Harvest Home Festival

Wins Large Attendance
The Catholic parish hall was crowded last night for the opening of the Harvest Home Festival, which is continuing today with a card party this afternoon and dancing this evening. The home cooked chicken dinner was served cafeteria style and a steady line of guests filled the colorfully decorated hall from 5:30 o'clock, the guests lingering to buy at the many booths arranged in carnival manner, appropriate to Halloween, about the ladies' side of the hall.

Paper festoons, autumn flowers and leaves, a country store, a fish pond and many other features added to the gala atmosphere through which the crowds wound their way to buy home made candies, numerous utilities and novelties.

The card party is the main event on today's calendar and dancing will complete the evening. An invitation is extended to all folk in the community who enjoy either or both.

Reasons at Eastern Universities Now

Of interest to former students at the University of Oregon and other southern Oregon folk who remember well Mr. and Mrs. Lewis Beeson, associated for several years with the University of Oregon school of journalism, is news of their progress in the east. Mr. Beeson, who went to the University of Minnesota on a scholarship from the University of Oregon, is now at Northwestern university, having been granted a scholarship to that school from Minnesota.

Mrs. Beeson, who is still at the University of Minnesota as secretary to Ralph Casey, dean of the school of journalism and a former well-known member of the University of Oregon faculty, will join Mr. Beeson at Northwestern later this year.

Mr. Beeson's father resides at Ashland and his son, is very well known there. Mrs. Beeson is remembered by many people as the former Betty Cady.

Halloween Frolic Planned at School

The ladies of the Roosevelt Home and school circle are promoting the parents and kiddies of the Roosevelt school district a big time on Friday evening of this week, when they will stage for their enjoyment an old-fashioned Halloween frolic. A fine program by several departments of the school is being arranged for presentation in the school auditorium. Booths are being provided for the sale of home made candies, cakes, doughnuts, coffee and cider. Special attractions for the children include a unique fish pond, games and Halloween stunts.

Parents, children and friends of the Roosevelt school are cordially invited to attend and enjoy this low-down frolic. All may feel free to attend in either ordinary or Halloween attire.

Loyal Workers Have Election Party

The Loyal Workers' class of the Christian church entertained Tuesday evening with an election party, which provided a jolly time for the 37 guests attending. The evening opened with a pot-luck dinner, Mrs. Effie Herbert Yeoman's group entertaining. Following dinner the guests were divided into political parties and a contest made of the dish washing.

Ballots were then passed out and a straw vote taken, which elected President Hoover.

Games were enjoyed under the leadership of Miss Dorothy Mitchell. Mrs. Mabel Sims is president of the class and Mrs. E. R. Cobb instructor.

Ellis Davidson Honored on Birthday

The birthday of Ellis Davidson was celebrated Wednesday evening at the home of Mrs. Albert Moore. Following the birthday dinner the guests were entertained with vocal and numbers by Miss Esther Holdridge. Among those present were Mr. and Mrs. Archer Neilson, Bob Frederickson, all of Medford, and Louise Neilson of Palo Alto, Cal.

The Halloween motif was used in the decorations, which also included a large bouquet of roses from the gardens of Mrs. J. W. Jacobs.

Miss Fuson Hostess at Costume Party

One of the jolly events of last week for the members of the younger set was the party given Saturday evening by Miss Anna Mae Fuson, to which 35 high school folk were invited.

Kid costumes were in order and many clever ensembles in evidence. The evening was spent in dancing.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts in four weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one-half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast — it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at Jarmin & Woods, Heath's Drug Store, Brown's Pharmacy, or any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.

