the crouching style makes him punch too high and thus robs him of his best shots.

That the fans who crowd the Armory tonight to see just what happens when two deadly punchers of the McCarthy-Gibbs cast meet, will get an eye full of slam-bang fighting, is a near certainty.

The semi-windup of six rounds between Herb White and Freddie Welsh is also expected to furnish some thrills.

Some good preliminaries, beginning at 8:30, round out the card.

YOUNG CORBETT IS EASY VICTOR OVER FILIPINO WELTER

FRESNO, Cal., Oct. 26.—(AP)—Young Corbett, Fresno's potential welterweight contender, was another step ahead today on the long trail toward the title after decisively defeating Cerefino Garcia, Los Angeles Filipino, here last night.

Five thousand home-town fans yelled themselves hoarse as Corbett outpunched his way to a victory that ended discussion of his narrow edge over Garcia in a Los Angeles bout last March.

Corbett, who weighed 148 to Garcia's 145, started out with a rush, taking the first three rounds. Garcia was content to let him have the lead. The fourth was one of the Filipino's two big frames. He caught Corbett flush on the jaw with a right that made the Fresno Italian's head ring, and a few seconds later tucked Corbett into a corner and landed some telling shots to the mid-section.

Corbett, took the fifth, seventh, ninth and tenth rounds, while Garcia had the edge in the eighth, with the sixth even. The Filipino was as good in the eighth as in the fourth, knocking Corbett with a terrific right above the heart. In the final stanza Garcia swung wildly, attempting to land a knockout blow, but Corbett ducked most of the swings and fired away with his left.

WING-PELZ BOUT CALLED A DRAW

PORTLAND, Ore., Oct. 26.—(AP)—Benny Pelz, 134½ pounds, Portland, and Ah Wing Lee, 135½, St. Johns, slugged to a 10-round draw here last night. Both boys tried hard to win the special \$100 prize offered by promoter Joe Waterman for a clean knockout. There were no knockouts, but in the sixth Pelz had Ah Wing in a bad way momentarily from a fierce volley of body punches.

"Fighting" Bob Heckler, 171 pounds, Salt Lake City, former Pacific Coast light heavy amateur champion, making his professional debut, gained the referee's decision over Dave Humes, 165 pounds, Portland.

Al Truhmann, 150 pounds, San Diego, won over Willard Norton, 161 pounds, Eugene, when the referee stopped the fight in the fourth round because Norton would not open up after repeated warnings.

Ray Morgan, 152 pounds, Portland, knocked out Paul Karch, 149, Albino, with 36 seconds to go of the fourth and final round after Karch had taken the first three rounds.

Jackie Kileen, 116 pounds, Independence, Ore., won by a technical knockout over Johnny Toran, 114, Chicago, in the second round when Toran twice went to the floor to avoid punishment after two knockdowns in the first.

Salem Wrestling. SALEM, Oct. 26.—(AP)—Bobby No-tak of Clatsop defeated Curly Woods of Centralia, Wash., and Spike Ashby of Finis, Mich., defeated Floyd Wolfgang here last night in a welterweight wrestling elimination tournament to select an opponent for Henry Jones in a title bout. Jones is holder of a welterweight championship belt presented by the mid-west wrestling association in a national tournament in 1931.

TIGER CUBS HAND JUNIORS BEATING

(By John Snider.) Ray Henderson's Juniors were trounced last night by the Tiger Cubs, with a 25-0 score, at Van Schoyoc field.

The first quarter was centered around the 50-yard line, while in the second quarter, Alva Merritt, Tiger Cub, broke away for a touchdown. Bob Ottomani, a fast Tiger backfield man, was brought to light as an efficient ball carrier, when he several times carried the ball down the field for more than the required yardage.

In the third quarter, Merritt again carried the ball over the goal line twice for 12 more points. Jack Van-aver intercepted a pass in the fourth quarter, making the fourth touchdown.

The members of the Junior high team played a steady game with frequent substitutions. The reason given for their defeat was the light material that turned out.

CORVALLIS SEEKS GAME AT DETROIT

DETROIT, Mich., Oct. 26.—(AP)—A Thanksgiving day football game here between University of Detroit and Oregon State college was considered likely today as college officials continued negotiations for the game.

U. of D. athletic officials said a suggestion for such a game had come from Paul J. Schluter, coach of the Oregon State squad, who wanted to meet Detroit while en route to the west after playing Foreman in New York city on November 19.

Charles E. Dorias, coach and athletic director at the U. of D., said the only difficulty lay in financial arrangements, which he stated had not yet been made. He said, however, that he considered it likely the game will be booked.

GRID CAREER OF MOHLER, TROJAN STAR, CONCLUDED

LOS ANGELES, Oct. 26.—(AP)—Orville Mohler, one of the greatest quarterbacks the University of Southern California ever had, was ruddy pushed out of the football picture today by the injury line.

The slight but staunch signal shouter, who was so industrious in the Trojan's climb to the mythical national championship a year ago, and the guiding hand in their string of victories this season, was ordered off the gridiron by school officials in lieu of possible paralysis or even death.

Mohler was knocked unconscious in Southern California's game against Stanford at Palo Alto last Saturday while leading the interference. In the play he hurt against the tissues which hold together the fifth and sixth vertebrae in his neck, pulling them slightly apart.

