When insuring your property make certain that you are assured of fair and speedy settlement of claims. The dependable fire, casualty and automobile companies we represent have gained the reputation of settling claims promptly. It's a big help to get prompt action when in urgent need of money. But in order to do this, the companies must have prompt payment of premiums in accordance with their rule of either cash or forty-five days from date of policy. We do not have mutual, reciprocal or cut-rate companies.