QUOTES MAGAZINE ON REPORT CARDS

Report cards are out today in the Medford schools and with their appearance comes a recommendation from a Mail Tribune reader, who suggests that the following clipping from the Parents' Magazine be submitted to mothers and fathers. It is entitled "Reward of Merit" and reads: "There are well-meaning parents who actually pay their children a sum of money for every point they get above a certain average on their report cards. This is wrong on at least three counts. First, if the child's attitude is right he will do his best for his own satisfaction. In life we seldom get more reward than that. Second, it gives him a false impression of the value of money. So many things cannot be gauged by their value in dollars and cents. Third, it over-emphasizes the value of marks. The goal should be knowledge. High words of praise should be reward enough for a child who attains honors, added to his own sense of achievement, and they should never be lacking. And I think a little family celebration might mark the passing of some difficult task. We should rejoice with him but help him to feel that the true reward is his own sense of achievement.—Katherine P. Corwin."

DISAPPEARANCE OF EX-JUDGE Baffles

PORTLAND, Ore., Oct. 27.—(AP)—Despite the untiring search conducted by state police and city and county officers, no trace had been found today of Charles Marsh, 54, former Umatilla county judge, who disappeared Monday between Portland and Pendleton with a considerable sum of money. Judge Marsh had been in Portland on business matters and was returning to his Pendleton home when he disappeared. He was last seen by an acquaintance near Crown Point on the Columbia highway.

LA GRANDE, Ore. Oct. 27.—(AP)—When the La Grande high school football team leaves here tomorrow morning for Baker, where it will meet the Bulldogs Friday afternoon, it will be accompanied by the high school band and a large crowd of students and townspeople.

LA GRANDE EXPECTS STRONG OPPOSITION

BUTTERFAT FIRM, DRESSED TURKEY DEMAND ON GAIN

PORTLAND, Ore., Oct. 27.—(AP)—Continued decrease in churning throughout the territory appears the chief factor in the local butter market. There was no change in general values for the day. This applies to both the cube market on the produce exchange and to the open market for cubes and prints.

Receipts from out-of-state points during the last few days have shown a decrease, therefore total supplies available here have been somewhat curtailed. Even at that curbers have been unable to force life into the 92 and better scores.

Butterfat quotations continue firm at late quotations.

Market for eggs continues to reflect more than passing strength which keeps values practically on a uniform basis. No late changes in selling prices are suggested here.

There continues an increasing interest in dressed turkeys both for shipment and for local needs. Prices in general are practically without change for the last few days.

Steadiness of the demand for live hens is keeping the values here unchanging. The call includes all weights. Springer stuff is still showing more or less neglect here, although favorable in other markets.

While there is no shortage of fresh fish at Portland, the former big surplus offerings at most points are disappearing. Halibut, however, has lost some of the recent price gain, but salmon is about steady. Large crabs are practically off the market.

Cantaloupes are remaining for a longer period than ever before known. Quality remains unusually favorable. To most sales of top quality around \$1.25 crate.

With the trade here undecided as to whether it is going to handle local or eastern cranberries, a very slow action is suggested in the market. Coastal growers continue unwilling to rush sales owing to the short crop.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just stays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, sinning when it comes to making the bile flow freely.

But don't take liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Lowest a substitute, 25c at all stores. © 1931 C. M. Co.

KAPLAN VICTOR IN ROUGHHOUSE BOUT

PORTLAND, Ore., Oct. 27.—(AP)—Abe Kaplan, 230-pound Jewish grappler, defeated Pat Reilly, 200, Boston, two out of three falls here last night in another wild exhibition, during which the referee was knocked out. After dividing the first two falls, Reilly taking the first in 3 minutes, 50 seconds with a flying scissor, Kaplan the second in 14 minutes, 41 seconds on a winglock, both men began fighting desperately for the deciding fall. Reilly went to work on flying tackle butts and seemed in a fair way of winning when Kaplan sidestepped him and Verne Harrington, the referee, standing behind Kaplan, took the full force of the butt. The official went sailing through the ropes and into the orchestra pit. It took several minutes to get him back into the ring. In the meantime, Reilly had turned on Kaplan and slapped him down with a body scissor, holding him down for about 30 seconds. When Harrington returned to the ring, Kaplan was on top and he was awarded the decision amid a roar of protest from the crowd.
