

### TIGERS VISUALIZE CHANGE AT STATE FOOTBALL HONORS

#### Brilliant Showing Against Klamath Raises Stock— Tilt With Eugene Should Carry Quota of Thrills

(By Roger Headlee.)  
Prospects of Medford high's grid team meeting the winner of the Portland conference for the state title seemed considerably brighter to Pear City football enthusiasts following the brilliant showing of the Medfordites against the husky Pelicans last Saturday. The outcome of the Eugene high game in this city Saturday will be a deciding factor and fans are looking forward to one of the best games of the season on Van Scoyoc field when the Eugene aggregation makes its local showing.

The Medford gridsters seemed to "click" last Saturday when they avenged the "beaters" Klamath seven to the tune of 21 to 0. When Coach Burger's squad battled Grants Pass here two weeks ago, scores of plays were withheld because the entire Klamath team was in the stands, scouting the game.

**Strong Line Helped.**  
Clyde Fichtner and Tommy White along with Max Gilinsky made the best of the advantage of having a strong line before them. They used several of the less important plays and sent Grants Pass home defeated seven to six. From their view from the side lines the Klamath Falls squad decided Medford would be an easy game.

With this idea still in mind the Pelicans went onto Van Scoyoc field and learned that Coach Burger and his squad is one good ball team. Good enough to score 21 points while they failed to score any.

Along with successful passing much yardage was gained by Medford's big full back, Clyde Fichtner. Fichtner's gains were not of the kind that brought the stands to its feet but they were of the type that brought Coach Burger to his feet shouting praise and encouragement.

**Gilinsky in Fast Action.**  
As per usual Max Gilinsky played so fast and hard that the Klamath fans guessing at how he could stand such a pace. Although many times he was hit hard by the Klamath players he was always on his feet and into the next play wild to go.

Another wonder of the local team is how Tom White can absorb punishment. The fact that he had two broken fingers did not keep him from playing the best game of his career. On the offense and as a blocking half Tommy is hard to equal.

Another of Medford's steady line men is Don Grieves. When he hits one of the opponents they either drop or fumble. Either of which many times has caused a visiting team grief.

Taber, the Klamath Falls fullback, suddenly realized when he met Stud Olem in Saturday's game that he was up against a hard hitting, steady player. Although Taber had planned to make up for last year's fumble he lost the ball on Medford's two-yard line with a fumble.

**Bennett Stands Out.**  
Those who have been following the progress of locals have noticed that Ed Bennett has proven a fast and efficient end. In the Grants Pass game Bennett followed the Medford punts close enough to recover several fumbles, and give substantial gain to the team.

One of the most interesting features of Saturday's game, was the tackling of the Klamath passer because he was able to throw the ball. This was due to Minear and Shaw plunging through the Klamath line and tackling the hurried Klamath back.

Another feature contributing to Medford's win was the steady and efficient centering of Lloyd Hammack. With a team consisting of players like these mentioned and an equal support of fans the Medford team stands in a good way to play for the state title.

### NOTRE DAME SHAKEN UP TO HALT INTERNAL ROW

**SOUTH BEND, Ind., Nov. 1.—(AP)—**A drastically revamped Notre Dame football team snapped into practice today as Coach "Hunk" Anderson sought to prevent a repetition of his team's unexpected defeat at the hands of Pittsburgh.

Three men were missing from the regulars' lineup—Capt. Paul Host, star Nick Lukats, left halfback, and Ben Alexander, center. Moved from the second team to fill their places

were Hugh Devore, Mike Koken and "Klitty" Gorman.  
That's just a start, Coach Anderson threatened. There will be other shakups if the team doesn't capitalize upon its potential power.  
Revamping of the lineup gave fresh impetus to rumors that dissenation had crept into the ranks of the regulars, and that Coach Anderson's action was taken to present a team in future grid engagements that, if beaten, could lay defeat solely upon the other team, not internal discord.

### JONES DISCOVERS FULLBACK HOPE

**LOS ANGELES, Nov. 1.—(AP)—**A sophomore by the name of Bob Morrison may be the much sought after driving fullback Coach Howard Jones has needed to make his University of Southern California football team click this fall.

The Trojan line is powerful and there seems to be no lack of pass throwing and receiving ability, but so far as line plunging goes, there has been little in the national champions' backfield this fall.

Coach Jones has about decided to start Morrison against California here Saturday, which will shove Bob Getz into second team spot and Dick Barber into third team place.

Homer Griffith, who was alternating between full and quarter when Orville Mohler was still numbered among the present, will confine activities entirely to the signal shouting tasks now.
