

BUTTER MARKET HOLDING STEADY; EGG TRADE DULL

PORTLAND, Ore., Nov. 4.—(AP)—Conditions within the butter market continue more or less of steady character. There was no change in the price on the open market for either prints or cubes during the day.

Continued strength was displayed for the underscores and up to 91 score but anything above that was hard to move except at lower-score values.

Butterfat buying prices continue strong and generally around the high point.

Trade in the egg market appears a trifle dull but without general price change. There is an undercurrent of easiness in the east and especially so for storage goods.

Market for live chickens continues to reflect steadiness here.

Carryover of country killed calves continues quite serious here as a result of the liberal arrivals and curtailment of demand.

There remains quite a good outward movement of country killed hogs. Prices are steady. Lambs are steady.

Some betterment in the demand and in price was reflected for fancy quality head lettuce. Sales up to \$1 crate.

Additional gain in movement of carloads of vegetables. Cauliflower and celery was confirmed by leading shippers.

Potatoes were steady for Deschutes, weak for Yakima and nominal for locals.

More California outdoor tomatoes were arriving and are finding favor around \$1 a lug.

Better Muscat grapes are being offered and around \$50 a lug.

Concord grapes are in fair call at steady prices.

California green beans are being sharply advanced at the source.

Her Husband's Football Star, But Coed Wins Own Honors

Winifred Flint Berry is the wife of Gil Berry, University of Illinois football star, but that isn't her only claim to campus fame. She's a beauty contest winner, and has one of the leading roles in a student dramatic society play.

URBANA, Ill.—(AP)—Sometimes wives of football heroes back in their husband's glory—but not Winifred Flint Berry.

She has won campus fame in her own right—as a beauty and as an actress.

Her husband is Gil Berry, captain and star halfback of this year's University of Illinois eleven. But his

comely blond wife finds more to do than cheer him from the sidelines.

Twice she has been elected winner of campus beauty contests, and this fall she won one of the leading roles in "A Church Mouse," a production of Maak and Bauble, student dramatic society.

Both halfback Berry and Mrs. Berry are seniors.

touches on their campaign, and tonight the welkin will ring. Buron Flits, famed Los Angeles prosecutor, will address a rally at the Nat. tonight. There will be short talks over KMED and speeches by various candidates throughout the county. This

city will be the storm center of final efforts.
A record vote for this county will be cast next Tuesday. Assessor J. B. Coleman predicts between a 53 per cent and 70 per cent vote, or between 13,500 and 14,000 voters. Other prognosticators see only a 11,000 to 12,000 vote. A 50 per cent vote was cast in the primary last May.
The county clerk's office this morning announced that the polling place for the South Jacksonville precinct had been moved back to the Bishop building and South Jacksonville voters have been requested to take notice.

Astoria—Bids may be called soon for construction of 60-foot bridge or fill across tide ditch north of new Cook slough fill.

NORTH AND EAST RAIL RATES CUT FROM PORTLAND

PORTLAND, Ore., Nov. 4.—(AP)—All railroads in Portland announced slashing reductions in train coach fares to Seattle, Spokane, Tacoma and Yakima, establishing what they said was the lowest price ever made. The rates will be effective December 1 for an experimental period of at least six months.

The one way fare to Seattle, now \$5.58, has been cut to \$2.50. The

present round-trip fare of \$8.50 has been slashed to \$4.
To Spokane the one-way fare is \$5, compared with \$12.49, and round trip, \$14 as against \$18.
The fare to Tacoma will be the same as to Seattle. The Yakima rate will be \$5.50 and \$10, as compared with \$10.93 and \$14.60.
The railroads which announced the cut simultaneously were the Great Northern, the Northern Pacific, Union Pacific and the Spokane, Portland & Seattle.

The low fares will not permit the holder to use Pullman accommodations by paying the added Pullman tax.

The northern lines now operate five trains between Portland and Seattle under a pool arrangement. The passenger representatives of the railroads said they expect the new rates will bring back to the rails some of the business that in recent years has been diverted to motor stages and the private automobile.

BLODGETT—Hawley & Mench mill resumed operations.

To the Public:
From the People's "Committee of 7000"

We, voters from all ranks and from all parties, are marking in the name of Ralph Jennings for sheriff.

SPORTSMANSHIP
1. In some few instances we have heard this question raised against Ralph Jennings. Once and for all, we want it thoroughly understood that all responsibility for this spontaneous movement to put him back into office rests solely, and only, on the shoulders of the voters from all over this county—the People's Committee of 7000. Anybody that says, or implies, that Jennings even remotely enters into this movement, is deliberately making an effort to blacken the name one of the most honorable, equable, men in our county—a man, who by the very possession of the hosts of friends that he has, you may know is a "real man". He has staunchly refused, in any way, to help his own cause. IT IS WE, THE PEOPLE, WHO HAVE TAKEN THIS CAMPAIGN INTO OUR OWN HANDS.

The small funds that are being used by us are coming in from all over the county, in small amounts, from many, many people—just plain, average people, who are more interested in putting in THE BEST MAN FOR THE JOB rather than in playing petty politics. If we, the taxpayers, exercise our legal franchise in a way that we think to be for the best interests of our county, and if, by so doing, we elect Ralph Jennings, he can rightfully and certainly with perfect sportsmanship, do no less than stand by the job.

ABILITY PROVED
2. He has proved to us that he has made a top notch sheriff. Many say, including the Medford Mail Tribune, the best sheriff Jackson county has ever had. In these times of economy and retrenchment when efficiency is most to be desired, we do not find ourselves in any mood to experiment with, and to educate new office seekers in this important position, when we already have such an excellent, well-qualified sheriff right on the job. No one will deny that proficiency in public office, like any other undertaking, is gained by experience. This, Jennings has. Not alone is he qualified by experience, but also by temperament. He is a thorough gentleman, courteous, has a high sense of fairness and honor, and above all, is endowed with that rare quality of "just good common sense."

MORE FOR THE MONEY
These are tough times; we all want to get the most for our money. Let's get this by all pulling together and voting in for sheriff