The original injury occurred a year ago when he was struck on the neck in the pile-up that followed his carrying the ball against California. Mohler was out of competition for two weeks.

Although the Trojan quarterback recovered sufficiently after the game to be the dinner guest of Bill Corbett, Stanford guard and student body president, and has felt no ill effects except a stiff neck, school officials considered the risk too great for him to continue playing.

"There really isn't much a fellow can say," Mohler commented after the action. "I have worked seven years to make my senior year the biggest and best of my college career and it is awful to have to go out like this, but I am convinced it is the right thing to do."

Coch Howard Jones, always reluctant to criticize his players, said Mohler "is one of the greatest quarterbacks I ever coached. I have never seen a better ball carrier any place, but the last thing I would do would be to sacrifice a boy to win a football game. For his sake I hate to see him drop out."

UCLAS WEAKENED BY INJURED STAR

LOS ANGELES, Oct. 26.—(AP)—Chances of the University of California at Los Angeles football team in its game with Stanford here Saturday look a sharp drop today with Joe Keeble, hard-driving fullback, apparently out of the contest with a badly injured arm.

The Bruin battering ram, who has been so important part of Coach Bill Spaulding's offense this year, fell on his arm in practice last night, suffering torn ligaments.

Keeble has been the best line plunger the Uclans have had for the last two years. His absence from the lineup, along with that of Houghton Norfleet, tackle, who suffered a knee injury against Oregon, apparently would eliminate any chance the Bruins had of beating Stanford.

Coch Spaulding intends to put Ranson (Pants) Livesay, the lad who caught the last second pass and ran to a touchdown to beat Oregon, in at fullback in place of Keeble.

NEW YORK, Oct. 26.—(AP)—After a dull, see-saw trading session in which prices alternately rose and fell, the stock market today showed unexpected liveliness and closed with price gains of 81 to more than \$3 a share fairly numerous. Transactions totaled approximately 800,000 shares.

The final tone was strong. Some buying apparently came from speculators who had sold stock short. Their bidding up of prices, in order to cover commitments, found a scarcity of stocks for sale and earlier losses which had ranged around \$2 a share were more than erased.

U. S. Steel preferred following declaration yesterday of the regular \$1.75 \$4.12 a share to \$76. U. S. Steel common gained 62 cents to \$35.25. Homestake mining ran up \$5 to \$132. Gains of \$1 a share were recorded by American Telephone, Case, General Motors and Santa Fe.

Today's closing prices for 31 selected stocks follow:

PIPES TALKS OVER KMED TOMORROW

On Thursday evening, October 27, from 7 to 7:30 p. m., A. W. Pipes, candidate for county judge, will deliver his first radio address of the campaign over KMED. Exposures heretofore unknown in the public and political life effecting our local people will be revealed. All candidates are urged to tune in, and every struggling taxpayer—every business man and every laborer may be assured that if you tune in for this address you will not tune out until the last word is spoken. Remember the hour, Thursday this week, 7 to 7:30 p. m.

DECREE DENIAL IN BARNUM DIVORCE TO BRING APPEAL

A new chapter in the Barnum divorce suit appeared late yesterday, when Charles Reames, attorney for Heien V. Barnum, plaintiff, filed a motion asking that the court decree an order for suit money, maintenance, attorney's fees and suit money for an appeal of the case to the supreme court and granting the custody of the minor child pending the determination of this cause.

No decree following the trial held about two months ago, has been entered by Circuit Judge H. D. Norton, the motion filed yesterday states, "but an opinion that a decree should be entered denying a divorce."

Mrs. Barnum filed suit several months ago, asking for divorce and \$25,000 alimony. The trial was one of the most spectacular held here in many months, drawing a crowded court room each day. Mrs. Barnum charged Mr. Barnum with cruel and inhuman treatment and asked custody of the child. She also charged inadequate support. The custody of the child was also sought by Mr. Barnum, who was represented by Attorney A. E. Reames.

NO DECISION UPON HIGHWAY CHANGE TO CENTRAL POINT

Central Point people are now awaiting the decision of the state highway commission, regarding the route to be chosen for reconstruction of the Pacific highway, north. It was reported today by representatives of the town.

The hearing conducted there Monday by citizens with the state highway commission resulted in no definite announcement. All suggested routes were presented, with the largest number of persons favoring construction of the highway, from the vicinity of the Owen-Oregon mill, north, parallel with the Southern Pacific railroad line.

Re-routing from the Love corner south and from Faber's corner north was also considered. A number of persons favor keeping intact the stretch of highway from the Faber store to Love's corner, but a larger

number have signed petitions favoring the railroad route. Thief Turns Firebug PORTLAND, Ore., Oct. 26.—(AP)—After stealing a set of silverware from the home of Mrs. Hannah Bradenburg here last night, a thief turned arsonist, putting a match to oil and kerosene in four parts of the house. Damage amounted to about \$500. Fire set to oil poured on rugs in the dining room and in two bedrooms was quickly extinguished. Mrs. Bradenburg is the widow of George Bradenburg, former head of the Oregon Automobile branch of the American Automobile association. The Weather Oregon: Occasional rain tonight and Thursday; moderate temperature; increasing southerly winds offshore.
